Which board would you like to serve on?: Special Sales Tax Oversight Committee

I would like to serve on this Board or Commission because: I would like to serve on this Board or Commission because: I have seen this Committee at work for seven years since being appointed for the first time in 2016 and I believe more strongly now then I did in 2016 that the work of this committee is not only extremely important, but essential. Raytown voters created these special sales tax categories to generate much needed funds to move our city forward and make it the best place we can afford. Promises were made to the voters as to what the money from the sales taxes would be used. These promises have been kept to the satisfaction of the voters as evidenced by the April 2014 renewal of the Transportation Sales Tax and the Capital Improvement Sales Tax. I wrote previously: "The best way to keep Raytown voters supportive of these two taxes and the Public Safety Sales Tax is to ensure through oversight that the monies from the taxes are being spent in keeping with the promises made to the voters and in such a way as to give voters and residents the best "bang for their bucks." This all comes down to what is missing far too much in certain levels of government: Accountability. The involvement of a citizen-based oversight committee helps to ensure accountability, which the voters appreciate, and attests to the voters and residents that these tax dollars are being spent in accordance with the original promises made to voters.

My strength(s) on this Board/Commission will be: My strength(s) on this Board/Commission will be: A strong work ethic and sense of responsibility to Raytown voters who are my neighbors in the community I have called home for 50 years, since October 1973, which will drive me to study what is brought before the committee and be sure that I am properly and adequately prepared to vote on the issues and ensure that the expenditures I vote to approve fall within the scope of the voters' intent when they passed the various taxes.

I am principled. I am a Christian, and I try to live my life to reflect that in a positive way.

I am a good listener and always try to have and fully understand all the facts before making my decisions. If shown to be in error, I am willing to change my mind and my vote when furnished additional or different facts than I had when first forming my opinion and decision. However, right is right and wrong is wrong, and I will not change from doing what is right. When I served on the Raytown C-2 School District Board of Education, I placed a note on the inside front cover of my agenda book asking the vital question: Is it right for the children? I don't have an agenda book for a note like that, but I try to approach each proposal brought before the committee with the vital question: Does this meet the intent of the voters as they passed the applicable sales tax issue?

I am a team player. I am respectful of my colleagues on the SSTOC and all city employees and all members of City Government at all levels.

I have the best interests of my community at heart.

I have experience with financial oversight in my volunteer service on the boards of other organizations.

SUBJECT/REQUEST

Sale of used mowing equipment.

BACKGROUND/JUSTIFICATION

The Raytown Parks has been taking on additional mowing to stay within the budgeted amount for the contracted mowing expenses. With the higher use of our older mowers our maintenance costs and related staff time increased. To address this, we received four bids to replace them with new mowing equipment that would better suit our needs and reduce the ongoing costs of maintaining the older equipment. The items to be replaced are a Toro 48" deck walk behind mower purchased in 2005, and a Toro 60" deck Zero-turn mower purchased in 2013.

The Parks Department would like to have these two mowers surplussed and sold as used equipment on the public auction site Purple Wave. The funds from the sale of the used equipment will go into the Parks revenue account line item Gain on sale of Fixed Asset #201-92-00-100-46303.

RECOMMENDED MOTION

The Parks Board makes the recommendation to have the two mowers surplussed and sell the items separately on the public auction site Purple Wave.

DEPARTMENT: Public Works

Document Type: Resolution Agreement/Contract

SUBJECT/REQUEST

Authorization to approve an agreement with Arbor Masters for professional services for tree and overgrown shrubbery removal in stormwater channel not to exceed \$32,000.00.

BACKGROUND/JUSTIFICATION

Public Works is utilizing the on-call tree removal service to remove trees and shrubbery in two locations within our stormwater channels.

One location is the stormwater channel starting at 8798 East 81st Terrance, which flows to the location of 8899 East 83rd Street. Arbor Masters have provided two (2) quotes which will help staff remove trees and shrubbery for equipment to enter various properties to clean out the concrete channel.

The second location is the stormwater channel at 9206 East 79th Street to East 79th Street. There are numerous trees and shrubs located at this location. Arbor Masters have provided one (1) quote which will help staff remove trees and shrubbery for equipment to enter the property to clean out the stormwater ditch so it is easier to maintain.

Arbor Masters is helping staff remove the larger trees and shrubs so that we can complete the projects in a timely manner.

RECOMMENDED MOTION

Staff recommends approval as submitted.

PREVIOUS ACTION

An RFP was issued for on-call tree trimming and emergency tree debris removal services on November 29, 2021. Bids were closed on December 17, 2021 and at such time Arbor Masters was the only successful bidder. On February 21, 2022, the City Administrator executed an agreement, pursuant to the Purchasing Policy at the time, for on-call tree trimming services. The terms of the agreement establish a term of one year with the option to renew for two (2) additional one-year periods.

CITY OF RAYTOWN Request for Board Action

DATE SUBMITTED: 09/15/2023

MEETING DATE: September 19, 2023

SUBMITTED BY:

DEPARTMENT: Administration

Document Type: Ordinance

SUBJECT/REQUEST

Approve the recommended sewer rate user fee to provide coverage for necessary operational, capital, treatment and debt expenses and the repeal of Section 44-154.

BACKGROUND/JUSTIFICATION

Over the past several years, sewer treatment costs have risen for treatment services provided by Kansas City Missouri (KCMO) and Little Blue Valley Sewer District (LBVSD). For several years, City staff were able to maintain the City rate through the implementation of numerous cost-saving programs.

In order to be compliant with funding requirements associated with debt issued for the sewer fund, the sewer rate will need to be increased by approximately 7%, 5.25%, or 3.5% across the board. This will ensure the sustainability of the fund. Based on historical increases from KCMO and LBVSD, there will be additional increases needed in future years.

Due to rising costs in treatment, maintenance, and operations, staff are recommending the following sewer rate adjustments to Chapter 44, Article III, Sec. 44-154:

Option (1) 7%

1. Amend c (4) to read Base Rate - the Base Rate shall be \$[18.32] 19.60 [Eighteen dollars and Thirty-Two] Nineteen dollars and Sixty Cents per month.
2. Amend c (9) to read *Variable rate*. The revenue charge expressed in per 1,000 gallons that is derived when the annual variable rate revenue requirement is divided by the customer volumes, estimated to be \$[11.27] 12.06 [Eleven dollars and Twenty-Seven cents] Twelve dollars and Six cents per 1,000 gallons, in excess of 1,000 gallons.

Option (2) 5.25%

1. Amend c (4) to read Base Rate - the Base Rate shall be \$[18.32] 19.28 [Eighteen dollars and Thirty-Two] Nineteen dollars and Twenty-Eight Cents per month.
2. Amend c (9) to read *Variable rate*. The revenue charge expressed in per 1,000 gallons that is derived when the annual variable rate revenue requirement is divided by the customer

volumes, estimated to be \$[11.27] 11.86 [Eleven dollars and Twenty-Seven cents]
Eleven dollars and Eighty-Six cents per 1,000 gallons, in excess of 1,000 gallons.

Option (3) 3.5%

1. Amend c (4) to read Base Rate - the Base Rate shall be \$[18.32] 18.96 [Eighteen dollars and Thirty-Two] Eighteen dollars and Ninety-Six cents per month.
2. Amend c (9) to read *Variable rate*. The revenue charge expressed in per 1,000 gallons that is derived when the annual variable rate revenue requirement is divided by the customer volumes, estimated to be \$[11.27] 11.66 [Eleven dollars and Twenty-Seven cents] Eleven dollars and Sixty-Six cents per 1,000 gallons, in excess of 1,000 gallons.
3. Amend c

Due to the rising cost of treatment, staff does not believe there are any alternatives to raising the sewerage rate to cover the increases.

CITY OF RAYTOWN

Request for Board Action

DATE SUBMITTED: 09/15/2023

MEETING DATE: September 19, 2023

SUBMITTED BY:

DEPARTMENT: Finance

Document Type: Ordinance

SUBJECT/REQUEST

Approve the recommended 2023 levy rates for the General Fund and the Parks and Recreation Fund

BACKGROUND/JUSTIFICATION

The City has received its notice of 2023 Assessed Valuation from the County. Finance has recalculated the levy rates using the formula supplied by the State Auditor's Office. These calculations indicate the City could levy a rate of \$0.2562 per \$100.00 assessed valuation for general city operations and a rate of \$0.1277 per \$100.00 assessed valuation for park operations. The 2023 proposed combined rate represents a decrease from the 2022 rate based on higher assessment totals. According to Zillow the median home value for Raytown is approximately \$198,223. The total taxes collected for the City and Parks on the median home would be \$141.12 for each the City of Raytown collections.

The Adjusted Assessed Valuation:

- Real Estate values increased by \$130,941,952 or 42.57% from last year's amounts for a 2023 value of \$438,526,256.
- Personal property value decreased by \$4,585,952 or 5.18% from last year's amounts for a 2023 value of \$83,865,975.

Based on the assessed valuation and the proposed mill levy, staff is projecting that approximately \$1,336,656 will be generated for the General Fund and approximately \$666,409 will be generated for the Park Fund, which equates to a 11.18% increase for both General Fund and Parks Fund.

In accordance with State law, the City must hold a public hearing on the establishment of the levy rate prior to passage of the ordinance approving the 2023 rates which has been scheduled for September 19, 2023.

SUBJECT/REQUEST

Approve ordinance authorizing and approving Plans Review Building Code/Permitting Inspections Certificate of Occupancy and Platting Agreement between City of Raytown, City of Kansas City, Missouri and Shirin Investment, LLC.

BACKGROUND/JUSTIFICATION

Shirin Investment, LLC owns the property commonly known as 8619 Blue Ridge Blvd, Kansas City, Missouri. A portion of the property is located within Raytown city limits. Shirin Investment, LLC proposes to demolish the existing building, formerly Texas Tom restaurant, to build a freestanding canopy with four (4) fuel islands and build a new 3,800 sq.ft. convenience store (The Project). The property is zoned for the proposed commercial use.

The bulk of the proposed improvements will be built primarily within the Kansas City, Missouri city limits, including the fuel canopy, underground fuel storage along with existing access to the site from Blue Ridge Boulevard and certain site utilities.

The Plans Review Building Code/Permitting Inspections Certificate of Occupancy and Platting Agreement defines the roles and responsibilities each municipality (City of Kansas City, Mo and City of Raytown, Mo) shall have regarding plans review, building code/permitting, inspections, platting (if any), and certificate of occupancy for The Project, but also other aspects of zoning, fire, health department, business licenses, storm, and sanitary sewer and utilities and all other aspects of The Project for which municipal governmental approvals are required.

CITY OF RAYTOWN

Request for Board Action

DATE SUBMITTED: 08/31/2023

MEETING DATE: September 19, 2023

SUBMITTED BY:

DEPARTMENT: Police Department

Document Type: Resolution Agreement/Contract

SUBJECT/REQUEST

Approve entering into an agreement for Inmate Detention Housing with the Johnson County, Missouri Sheriff's Office and approve the Inmate Detention Housing expenditure for an amount not to exceed \$114,000.00 and amend the fiscal year 2022-2023 budget.

BACKGROUND/JUSTIFICATION

Prisoners often must remain in custody to await trial or serve jail time, sentenced by the Raytown Municipal Court. The Raytown Detention Unit is not equipped to properly house those prisoners, due to facility limitations. The Raytown Detention Unit is only able to temporarily hold prisoners until they are released or transported to the off-site prisoner detention facility. Thus, prisoners being held for more than a short period of time must be held at an off-site detention facility until their court date or their sentence is served.

Prisoner housing fees are only incurred as services are provided. A total of \$76,000.00 is currently budgeted for Inmate Detention Housing in the FY23 budget. This expenditure meets the "sole source" exception to the competitive bid process, outlined in section 2.1 of the City's Purchasing Policy. Staff is asking for an additional \$38,000.00 to be added to the FY22-23 budget for prisoner housing due to rising costs.

The Johnson County Sheriff's Office is the sole off-site detention source that provides prisoner transportation directly to/from Police Headquarters as part of the service, which is necessary to keep police officers available for calls for service in Raytown, instead of leaving the area to make prisoner transports out of the city.

RECOMMENDED MOTION

Approve the Resolution.
