Request for Board Action

DEPARTMENT: Community Development

Document Type: Resolution

SUBJECT/REQUEST

Resolution Authorizing expenditures for the Minor Home Repair Program, which are above the City Administrator's authority, but are within the budgeted amount.

BACKGROUND/JUSTIFICATION

The Agreement would enable the City of Raytown to partner with Truman Heritage Habitat for Humanity to implement a minor home repair program. The program would provide another 'tool' for the Community Development Department to use as part of the City's neighborhood improvement program. The program would provide assistance to low-moderate income homeowners who are financially unable to correct the following types of property maintenance code violations on their property.

- Exterior Painting;
- Roof Repair and Replacement;
- Repair Decks and Porches;
- Repair Driveways;
- Repair and Replace Flashing and Guttering;
- Repair and Replace Siding;
- Tree Trimming for House Safety; and
- Yard Cleanup and other approved minor home repairs

Homeowners needing to make repairs to address City code violations would be informed of the availability of this program by the Community Development Department when discussing specific code violations listed above. Homeowners expressing an interest would be referred to staff at Truman Heritage Habitat for Humanity who is experienced working with homeowners to meet their needs.

Homeowners meeting the required criteria will be required to repay the cost of the repairs by making a small monthly payment, which would be collected by the Truman Heritage Habitat for Humanity. Loans would be at zero percent interest for a period of up to seven years. The funds collected would then be placed in a Raytown Minor Home Repair Account for future use in this program. The proposed program uses volunteers from local churches and other organizations to lower labor costs. A construction supervisor from Truman Heritage Habitat for Humanity would manage and supervise the projects and volunteers. Truman Heritage Habitat for Humanity has many national sponsors that donate materials as

gifts in kind. Examples of this include paint which is donated from Valspar. Other partners include CertainTeed, Dow, Cree, Whirlpool and many others.

RECOMMENDED MOTION

Recommend approval for spending up to the budgeted amount for home repairs.

Dated: November 1, 2023

AGREEMENT BETWEEN THE CITY OF RAYTOWN, MISSOURI
and
TRUMAN HERITAGE HABITAT FOR HUMANITY, Inc.
for
City of Raytown "Home Repair Program"

THIS AGREEMENT is effective November 1, 2023, by and between the City of Raytown, Missouri, (herein called the "Grantor") and Truman Heritage Habitat for Humanity, Inc., a Missouri not-for-profit corporation, (herein called the "Grantee").

WHEREAS, the City of Raytown wishes to implement a minor home repair program for income eligible Raytown homeowners; and

WHEREAS, the City of Raytown has budgeted \$50,000 for a minor home repair to assist low-moderate income homeowners with exterior home, and property, repairs and improvements; and

WHEREAS, a minor home repair program will improve neighborhood property conditions, remove blight, assist homeowners in responding to property code violations and safety hazards in regards to their residence; and

WHEREAS, Truman Heritage Habitat for Humanity has been selected and approved to assist the City of Raytown in utilizing budgeted funds to provide home repair services for the benefit of qualifying low and moderate income households in Raytown;

NOW, THEREFORE, it is agreed between the parties hereto that.

I. SCOPE OF SERVICE

A. Activities

1. The Grantee will be responsible for administering a program entitled Raytown Home Preservation Program (HP Program) from the execution date of this Agreement to October 31, 2024, in a manner satisfactory to the Grantor and consistent with any standards required as a condition of providing these funds as set forth in this Agreement. This program will provide up to \$5,000 no interest loans or grants (or loans with discounted repayments) to low-to-moderate income homeowners for necessary repairs on their houses. Loans and grants shall be approved in accordance with Exhibit A of this Agreement on a first come, first served basis for eligible households. City of Raytown funds will be used to provide for direct home repair costs, as well as, salary and costs for the Grantee and certain other operating expenses, based on the budget in Exhibit B of this Agreement.

B. Levels of Accomplishment

The Grantee agrees to provide HP Program services to a minimum number of 10 low and moderate income households (i.e., \$50,000 overall program budget divided the

maximum cost/house of \$5,000 = 10 households as the goal). More than ten households may be served based on the actual program service costs of the first eight households served. As many households as possible will be served up to program service costs of \$50,000. The Grantee shall submit reports to the Grantor on the last day of each month the Agreement is in effect on the number of households requesting assistance, the number and location of each household approved with the scope of project, project cost information and the number and location of each project completed with a description of completed project scope, detailed project cost, a narrative of the need and benefits related to the service provided to the homeowner and other information the City may request. A detailed final report will be provided to the city on final program activities and accomplishments prior to the closeout of the Agreement.

C. Performance Monitoring

The Grantor will monitor the performance of the Grantee against goals and performance standards required herein. Substandard performance as determined by the Grantor will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by the Grantee within thirty (30) days after being notified in writing by the Grantor, Agreement suspension, termination procedures, or disqualification for future funding may be initiated.

D. Monitoring Site Visits

In addition to the reporting requirements, the Grantee may be subject to at least one site visit by the Grantor during the term of this Agreement, at which time all documentation, files, and other material related to this Agreement and the operation of any activity described in Exhibit A to this Agreement shall be made available for review and inspection by the Grantor. The Grantor may visit any of the project sites at any time.

II. TIME OF PERFORMANCE

Services of the Grantee shall start on November 1, 2023, and end by October 31, 2024. The term of this Agreement and the provisions herein shall be extended as needed upon mutual agreement between the Grantor and the Grantee.

III. BUDGET

The Grantee hereby agrees to follow the budget submitted with this Agreement as described and detailed in Exhibit B Budget as closely as possible. Due to the nature of the actual work being conducted, there may be differences in actual line-item expenditures (e.g., greater contracted work due to needs for trimming large branches overhanging houses) and the budget, but in no case shall grantee administrative costs exceed twenty percent of the total budget. The Grantee agrees to diligently report and document all expenditures for which reimbursement is sought in accordance with this Agreement. Any amendments to this budget must be submitted to and approved in writing by the Grantor. The Grantor shall have the authority to approve or deny any budget amendment. The Grantee agrees to obtain three bids for contracted work and award the contract to the lowest and most responsive bidder.

IV. PAYMENT

It is expressly agreed and understood that the total amount to be paid by the Grantor under this Agreement shall not exceed the amount listed in Exhibit B to this Agreement (i.e., \$50,000).

Payment to the Grantee shall be subject to the prior receipt by the Grantor of documentation reasonably required by Grantor certifying that the Grantee has performed the work and/or expended the time and project costs claimed for services under this Agreement, and that Grantee is entitled to receive the amount of compensation requested. The Grantor is responsible for invoicing the city directly at least quarterly after the services are rendered. The City shall have thirty (30) days to process payment.

Grantee documentation accompanying requests for reimbursement shall include contractor bids and invoice, contractor lien waivers, before and after pictures of the work done, Grantee time sheets and volunteer hours for each project site.

V. NOTICES

Notices required to be given in writing under this Agreement shall be effective when delivered personally to the Addressee or when forty-eight (48) hours have elapsed after the notice is deposited in the United States mail in a sealed envelope with registered or certified mail postage prepaid thereon, addressed to the party which notice is being given. If such amendments result in a change in the scope of services or schedule of the activities to be undertaken as a part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantor and Grantee.

G. Suspension or Termination

In the event of any termination for convenience, all finished or unfinished documents, data, studies, surveys, maps, models, photographs, reports or other materials prepared by the Grantee under this Agreement shall, at the option of the Grantor, become the property of the Grantor, and the Grantee shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to termination if such efforts were to be initially compensated.

Request for Board Action

DATE SUBMITTED: 10/17/2023

SUBMITTED BY:

DEPARTMENT: Parks

Document Type: Ordinance

SUBJECT/REQUEST

To approve the rental agreement between the City of Raytown Parks Dept and the Rice-Tremonti Board for the rental of the home at 8805 E 66th ST.

BACKGROUND/JUSTIFICATION

The agreement states that the Rice-Tremonti board will maintain the home at 8805 E 66th ST and bring it into compliance with the city codes for rental properties. By maintaining the property and making repairs and updates at their own expense, the Rice-Tremonti board will then keep the rental pay for the home. The home at 8805 E 66th ST, was purchased by the Parks Dept in 2008, and the Parks were repaid in full in 2018 by the Rice-Tremonti board. The home was purchased with the intent to be a profitable enterprise for the Rice-Tremonti board, so that they could use the revenue from the rental property to fund the maintenance and upkeep of the Rice-Tremonti historical home at 8801 E 66th ST. The Rice-Tremonti board has been maintaining the rental home at their own expense since 2008.

This current rental agreement is to solidify the relationship of the Rice-Tremonti board as the caretakers of the rental property, and to ensure compliance with the City of Raytown rental regulations.

RECOMMENDED MOTION

Staff makes the recommendation to approve the rental agreement.

PREVIOUS ACTION

There was an original agreement for the Rice-Tremonti board to pay for the home's purchase price in full, which was completed in 2018. There was no further contract stating the responsibilities of the group moving forward past that date.
