CITY OF RAYTOWN
Request for Board Action

DATE SUBMITTED: 02/09/2024

MEETING DATE: February 13, 2024

SUBMITTED BY:

DEPARTMENT: Administration

Document Type: Resolution

SUBJECT/REQUEST

Authorize and approve the Raytown Live Music Series for the 2024 summer season.

BACKGROUND/JUSTIFICATION

The City of Raytown Planning Committee for the Raytown Live Music Series would like to request approval from the Board of Aldermen to continue the Raytown Live Music Series for the 2024 summer season.

The committee is planning on hosting 5 nights of music on the second Saturday of every month May through September in 2024. The Committee is requesting to use the Raytown City Green Space for the events, and host music from 7:00 p.m.-9:00 p.m. on the second Saturdays. Events will be funded through sponsorships and donations.

The Planning Committee will also plan for food trucks and possibly vendors to sell their wares for the spectators and participants of the events.

RECOMMENDED MOTION

Raytown Live Planning Committee recommends the event for approval.

CITY OF RAYTOWN
Request for Board Action

DATE SUBMITTED: 02/09/2024

MEETING DATE: February 13, 2024

SUBMITTED BY:

DEPARTMENT: Community Development

Document Type: Resolution

SUBJECT/REQUEST

Board of Aldermen to spend in excess of \$30,000.00 but within budgeted amounts for nuisance abatement services.
--

BACKGROUND/JUSTIFICATION

In 2021, the Community Development Department requested bids from qualified firms interested in providing nuisance abatement services and MO Turf was the only firm to submit a bid. On May 17, 2021, the City entered into a two (2) year agreement with MO Turf (with the City having the option to extend the contract for additional two (2) year terms thereafter). Pursuant to the City's purchasing policy, expenditures of funds with a single vendor in excess of \$30,000.00 annually must be approved by the Board. The Community Development budget anticipates that the costs of abating trash, mowing tall grass and weeds, boarding up abandoned properties, and removing stagnant water will exceed \$30,000.00; therefore, staff is requesting Board approval to spend in excess of \$30,000.00
--

RECOMMENDED MOTION

Staff recommends approval to spend in excess of \$30,000, but within budgeted amounts, for nuisance abatement services.

A RESOLUTION AUTHORIZING AND APPROVING AN EXPENDITURE OF FUNDS WITH MO TURF FOR NUISANCE ABATEMENT SERVICES IN EXCESS OF \$30,000.00 BUT WITHIN BUDGETED AMOUNTS FOR FISCAL YEAR 2023-2024

WHEREAS, in 2021 the City of Raytown issued an invitation to bid for the provision of nuisance abatement services; and

WHEREAS, the Community Development Department received one (1) response to the invitation, submitted by MO Turf; and

WHEREAS, the purchasing policy adopted by the City of Raytown requires that any expenditure of funds with a single vendor in excess of \$30,000.00 annually be approved by the Board of Aldermen; and

WHEREAS, on May 17, 2021, the City entered into an agreement with MO Turf for a two-year term, with the option to extend for an additional two-year term, to provide nuisance abatement services; and

WHEREAS, the City anticipates that during this year of the existing contract that the City will spend in excess of \$30,000.00 on nuisance abatement services associated with Neighborhood Services; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to approve an expenditure of funds with MO Turf for nuisance abatement services in excess of \$30,000.00 but within budgeted amounts for fiscal year 2023-2024.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT the expenditure of funds with MO Turf for nuisance abatement services in excess of \$30,000.00, but within budgeted amounts for fiscal year 2023-2024 is hereby authorized and approved.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 13th day February 2024.

AUTHORIZATION TO ENTER INTO AN AGREEMENT WITH AZTECA SYSTEMS HOLDINGS, LLC, FOR THE USE OF THE CITYWORKS PROGRAM FOR THE 2023-2024 BUDGET YEAR IN THE AMOUNT OF \$69,472.00.

BACKGROUND/JUSTIFICATION

Currently, The City of Raytown is using Cityworks for Building Maintenance, Bulk Pick-up, Fleet, Parks & Recreation, Right of Way, Sanitary Sewer, Stormwater, Streets, and Traffic. Cityworks helps the department keep track of daily work activities, asset management, infrastructure management, permitting, and cost analysis. This program is an interictal piece of software that allows our staff to run more efficiently in our daily activities in Public Works, Sanitary Sewer, Parks, and Engineering.

The City of Raytown has contracted with Azteca Systems Holdings for three (3) years and their contract will expire on March 1, 2024. This is a continuation of the services of Cityworks program.

RECOMMENDED MOTION

Staff recommends approval as submitted

SUBJECT/REQUEST

Appointment of Patrick Nelson to the Raytown Park Board.

BACKGROUND/JUSTIFICATION

The Raytown Park Board was established pursuant to Ordinance 109, which provides for the appointment of nine (9) Park Board Directors appointed by the Mayor with the approval of the Board of Aldermen. The term of the members is for three years and the terms are supposed to be staggered to provide consistent and experienced leadership.

The Mayor has recommended that Patrick Nelson be appointed to replace Michael Anderson (who resigned) with an unexpired term which expires June 1, 2024.

RECOMMENDED MOTION

Approve appointment.

CITY OF RAYTOWN
Request for Board Action

DATE SUBMITTED: 02/09/2024

MEETING DATE: February 13, 2024

SUBMITTED BY:

DEPARTMENT: Court

Document Type: Ordinance

SUBJECT/REQUEST

Board of Aldermen approval of an amendment to Chapter 12-Courts and Jails, Article 1-In General, Section 12-10 related to Court Costs Established.

BACKGROUND/JUSTIFICATION

The Office of State Courts Administrator (OSCA) is responsible for providing administrative, business and technology support services to the courts. During an audit OSCA in the City of Raytown's Municipal Division, they noted the proposed amendment that they would like the City to correct as soon as possible.

RECOMMENDED MOTION

Approve as submitted.

CITY OF RAYTOWN

Request for Board Action

DATE SUBMITTED: 02/09/2024

MEETING DATE: February 13, 2024

SUBMITTED BY:

DEPARTMENT: Community Development

Document Type: Ordinance

SUBJECT/REQUEST

The approval of an ordinance for a Final Site Plan for H&H Color Lab for a building expansion located at 8906 E. 67th Street.

BACKGROUND/JUSTIFICATION

The applicant, H&H Color Lab, is requesting the approval of a Final Site Plan for a 14,820 square foot building expansion on the north side of the existing building. This site has been used as the home of H&H Color Lab since approximately 1974. Now, the current demands of business operations require the building to be expanded. The building expansion will be on the northern edge of the building, will not be visible from the public right-of-way, and will take place wholly on the applicant's property.

As a condition of Ordinance No. 5488-14, which was approved on January 7, 2014, a final site plan shall be submitted for review and approval by the Board of Aldermen in accordance with the City's site plan and development regulations.

It should be noted that this property is also within the Highway 350 Design Corridor, which means it will have to follow additional regulations that are intended to encourage high-quality architecture, site planning, lighting, landscaping, screening, signage, infrastructure planning, and traffic flow.

Staff recommends the following conditions of approval:

Prior to the issuance of any utility or construction permits, all engineering documents must be submitted and approved by the Department of Public Works. This includes:

1. Private stormwater system design (collection system pipes & inlets);
2. Stormwater detention basin calculations and design; and,
3. Erosion & sediment control plan design.

Approval of the Final Site Plan shall be valid for a period of twelve (12) months from the date of approval by the ultimate decision maker, except that:

1. If a building permit is issued for construction within the area covered by the Final Site Plan and substantial construction is commenced, the Final Site Plan shall be valid so long as the building permit is valid.

2. The development and public affairs director, after receiving input from the joint review committee, may approve an extension not to exceed 12 months at the applicant's request.

RECOMMENDED MOTION

Staff recommends approval with conditions as outlined in the staff report.

AN ORDINANCE APPROVING A FINAL SITE PLAN FOR THE PURPOSE OF A BUILDING EXPANSION FOR H&H COLOR LAB ON LAND LOCATED AT 8906 E. 67TH STREET IN AN HC/350, HIGHWAY COMMERCIAL/350 HIGHWAY CORRIDOR OVERLAY, DISTRICT WITHIN THE CITY OF RAYTOWN, JACKSON COUNTY, MISSOURI

WHEREAS, Application PZ-2024-03, was duly submitted on or about January 22, 2024, by David Joiner, Integral Design Architecture, on behalf of property owner, H&H Color Lab, requesting approval of a final site plan for the purpose of a building expansion at 8906 E. 67TH Street within an HC/350, Highway Commercial/350 Corridor Overlay District in the City of Raytown, Jackson County, Missouri (the "Application"); and

WHEREAS, pursuant to Section 50-521 of the Raytown Municipal Code, a final site plan must be reviewed and approved by the decision maker of the preliminary site plan and is required for the construction of an expansion or enlargement to an existing building structure if the property is zoned commercial. The site has a previously approved Preliminary Site Plan, which was approved by the Board of Aldermen.

WHEREAS, the Board of Aldermen finds and declares that the provisions hereinafter contained and enacted are in pursuit of and for the purpose of securing and promoting the public safety, health, and general welfare of persons in the City of Raytown and rendered a decision to approve the Application.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – APPROVAL AND CONDITIONS OF APPROVAL. That the Application for approval of a Final Site Plan for a building expansion on property located at 8906 E. 67th Street within an HC/350, Highway Commercial/350 Highway Corridor Overlay District in the City of Raytown, Jackson County, Missouri, be approved and issued to H&H Color Labs, subject to the following conditions as contained in the staff report:

1. **Prior to the issuance of any utility or construction permits, all engineering documents must be submitted and approved by the Department of Public Works. This includes:**
 - a. **Private stormwater system design (collection system pipes & inlets);**
 - b. **Stormwater detention basin calculations and design; and,**
 - c. **Erosion & sediment control plan design.**
2. **Approval of the Final Site Plan shall be valid for a period of twelve (12) months from the date of approval by the ultimate decision maker, except that:**
 - a. **If a building permit is issued for construction within the area covered by the Final Site Plan and substantial construction is commenced, the Final Site Plan shall be valid so long as the building permit is valid.**
 - b. **The development and public affairs director, after receiving input from the joint review committee, may approve an extension not to exceed 12 months at the applicant's request.**

SECTION 2 – REPEAL OF ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 3 – SEVERABILITY CLAUSE. The provisions of this ordinance are severable and if any provision hereof is declared invalid, unconstitutional or unenforceable, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 4 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED and ADOPTED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri, this ____ day of February 2024.

Staff Report

To: City of Raytown, Board of Aldermen

From: Shana Kelly, Planning & Zoning Coordinator

Case #: Final Site Plan – PZ-2024-03

Planning & Zoning Meeting Date: N/A

Board of Aldermen Dates: February 13, 2024

Applicant: David Joiner | Integral Design Architecture

Location: 8906 E. 67th Street

Ward: 1

Property Owner: H&H Color Lab, Inc.

Project Summary: The applicant is requesting the approval of a Final Site Plan for the purpose of an expansion on the north side of their existing building.

Staff Recommendation: Staff recommends **Approval with Conditions** of the Final Site Plan Application. Conditions are outlined below.

Background Information: David Joiner with Integral Design Architecture, on behalf of H&H Color Lab, is requesting the approval of a Final Site Plan for a 14,820 square foot building expansion on the north side of the existing building. This site has been used as the home of H&H Color Lab since approximately 1974. In 1997, the property was rezoned from “R-2” to “C-3” (Extensive Commercial) and the building was expanded. In 2013, the property was rezoned from “HC” (Highway Corridor Commercial) to “HC-P” (Highway Corridor Commercial and Planned Zoning Overlay District) and the Final Plat for H&H Color Lab was approved and the northernmost portion of Kentucky Avenue was vacated to become a private street. Now, the current demands of business operations require that the building be expanded. The building expansion will be on the north edge of the building and will not be visible from the public right-of-way.

Zoning: HC/350, Highway Commercial / 350 Highway Corridor Overlay District

Total Land Area: +/- 4.28 Acres

Community Development Department
Planning and Zoning Division
10000 E 59th Street • Raytown, MO 64133
Phone: 816-737-6014 • Fax: 816-737-6164

Future Applications: If the Final Site Plan application is approved, the property will need to obtain approved building permits prior to Occupancy.

Public Noticing: Public noticing was not required with this application.

Neighborhood Meeting: A neighborhood meeting was not required with this application.

Adjacent Properties:

	Zoning:	Current Land Use:
North:	"HC-P" (Highway Commercial/350 Corridor Overlay District)	Single-Family Homes
South:	"HC-P" (Highway Commercial/350 Corridor Overlay District) and "R-3" (High-Density Residential District)	E. 67 th Street (Collector Street) Commercial Business (Sutherlands Home Improvement Store) and Multi-Family Homes (El Dorado Apartments)
East:	"R-2" (Medium Density Residential)	Single-Family Homes
West:	"HC-P" (Highway Commercial/350 Corridor Overlay District)	Rice-Tremonti Historic Site

Street Classification: H&H Color Labs is located on E 67th Street. E 67th Street is classified as a Collector Street.

Phasing: The building expansion is proposed to be completed in a single phase.

Staff has reviewed the submitted site development plan in relation to the following Commercial Site Design standards specified in the 350 Highway Corridor Design Standards Overlay District.

1. Access Standards: According to the 350 Corridor Overlay District Design Standards, cross access easements and joint connections shall be utilized whenever possible. This property does not have frontage directly onto 350 Highway and is not located adjacent to commercial developments, therefore this is not applicable to this request.
2. Driveway design standards: The intent of the 350 Highway Corridor Overlay District driveway design standards is to prevent the queuing of vehicles along 350 Highway. Although the property is within the 350 Highway Corridor Overlay District, this site does not have any frontage along 350 Highway. The new development is for the expansion of the existing building on the north side. The driveway connects the site to E. 67th Street on the south side. It is existing and will not be expanded or extended in any way.
3. Linkages: The majority of the site was developed prior to the 350 Highway Corridor Overlay District standards being adopted. This request is for the expansion of the

existing building on the north edge of the existing building and will not affect pedestrian access to and from the facility.

4. Site landscape areas: The 350 Highway Corridor Overlay Design Standards require that landscaping shall be a combination of drought-tolerant plantings, such as evergreens, deciduous trees and shrubs, and decorative grasses and that a minimum 20 percent of plant varieties shall provide year-round color, texture and/or other special interest. Selected shrubs varieties should have a natural maximum growth height of three feet (3') for visibility. While it is necessary to remove some of the trees from the site for the construction of the building addition, a total of 36 new trees and 55 new shrubs are being added. Staff has reviewed the Site Development Plan and has determined that it complies with the above requirements for this standard.
5. Site Lighting: The intent of the Highway 350 Corridor Site Lighting requirements is to create safe and aesthetically pleasing environments throughout the development while being mindful to prevent light spillover onto neighboring properties. A Photometric Plan has been provided which meets the lighting requirements. Illumination at all property lines is 0.0-footcandles.
6. Commercial Building Design Standards: Highway 350 Corridor Overlay Design Guidelines require the following criteria to apply to the proposed building expansion:
 - a. Compatible architectural design, including building materials and colors, shall be carried throughout the development area. Designs shall provide visual interest and variety yet be consistent with the architectural character of the area.
 - b. Architectural details such as texture, pattern, color and building form used on the front facade shall be incorporated on all building facades.
 - c. Any side of the building visible from a street, parking area or public open space shall be given architectural treatment using two or more of the following:
 - i. Windows;
 - ii. Pedestrian entrances;
 - iii. Balconies;
 - iv. Architectural details;
 - v. Awnings.
 - d. Building massing shall be varied to create a logical hierarchy of building forms; to break up long expanses of facade to create shade and shadow; and to create "human scale."
 - e. Building materials shall be of equal or higher quality than the materials of structures in the area. However, dissimilar materials may be permitted when incorporating other characteristics, such as scale, form, architectural detailing and color to make the building compatible with the area.
 - f. Service and mechanical areas shall be designed as an architectural feature of the building and entirely screened from view.
 - g. No more than one hue may be applied to the body of a building, but combinations of tints, shades, and tones of the hue shall be permitted; and additional hues may be permitted for trim and accent.

- h. A full palette of color to be used on the exterior and roof of the building shall be submitted for review and approval.
- i. When a new building or building addition is proposed, a full color rendering of all building elevations prepared by a licensed architect, or a graphic designer shall be submitted for review and approval with the site plan.

The proposed building expansion will take place on the north side of the existing building and will not be visible from the public right-of-way. Even though the expansion will not be visible from public right-of-way, the proposed addition satisfies all the 350 Highway Overlay District Commercial Building Design Standard requirements. It is compatible with the existing building materials and colors. Visual interest is created by a combination of composite metal siding and simulated wood-grain accent panels. Siding panels on the west elevation will have a textured stucco appearance.

PUBLIC WORKS

Public Works/Engineering conditions of approval are included in this report, and a letter is included as an attachment to this packet.

ATTACHMENTS:

- Zoning Map
- Site Photo
- Application
- Renderings and Plans
- Letter from Applicant Re: Stormwater Design 2-5-24
- Public Works Department Letter 2-6-24
- Deed of Trust
- Paid Tax Receipts
- Street Classification Map

Staff recommends that the Planning & Zoning Commission **Approve** Final Site Plan application **PZ-2024-03** subject to the following conditions:

1. Prior to the issuance of any utility or construction permits, all engineering documents must be submitted and approved by the Department of Public Works. This includes:
 - a. Private stormwater system design (collection system pipes & inlets);
 - b. Stormwater detention basin calculations and design; and,
 - c. Erosion & sediment control plan design.

1. The proposed action will be in keeping with the character of the neighborhood because: IT IS AN ADDITION TO A PRIOR APPROVED COMMERCIAL BUILDING AND BECAUSE OF ITS SCALE AND AESTHETIC QUALITIES IS IN KEEPING WITH THE CHARACTER OF THE SURROUNDING NEIGHBORHOOD.
2. The proposed use will be consistent with the uses and zoning on nearby parcels because: THE PROPOSED USE OF THE BUILDING ADDITION IS CONSISTENT WITH THE EXISTING APPROVED USE AND ZONING. IT IS ADJACENT TO SEVERAL RESIDENTIAL ZONED PROPERTIES.
3. Prior to submitting this application, the property has been vacant for: THE PROPERTY WHERE THE BUILDING ADDITION IS PLANNED CURRENTLY HAS TWO ORIGINAL RESIDENTIAL LOTS, ONE OF WHICH IS BEING DEMOLISHED.

Community Development Department
Planning and Zoning Division
10000 E 59th Street • Raytown, MO 64133
Phone: 816-737-6014 • Fax: 816-737-6164

4. This property is more suited for the proposed use than its current use(s) because: THE VACANT LAND IS OWNED BY THE SAME OWNER OF THE EXISTING BUILDING'S PROPERTY, AND IS NEEDED FOR THE EXPANSION.
5. The proposed use could have the following detrimental effects on nearby parcels: THERE WOULD BE NO DETRIMENTAL EFFECTS ON NEARBY PARCELS.
6. If the application is denied, the property owner(s) will face the following hardships: THE INABILITY TO EXPAND OPERATIONS AND ADDRESS GROWING MARKET DEMAND FOR THEIR PRINTING SERVICES.
7. Public facilities and utilities are adequate to serve the proposed use as follows: AVAILABLE UTILITIES INCLUDE ELECTRICAL, WATER, SEWER, GAS.
8. The proposed development implements the Comprehensive Plan in the following ways: THE EXPANDED DEVELOPMENT WILL BE WITHIN THE EXISTING COMMERCIAL ZONE AS PRESCRIBED BY THE COMPREHENSIVE PLAN. THIS DEVELOPMENT WILL ALSO CONFORM TO THE CITY'S OBJECTIVES IN TERMS OF CONTROLLING TRAFFIC, NOISE AND UNDESIRABLE POLLUTANTS.
9. Additional comments: THE PROPERTY OWNERS FEELS THIS IS THE MOST VIABLE OPTION IN TERMS OF EXPANSION OPPORTUNITIES. THEY REALLY DESIRE TO MAINTAIN THEIR PRESENCE IN RAYTOWN DUE TO THE DIFFICULTIES & COSTS OF RELOCATING, THE CLOSE PROXIMITY OF MANY OF THEIR EMPLOYEES AND THEIR RECOGNIZED LONG HISTORY IN THE AREA.

RE: H + H COLOR LAB BUILDING EXPANSION – STORMWATER DESIGN

Dear Jason,

We would like to respectfully request your consideration to allow us to submit the final stormwater design as a deferred submittal during the permit review phase this month. The reason for this request is to allow extra time to fully prepare the required documentation including stormwater system design (collection system pipes & inlets), detention basin design, and erosion & sediment control plan design.

We have been delayed in completing these drawings due to delays associated with the surveying company in providing accurate topographic information to base our final design on. We now have the completed topo survey and are working diligently on the final stormwater and erosion & sediment control plans, details & specifications.

Our civil engineer strongly believes the concept stormwater management design will successfully function as required and the final documentation to be furnished as a deferred submittal will demonstrate this to be true.

Thank you for your consideration of our request.

Sincerely,

David L Joiner RA

Re: H+H Color Lab ("Applicant") Building Expansion – Request to Defer Stormwater Design submittals

Dear Mr. Joiner,

Pursuant to your letter dated February 5, 2024 in which you request to defer the stormwater design submittal, the City of Raytown Public Works Dept. is agreeable to deferring the stormwater design submittal as further explained below.

More specifically, pursuant to Section 50-521(b)(15) of the Raytown Municipal Code, an application for considering a final site plan shall include: ***All existing and proposed storm water collection, detention, and retention facilities, including location, dimensions, capacity and final plans, along with erosion control plans.***

In the ordinance approving the Applicant's Final Site Plan, which will be considered by the Raytown Board of Aldermen on February 13, 2024, staff will include a condition that the Applicant submit and have approved all required engineering documents before any utility permits or construction permits are to be issued. The required engineering documents are as follows:

- Private stormwater system design (collection system pipes & inlets).
- Stormwater detention basin calculations and design.
- Erosion & sediment control plan design.

The above condition is not applicable to any permits related to the demolition of existing structures.

If you have any questions, please call me at 816-737-6092 or e-mail jasonh@raytown.mo.us.

Sincerely,

Jason M. Hanson

Trustee's Deed
(Out of Trust)

This Deed, made and entered into on April 20, 2012, by and between **Grantor(s)**: Clem M. LaMar, Leatha L. LaMar, and Glena S. Marshall, Trustees, or their successors in trust, of the Clem M. LaMar and Leatha L. LaMar Revocable Living Trust, Dated December 2, 2007, whose address is 2500 Still Meadow Lane, Blue Springs, MO of the County of Jackson, State of MO and **Grantee(s)**: H & H Color Lab, Inc. corporation of the County of Jackson, State of MO. **Mailing Address of the Grantee(s)**: 8906 East 67th Street, Raytown, MO 64133

Witnesseth, that the trust is in full force and effect and has not terminated or been revoked, and Grantor(s) is/are the duly appointed qualified and currently acting trustee(s) under the above referenced trust. The Grantor(s), for and in consideration of the sum of One Dollar (\$1.00) and other valuable consideration paid by the Grantee(s), the receipt of which is hereby acknowledged, does/do by these presents **Grant, Bargain and Sell, Convey and Confirm** unto the Grantee(s), the following described Real Estate, situated in the County of Jackson and State of Missouri, to-wit:

LOT 13, RAYTOWN HIGHLANDS, A SUBDIVISION IN THE CITY OF RAYTOWN, JACKSON COUNTY, MISSOURI.

Grantor herein states and affirms that Clem M. LaMar and Leatha L. LaMar were married continuously, never having been divorced, from the time they acquired title to the subject property herein described, until the death of Leatha L. LaMar on June 25th, 2012 in Jackson County.

10 *Clem LaMar*

Subject to Building lines, easements, restrictions and conditions of record, if any, and to any zoning laws or ordinances affecting the herein described property.

To Have and To Hold the same, together with all rights and appurtenances to the same belonging, unto the Grantee(s) and to the heirs and assigns of such Grantee(s) forever.

The Grantor(s) hereby covenanting that Grantor(s) and the heirs, executors, administrators, and assigns of such Grantor(s), shall and will **Warrant and Defend** the title to the premises unto the Grantee(s), and to the successors and assigns of such Grantee(s) forever, against the lawful claims of all persons whomsoever, excepting, however, the general taxes for the calendar year 2012 and thereafter, and special taxes becoming a lien after the date of this deed.

In Witness Whereof, the Grantor(s) has/have executed these presents the day and year first above written.
