CITY OF RAYTOWN

Request for Board Action

DATE SUBMITTED: 09/10/2024

MEETING DATE: September 17, 2024

SUBMITTED BY:

DEPARTMENT: Administration

Document Type: Resolution

SUBJECT/REQUEST

R-3629-24: Designate Finance Director Michael Graham as the City's representative on the Raytown 350 Community Improvement District Board of Directors.

BACKGROUND/JUSTIFICATION

The Raytown 350 CID is governed by a five (5) member Board of Directors consisting of three members who represent the Developer, one member who represents the School District and one member who represents the City.

The Developer is currently represented by Steve Caffey, David Block, Amy Ehlers, and Angie Rogers. Finance Director Michael Graham is recommended as the City representative due to his knowledge of the tax increment financing procedures in the State of Missouri and the financial implications of the Raytown 350 CID connected to the Raytown Live 350 TIF District.

The members of the Board of Directors are nominated from a slate of officers submitted to the District and approved by the CID Board. The CID Board has requested that the City submit the name of the City representative for approval.

To be qualified to serve on the Board of Directors, the person must be a resident of Missouri, at least 18 years of age and be either:

- (i) an owner, as defined in Section 67.1401, of real property or of a business operating within the District, or
- (ii) a registered voter residing in the District; or
- (iii) any other qualifications set forth in the petition establishing the District.

The City owns the strip of land between Westlake Hardware and the Wal-Mart property, thus continues to meet the necessary qualifications for the designation of a representative from the City to serve on the Board of Directors.

RECOMMENDED MOTION

Approve resolution as submitted.

PREVIOUS ACTION

On March 27, 2007, the Board of Aldermen approved Ordinance 5201-07 authorizing the creation of the Highway 350 Community Improvement District ("District").

A RESOLUTION APPOINTING FINANCE DIRECTOR MICHAEL GRAHAM AS THE CITY REPRESENTATIVE ON THE RAYTOWN 350 COMMUNITY IMPROVEMENT DISTRICT BOARD OF DIRECTORS

WHEREAS, the Raytown 350 Community Improvement District ("District"), which was formed by Ordinance 5201-07, adopted by the Board of Aldermen on March 27, 2007, is a political subdivision created under the authority of the Missouri Community Improvement District Act ("Act"), Sections 67.1401 to 67.1571, RSMo, as amended, and is transacting business exercising the powers granted by the Act; and

WHEREAS, the District is governed by a five (5) member Board of Directors consisting of three members who represent the Developer, one member who represents the School District and one member who represents the City; and

WHEREAS, such Directors are nominated from a slate of officers submitted to the District and subsequently appointed by the Mayor and approved by the Board of Aldermen; and

WHEREAS, to be qualified to serve on the Board of Directors a person shall be at least 18 years of age and be either (i) an owner of real property within the District, (ii) an owner of a business operating within the District, or (iii) a registered voter residing in the District; and

WHEREAS, the City owns real property located within the District; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to designate Finance Director Michael Graham to represent the City's interest on such Board of Directors;

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT Finance Director Michael Graham is hereby appointed by the Mayor and approved by the Board of Aldermen as a City representative on the Raytown 350 Community Improvement District Board of Directors.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 17th day of September, 2024.

SUBMITTED BY:

DEPARTMENT: Administration

Document Type: Ordinance

SUBJECT/REQUEST

SECOND READING: Bill No. 6675-24, Section XXI-E-8: Staff is recommending the Board of Alderman approve one of the listed sewer rate user fee options below, to provide coverage for necessary operational, capital, treatment and debt expenses and the repeal of Section 44-154.

BACKGROUND/JUSTIFICATION

Over the past several years, sewer treatment costs have risen for treatment services provided by Kansas City Missouri (KCMO) and Little Blue Valley Sewer District (LBVSD). For several years, City staff was able to maintain the City rate through the implementation of numerous cost-saving programs.

In order to be compliant with funding requirements associated with debt issued for the sewer fund, the sewer rate will need to be increased. Three options are provided for discussion to determine the appropriate fee for FY25. This will ensure the sustainability of the fund. Based on historical increases from KCMO and LBVSD averaging 5.5% there will be additional increases needed in future years.

Due to rising costs in treatment, maintenance, and operations, staff has prepared the following options for a sewer rate adjustment to Chapter 44, Article III, Sec. 44-154:

Option (1) 7%

-Amend c (4) to read Base Rate - the Base Rate shall be \$[19.28] 20.63 [Nineteen dollars and Twenty-Eight] Twenty dollars and Sixty-Three Cents per month.

1. Amend c (9) to read *Variable rate*. The revenue charge expressed in per 1,000 gallons that is derived when the annual variable rate revenue requirement is divided by the customer volumes, estimated to be \$[11.86] 12.69 [Eleven dollars and Eighty-Six cents] Twelve dollars and Sixty-Nine cents (See Attached) per 1,000 gallons, in excess of 1,000 gallons.

Option (2) 5.25%

-Amend c (4) to read Base Rate - the Base Rate shall be \$[19.28] 20.29 [Nineteen dollars and Twenty-Eight] Twenty dollars and Twenty-Nine Cents per month.

1. Amend c (9) to read *Variable rate*. The revenue charge expressed in per 1,000 gallons that is derived when the annual variable rate revenue requirement is divided by the customer volumes, estimated to be \$[11.86] 12.48 [Eleven dollars and Eighty-Six cents] Twelve dollars and Forty-Eight cents (See Attached) per 1,000 gallons, in excess of 1,000 gallons.

Option (3) **3.5%**

Amend c (4) to read Base Rate - the Base Rate shall be \$[19.28] 19.95 [Nineteen dollars and Twenty-Eight] Nineteen dollars and Ninety-Five Cents per month.

1. Amend c (9) to read *Variable rate*. The revenue charge expressed in per 1,000 gallons that is derived when the annual variable rate revenue requirement is divided by the customer volumes, estimated to be \$[11.86] 12.28 [Eleven dollars and Eighty-Six cents] Twelve dollars and Twenty-Eight cents (See Attached) per 1,000 gallons, in excess of 1,000 gallons.

RECOMMENDED MOTION

Staff recommends Option (2) 5.25%

PREVIOUS ACTION

5.25 % Rate Adjustment in FY24

COMMISSION/COMMITTEE REVIEW

Due to the rising cost of treatment, staff do not believe there are any alternatives to raising the sewerage rate to cover the increases.

FINANCIAL IMPACT

Increasing the user fee will offset increases in expenses that are outside the control of the City.

AN ORDINANCE AMENDING CHAPTER 44, UTILITIES; ARTICLE III; SEWERS, DIVISION 3; SERVICES CHARGES, SECTION 44-154 OF THE CODE OF ORDINANCES OF THE CITY OF RAYTOWN, MISSOURI

WHEREAS, the City of Raytown (the “City”) owns and operates its sanitary sewer system; and

WHEREAS, the City of Raytown, pursuant to RSMo. Chapter 250, is authorized to establish, make and collect charges for sewerage services; and

WHEREAS, pursuant to Ordinance 5706-22 the City adopted a formula for the calculation of sanitary sewer service charges to customers within the City; and

WHEREAS, prior to establishing the sanitary sewer charge the City is required to hold a public hearing on the proposed rate to be utilized; and

WHEREAS, after due public notice as required by law, a public hearing on the proposed sanitary sewer service charges was held on September 17, 2024; and

WHEREAS, after considering the proposed charges and the public input, the City of Raytown desires to establish sanitary sewer charges within the City as set forth herein; and

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – APPROVAL OF AMENDMENT. That Section 44-154, commonly known as Formula for Calculating Rates Established of the Code of Ordinances of the City of Raytown is hereby amended as provided in Section 2.

SECTION 2 - AMENDMENT. The City Code Chapter 44, Utilities; Article III, Sewers; Division 3; Services Charges, Section 44-154 relating to the formula for calculating rates established within the City is hereby amended to read as follows:

Section 44-154. Formula for Calculating Rates Established.

- (c) The following variables shall be used in calculating the rate of sanitary sewer service charges:
 - (4) Base Rate - the base rate shall be \$[19.28] 20.63 [Nineteen dollars and Twenty-Eight Cents] Twenty dollars and Sixty-Three Cents per month.
 - (9) Variable Rate - The revenue charge expressed in per 1,000 gallons that is derived when the annual variable rate revenue requirement is divided by the customer volumes, estimated to be \$[11.86] 12.69 [Eleven dollars and Eighty-Six Cents] Twelve dollars and Sixty-Nine Cents (See Attached) per 1,000 gallons, in excess of 1,000 gallons.

SECTION 3 – REPEAL OF ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 4 – SEVERABILITY CLAUSE. The provisions of this ordinance are severable and if any provision hereof is declared invalid, unconstitutional or unenforceable, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 5 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after its date of passage. The amendment to the base and variable rate, as stated in Section 2 of this ordinance shall be effective November 1, 2024.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED AND ADOPTED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri, this ____, September, 2024.

MEETING DATE: September 17, 2024

SUBMITTED BY:

DEPARTMENT: Finance

Document Type: Ordinance

SUBJECT/REQUEST

SECOND READING: Amended Bill No. 6676-24, Section VIII: Approve the recommended 2024 levy rates for the General Fund and the Parks and Recreation Fund

BACKGROUND/JUSTIFICATION

The City has received its notice of 2024 Assessed Valuation from the County. Finance has recalculated the levy rates using the formula supplied by the State Auditor's Office. These calculations indicate the City could levy a rate of \$0.2604 per \$100.00 assessed valuation for general city operations and a rate of \$0.1301 per \$100.00 assessed valuation for park operations. The 2024 proposed combined rate represents a decrease from the 2023 rate based on lower assessment totals. According to Raytown home sales January 24 - August 21, the median home value for a city of Raytown home is approximately \$220,377. The total taxes collected for the City and Parks on the median home would be \$163.50 for each of the City of Raytown's collections.

The Adjusted Assessed Valuation:

- Real Estate values decreased by \$9,377,063 or 2.1% from last year's amounts for a 2024 value of \$429,149,193.
- Personal property value decreased by \$5,752,143 or 6.85% from last year's amounts for a 2024 value of \$78,182,241.

Based on the assessed valuation and the proposed mill levy, staff is projecting that approximately \$1,320,584 will be generated for the General Fund and approximately \$659,531 will be generated for the Park Fund, which equates to a 0.08% increase for both the General Fund and the Parks Fund.

In accordance with State law, the City must hold a public hearing on the establishment of the levy rate prior to passage of the ordinance approving the 2024 rates which is anticipated to be scheduled for the last meeting in September 2024, or once the final numbers are received from the County before the October 1, 2024 deadline.

AN ORDINANCE ESTABLISHING THE ANNUAL PROPERTY TAX LEVY RATE FOR THE CITY OF RAYTOWN GENERAL OPERATING FUND AND THE PARK FUND FOR THE YEAR 2024

WHEREAS, pursuant to the provisions of Chapters 67 and 94, Sections 67.110, 94.100, and 94.330 of the Revised Statutes of the State of Missouri, the rate for the levy of taxes must be established for the year 2024 on all taxable realty and tangible personal properties situated in the City of Raytown, Missouri, for the maintenance and operation of the City government and services to the citizens of Raytown; and

WHEREAS, the rate for the levy of taxes for the year 2024 has been calculated by the Director of Finance/Controller in accordance with the Missouri Constitution and Statutes; and

WHEREAS, a Public Hearing on the proposed tax levy required by Section 67.110 RSMo. was held on September 17, 2024, after publication of required notice; and

WHEREAS, the Board of Aldermen find it is in the best interest of the citizens of the City of Raytown to set the City of Raytown's 2024 Property Tax Levy at 26.03 cents (\$0.2604) per one hundred dollars (\$100.00) assessed valuation for general City Operations and at 13.00 cents (\$0.1301) per one hundred dollars (\$100.00) assessed valuation for Park Operations.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – GENERAL CITY OPERATING TAX RATE LEVY FOR 2024

ESTABLISHED. That the rate of levy of tax for the year 2024 on all taxable realty and tangible personal property within the City of Raytown, Missouri, is hereby established at 26.04/100 cents (\$0.2604) per one hundred dollars (\$100.00) assessed valuation for general expenses incurred by the City.

SECTION 2 – PARK TAX RATE LEVY FOR 2024 ESTABLISHED. That the rate of levy of tax for the year 2024 on all tangible realty and tangible personal property within the City of Raytown, Missouri, is hereby established at 13.01/100 cents (\$0.1301) per one hundred dollars (\$100.00) valuation for the purpose of a park fund to keep, maintain and further develop a system of public parks.

SECTION 3 – PROPERTY TAX LEVIED. That the aforesaid taxes, hereinafter referred to are hereby levied on all taxable realty and tangible personal property within the City of Raytown, Missouri for the year 2024 the same being due and payable on November 1, 2024, and delinquent on January 1, 2025, pursuant to Section 94.300 of the Revised Statutes of the State of Missouri.

SECTION 4 – REPEAL OF ORDINANCES IN CONFLICT. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 5 – SEVERABILITY CLAUSE. The provisions of this ordinance are severable and if any provision hereof is declared invalid, unconstitutional or unenforceable, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 6 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above was read two times by heading only, **PASSED AND ADOPTED** by a majority of the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Jackson County, Missouri this 17th day of September, 2024.

The information to complete the Summary Page is available from prior year forms, computed on the attached forms, or on this page. Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information in the Informational Data, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

FOR POLITICAL
Subdivision Use
in Calculating its
Tax Rate

- A. **Prior year tax rate ceiling** as defined in Chapter 137, RSMo, revised if the prior year data changed or a voluntary reduction was taken in a non-reassessment year (Prior year Summary Page, Line F minus Line H in odd numbered year or prior year Summary Page, Line F in even numbered year)
- B. **Current year rate computed** pursuant to Article X, Section 22, of the Missouri Constitution and Section 137.073, RSMo, if no voter approved increase (Form A, Line 18)
- C. **Amount of rate increase authorized by voters for current year** if same purpose, (Form B, Line 7)
- D. **Rate to compare to maximum authorized levy to determine tax rate ceiling** (Line B if no election, otherwise Line C)
- E. **Maximum authorized levy** the most recent voter approved rate
- F. **Current year tax rate ceiling** maximum legal rate to comply with Missouri laws
- G1. **Less required sales tax reduction** taken from tax rate ceiling (Line F), if applicable
- G2. **Less 20% required reduction 1st class charter county political subdivision NOT submitting an estimated non-binding tax rate to the county(ies)** taken from tax rate ceiling (Line F)
- H. **Less voluntary reduction by political subdivision** taken from the tax rate ceiling (Line F)
WARNING: A Voluntary reduction taken in an even numbered year will lower the tax rate ceiling for the following year.
- I. **Plus allowable recoupment rate** added to tax rate ceiling (Line F) If applicable, attach Form G or H.
- J. **Tax rate to be levied** (Line F - Line G1 - Line G2 - Line H + Line I)
- AA. **Rate to be levied for debt service**, if applicable (Form C, Line 10)

5. Staff Presentation of Applications.

Shana Kelly, Planning & Zoning Coordinator, provided the staff reports and Power Point, addressing the background of the request, and purpose of the requested Rezoning application.

6. Commission Discussion.

Ms. Emerson inquired about a previous proposal to develop strip center commercial development on the property. Ms. Kelly responded that she was not aware of any previously proposed development on the subject parcel.

Mr. Meyers inquired if anyone had any questions for the applicant, to which no one replied. Mr. Meyers inquired if there was any public comment. There was none.

7. Commission Decision to Approve, Conditionally Approve, or Deny the Rezoning Application.

Ms. Thurman motioned, and Ms. Emerson seconded to recommend approval of the requested Rezoning application to the Board of Aldermen.

VOTE: Motion passed 6-0-2.

B. Case No.: PZ-2024-05

Applicant: Naveed Khalid, Monster Garage LLC.

Reason: Requesting the approval of a Conditional Use Permit for “*Vehicle Repair, Limited*” and for “*Limited Vehicle Sales*” for the property addressed as 8830 E. 350 Highway.

1. Introduction of Application by Chairman.

Chairman Meyer introduced the application.

2. Explanation of any Ex Parte Communications Regarding the Application.

No members reported any ex parte communications regarding this application.

3. Swearing in of all speakers by City Attorney that plan to give testimony during hearing.

4. Enter Relevant Exhibits into the Record.

Shana Kelly, Planning & Zoning Coordinator, entered the staff report and supporting documents into the record.

5. Staff Presentation of Application.

Shana Kelly, Planning & Zoning Coordinator, provided the staff report, addressing the background of the request, and use intentions for the property under the requested Conditional Use Permit.

6. Planning Commission Discussion on Application:

Ms. Thurman inquired if the vehicles that will be for sale will be marked as so. Ms. Kelly responded that that is a code requirement for new and used vehicle sales businesses, but that it is not a requirement for vehicle sales as an accessory use. Ms. Kelly responded that she did not include that condition in order to keep it from appearing as a used car lot, however, that it is a condition that the Planning Commission could add if they felt that it was needed. Mr. Meyers stated that he felt it would be beneficial to require vehicles for sale to be marked in order to prevent there from being more than the allowed six (6). Mr. Bruenger mentioned that he would like to see a similar condition placed on the cars for sale that is required for a vehicle sale lot. Ms. Thurman stated that she would also but would leave it to the rest of the commission members. Mr. Sneddon stated that he also agrees that it would be a good idea. He also inquired if the vehicle sales would only allow for the sale of vehicles that were left behind or if the business owners would be purchasing cars for the purpose of selling them. Ms. Kelly responded that they would only be allowed to sell vehicles that were abandoned and that purchasing vehicles for the purpose of selling them is not allowed with this particular application.

Mr. Frazier inquired about the ownership of the parcels.

7. Applicant's Comments on Application.

Mr. Jim Blomquist, the local representative of the owner, introduced himself and clarified that the same owner owns all the buildings in that parcel. Mr. Frazier inquired if the parking lot would be striped. The applicant responded that yes, it will be. Mr. Frazier inquired if it is the property owner, or the business owner will be constructing the sidewalk. Mr. Blomquist responded that the property owner will be paying for and constructing the sidewalk. Mr. Frazier inquired why this property owner is being required to construct the sidewalk when the subject property does not directly front 350 Highway. Ms. Kelly responded that the same property owner owns both the subject property and the adjacent property that does directly front 350 Highway. Because these properties are in the same ownership, she had requested they develop the sidewalk, and the applicant had agreed. Mr. Frazier stated that he agrees that the cars for sale should be required to be marked as so. Ms. Kelly read the condition for the labeling of vehicles for sale, specific to vehicle sales lots, new and used. spaces.

8. Commission Discussion.

Ms. Thurman moved to incorporate the verbiage into condition #7, which is taken from Section 50-107(b)(28)(f). Mr. Sneddon inquired where vehicles are to be parked. Mr. Blomquist responded. Mr. Sneddon asked the applicant, Mr. Naveed, if he would be able to abide by all the conditions outlined in the staff report. Discussion was had about the number of parking Mr. Frazier seconded the motion that Mr. Thurman had made to modify condition #7.

VOTE: Motion passed 6-0-2.

The public hearing was closed at 7:43pm.

9. Commission Decision to Approve, Conditionally Approve, or Deny Application.

Mr. Bruenger made a motion to recommend approval of the application to the Board of Aldermen subject to the amended condition. Ms. Thurman seconded the motion.

VOTE: Motion passed 6-0-2.

C. Case No.: PZ-2024-06

Applicant: Joshua Miller, Emerald Auto

Reason: Requesting the approval of a Conditional Use Permit for "*Vehicle Repair, Limited*" for the property addressed as 9305 E. 350 Highway.

1. Introduction of Application by Chairman.

Chairman Meyer introduced the application.

2. Explanation of any Ex Parte Communications Regarding the Application.

No members reported any ex parte communications regarding this application.

3. Swearing in of all speakers by City Attorney that plan to give testimony during hearing.

4. Enter Relevant Exhibits into the Record.

Shana Kelly, Planning & Zoning Coordinator, entered the staff report and supporting documents into the record.

5. Staff Presentation of Application.

Shana Kelly, Planning & Zoning Coordinator, provided the staff report, addressing the background of the request, and use intentions for the property under the requested Conditional Use Permit.

6. Planning Commission Discussion on Application:

Mr. Meyers inquired if the applicant would like to speak.

7. Applicant's Comments on Application.

The applicant, Mr. Joshua Miller, stated that his business had previously been located in Raytown and acknowledged that they had had parking issues before, but that those issues will not be a problem this time. Ms. Thurman inquired if there would be any vehicles that they would need to sell. Mr. Miller stated that no, they would not. Mr. Frazier asked if there are

any issues with the building itself. Ms. Kelly stated that she was not aware of any issues with the building, but that part of their commercial use permit requirements will be to have a building inspection performed by the Building Official and the fire department.

8. Commission Discussion.

Mr. Frazier asked if, in the future, we could condition that it is the responsibility of the property owner, not the business owner, to install the sidewalk. Ms. Kelly responded that the City does not get involved in determining who is responsible for its construction, we only make the requirement. More discussion was had regarding who should be responsible for future sidewalks. The City attorney stated that it is the responsibility of the property owner to construct the sidewalk. Ms. Thurman asked the applicant if they were confident that the property owner will construct the sidewalk. Ms. Maranda Miller, wife of Joshua Miller, stated that it will be incorporated into the lease agreement.

9. Commission Decision to Approve, Conditionally Approve, or Deny Application.

Mr. Frazier made a motion to recommend approval of the application to the Board of Aldermen subject to the conditions recommended in the staff report. Ms. Emerson seconded the motion.

VOTE: Motion passed 6-0-2.

D. Case No.: PZ-2024-08

Applicant: City Staff

Reason: Requesting the approval Text Amendment to allow for the “Utility, Major” land use to be included as an approved land use, and to determine the requirements for the development of new and for the expansion of existing major utility facilities.

1. Introduction of Application by Chairman.

Chairman Meyer introduced the application.

2. Explanation of any Ex Parte Communications Regarding the Application.

No members reported any ex parte communications regarding this application.

3. Swearing in of all speakers by City Attorney that plan to give testimony during hearing.

4. Enter Relevant Exhibits into the Record.

Shana Kelly, Planning & Zoning Coordinator, entered the staff report and supporting documents into the record.

5. Staff Presentation of Application.

Shana Kelly, Planning & Zoning Coordinator, provided the staff report, addressing the background of the request, and use intentions for the property under the requested text amendment.

6. Commission Discussion on Application:

Mr. Sneddon asked what caused this application to be brought forward at this time. Ms. Kelly responded that we have been approached by new companies wanting to expand their services into Raytown, and we have been approached by existing substations that would like to upgrade and expand their facilities, but that currently, the code does not allow for the construction of new or the expansion of existing substations. Ms. Kelly stated that it is defined in the code, but that we have not developed the provisions for how to deal with those moving forward. Mr. Bruenger asked which zoning districts these substations currently exist in. Ms. Kelly stated that she knew of one that currently exists in an R-1 district, and one that exists in an R-2 district. Mr. Frazier asked why we weren't allowing chain link fences. Ms. Kelly stated that it was chosen for aesthetics and screening, but that they could allow chain link fences if the commission would like to recommend that it be allowed. The commissioners asked additional questions of staff, to which staff and legal counsel responded.

The public hearing was closed at 8:25pm.

7. Commission Decision to Approve, Conditionally Approve, or Deny Application.

Mr. Sneddon made a motion to recommend approval of the application to the Board of Aldermen as recommended by staff in the staff report. Ms. Emerson seconded the motion.

VOTE: Motion passed 6-0-2.

7. Other Business:

Ms. Kelly announced that the consulting firm for the Comprehensive Plan update, the Lakota Group, will be in town and will hold a community workshop on Wednesday, May 22nd, 6:30pm, at the Raytown School Wellness Center, 10301 State Rte. 350, Raytown, MO 64138. All are encouraged to be there. The commissioners asked questions regarding the meeting, to which staff responded.

8. Set Future Meeting Date – No applications have been received for the Thursday, June 6, 2024, meeting. The next Regular Planning Commission Meeting is Scheduled for **Thursday, July 11, 2024, at 7:00 PM.**

Case #: Conditional Use Permit PZ-2024-10

Planning & Zoning Meeting Date: August 1, 2024

Board of Aldermen Dates: September 3, 2024
and September 17, 2024

Applicant: Antenisha Jimerson | Royal Mansion Decor Event Space Planning & Workshop

Location: 6240 Raytown Trafficway

Ward: 1

Property Owner: 1340 East 9th Street Realty Corp.

Project Summary: The applicant is requesting the approval of a **Conditional Use Permit** to request the approval of the “Assembly Room” land use for an event space.

Staff Recommendation: Staff recommends **Approval with Conditions** of the Conditional Use Permit Application. Conditions are outlined below.

Background Information: The applicant, Antenisha Jimerson, is requesting the approval of a Conditional Use Permit for the “Assembly Room” land use for the purpose of having an event and workshop space at 6240 Raytown Trafficway, located within the Center 63 Shopping Center. Event spaces are permitted in the NC, Neighborhood Commercial Zoning District with the approval of a Conditional Use Permit. The maximum occupancy will be 300 people based on building and fire code requirements. There will be one more staff member in addition to the applicant.

Zoning: NC, Neighborhood Commercial

Total Land Area: 7.2 Acres

Public Noticing: *The Daily Record:* A public hearing notice was published in The Daily Record Kansas City, on **July 9, 2024**. A copy of the affidavit of publication is included with the attachments to this report. Letters to Residents and Property Owners were mailed to property

owners within 185 feet of the subject property on **July 11, 2024**. A copy of the letter is included with the attachments to this report.

Neighborhood Meeting: The applicant held a neighborhood meeting on Wednesday, July 17, 2024. No one, other than the applicants, attended the meeting.

Adjacent Properties:

	Zoning:	Current Land Use:
North:	NC, Neighborhood Commercial	Commercial Businesses
South:	NC, Neighborhood Commercial	Commercial Businesses
East:	Public Right-of-Way (Arterial)	Raytown Trafficway
West:	NC, Neighborhood Commercial	Commercial Businesses

Land Use Conditions: The land use being requested by the Conditional Use Permit is subject to the following land use condition:

“Uses that commonly involve assemblies of large numbers of persons in a small area may require additional architectural analysis to ensure compliance with the adopted building and fire codes of the city. The director of community development or designated representative may determine that such documentation is required to be submitted for review prior to consideration of approval of a commercial use permit by staff or consideration of a conditional use permit by the planning commission.”

Staff Comment: Prior to the submission of the Conditional Use Permit application, a Commercial Use Permit inspection was performed by the Building Official and the Raytown Fire Protection District. The space passed all inspections and was deemed sufficient for the operation of an event and workshop space. The maximum occupancy, determined by building and fire codes, is 300 people.

Street Classification: **Raytown Trafficway** is classified as an **Arterial Street**.

Streets and Sidewalks: The Center 63 Shopping Center is easily accessible for vehicles via Raytown Trafficway, a major arterial. In addition, there is an existing 5-foot ADA-compliant sidewalk along the frontage of Raytown Trafficway.

Parking Requirement: The City of Raytown Municipal Code requires one (1) parking space for each 100 square feet of usable floor area if no fixed seating exists. There are 11,000 square feet of usable floor space within the tenant space, therefore **110** parking spaces are required. The property is able to accommodate this parking requirement. A parking diagram has been included in this packet.

Conditional Use Permit Factors to Be Considered:

1. The stability and integrity of the various zoning districts.

The property is commercial in nature and is surrounded by other commercial uses in the NC Zoning District. The proposed use will be compatible with the surrounding environment and will help to bring patrons to the area.

2. The conservation of property values.

The property is located within the Center 63 shopping development. The approval of the Conditional Use Permit for an event space will help to retain property values as it will occupy a tenant space that has been vacant since October of 2023. No negative change to neighboring property values is expected.

3. Protection against fire casualties.

Prior to the submission of the Conditional Use Permit application, a Commercial Use Permit inspection was performed by the Building Official and the Raytown Fire Protection District. The space passed all inspections and was deemed sufficient for the operation of an event and workshop space.

4. Observation of general police regulations.

If managed properly, the proposed "Assembly Room" use will not violate any general police regulations.

5. Prevention of traffic congestion.

The Center 63 Shopping Center provides three (3) vehicular access points from Raytown Trafficway and has ample parking. It is not anticipated that traffic congestion will be an issue.

6. Promotion of traffic safety and the orderly parking of motor vehicles.

As previously stated, there are three (3) vehicular access points from Raytown Trafficway and the development has ample space for parking. Stalls will be required to be clearly striped. Parking and traffic circulation within the site as well as access to and from is not expected to be an issue.

7. Promotion of the safety of individuals and property.

The tenant space is currently vacant. The approval of a Conditional Use Permit for the purpose of an event space will improve the safety of individuals and property by bringing more people to an underutilized site.

8. Provisions for adequate light and air.

No new development is being proposed. The existing shopping center is already developed and provides adequate light and air.

9. Prevention of overcrowding and excessive intensity of land uses.

The Center 63 development is currently underutilized and has plenty of available parking spaces. The proposed business will bring many people to the area for short periods of time during events and will not exceed the property's capacity to handle it.

10. Provision for public utilities and schools.

It is not anticipated that the proposed conditional use will have any impact on schools, and all necessary utilities are available to serve the property.

11. Invasion by inappropriate uses.

The proposed use, the operation of an event and workshop space, is an appropriate use. The area is commercial in nature, has ample parking, and is easily accessible via Raytown Trafficway, a major arterial.

12. Value, type and character of existing or authorized improvements and land uses.

Prior to the submission of the Conditional Use Permit application, a Commercial Use Inspection was performed, which included review by the Building Official and the Fire Department. The building passed all inspections, therefore no improvements to the building are required. A 5-foot ADA compliant sidewalk runs along the frontage of the Center 63 property adjacent to Raytown Trafficway. The parking stalls must be clearly striped, including the required handicap spaces. Other than the parking stall striping, no other public improvements will be required.

13. Encouragement of improvements and land uses in keeping with overall planning.

The Future Land Use Map designates this area for commercial use. The proposed use of an event and workshop space is appropriate for this property and will help bring patrons to a currently underutilized commercial development.

14. Provision for orderly and proper renewal, development, and growth.

The proposed business, if managed properly, will contribute to the orderly and proper renewal, development and growth of the City. The applicant's proposed re-use of a vacant tenant space, combined with the recommended conditions of approval, will contribute to the orderly renewal of the city by continuing occupancy in a structure that otherwise risks remaining vacant for an extended period.

Staff recommends that the Planning & Zoning Commission **Approve** Conditional Use Permit application **PZ-2024-10** subject to the following conditions:

1. The maximum occupancy must not exceed 300 persons.
2. Intent to serve alcohol by the drink on the premises shall require an application to be filed with the City and a permit be issued for such activity before any drinks are served;
3. The required parking stalls must be properly striped including ADA-compliant handicap stalls.
4. The business must comply with all applicable local, state, and federal laws and regulations.
5. The Conditional Use Permit shall not be transferrable beyond the initial intended end-user, Antenisha Jimerson (d/b/a/ Royal Mansion Décor Event Space Planning & Workshop) and will not be transferrable to another location.
6. Signage must be properly permitted and is a separate process.
7. Failure to comply with any of the conditions or provisions contained in the signed ordinance shall constitute violations of both this ordinance and the City's Comprehensive Zoning Code and shall be cause of revocation of the Conditional Use Permit granted herein in addition to other penalties contained in the City Code.

Please Give a Detailed Description of the Proposal Below:

With The Royal Mansion Decor Event Space Planning & Workshop we are offering a Top Tier Event Space large and small enough to accommodate Corporate Events, Quinceaneras, Weddings, and Receptions. As well as intimate spaces for smaller events such as Repasses, Baby Showers, Anniversaries, Graduation and Birthdays.

On the workshop side of The Royal Mansion, We aim to provide knowledge and hands on training for a growing industry. There are many facets to event planning. More than just linens and backdrops. It is our endeavor to equip decorators new and old with the tools and the space they need to be successful. Workshops to include how to build your entire vision for your clients professionally. The questions to ask and formats in which they can build into their websites to gain as much information to be able to provide appropriate quotes. The workshop will include but is not limited to the following.

Balloons- Garlands, Columns, Topiary, Walls. The different types of balloons and vendors. Accessories that are needed and how to use them.

Backdrops- Curtains, photos, how to incorporate balloons, floral backdrops, use of props and tables

Props- how to use props, cutouts, marquee numbers.

Florals- How to use floral, which florals to use together, fresh vs synthetic flowers, accessories and tools needed.

Centerpieces- How to create the vision of the client using all of the above to tie into the whole space.

Linens- how to use all forms of chaircovers and sashes. The use of spandex, rosette and satin chaircovers. Different types of chairs and how to use covers and sashes.

The list this workshop space will provide is exhaustive and unlimited as in the decor business its our wish to give the client the event they'll remember for a lifetime. By providing a space for those in the field to learn and grow their business here in Kansas City metro areas we will in no doubt be the place all decorators big and small come to either learn or be a part of the community of family we build along the way.

CITY OF RAYTOWN Request for Board Action

DATE SUBMITTED: 09/06/2024

MEETING DATE: September 17, 2024

SUBMITTED BY:

DEPARTMENT: Public Works

Document Type: Resolution Budget Amendment

SUBJECT/REQUEST

R-3630-24: AMERICAN RESCUE PLAN ACT (ARPA) FUND TRANSFER IN THE AMOUNT OF \$1,359,391.33 FOR THE 2023-2024 BUDGET.

BACKGROUND/JUSTIFICATION

On August 20, 2024, Damon Hodges, City Administrator, updated the Board of Alderman on the American Rescue Plan Act (ARPA) funding. In addition, Damon Hodges explained which projects were going to utilize the ARPA funding. This resolution is a continuation of the allocation of funding for the specified projects discussed on the August 20, 2024, meeting. In order to utilize this funding, a budget transfer needs to occur to fund the specified projects. This budget transfer only addresses the projects being brought forth today. Public Works is making all the requests of \$1,359,391.33 to be transferred from the ARPA account and distributed to Sanitary Sewer Fund in the amount of \$1,239,041.33, and the American Rescue Plan Act - Revenue for the Police in the amount of \$120,350.00.

The \$1,359,391.33 ARPA funding will fund the following projects: 87th Street Equalization Basin Project (\$914,208.63), Wildwood North Sanitary Sewer Project (\$172,774.70), Wildwood North Sanitary Sewer Engineering Oversight (\$152,058.00), and the Police Department FLOCK system (\$120,350.00).

RECOMMENDED MOTION

Staff recommends approval as submitted.

SUBMITTED BY:

DEPARTMENT: Police Department

Document Type: Resolution Agreement/Contract

SUBJECT/REQUEST

R-3631-24: Authorization and approval for an agreement with Flock Group, Inc for Flock Safety Platform Cameras and Software in an amount not to exceed \$120,350.00 and to amend the 2023-2024 fiscal year budget.

BACKGROUND/JUSTIFICATION

The Police Department is always seeking ways to improve public safety efforts and crime prevention. In our research, Flock Safety's license plate reader (LPR) cameras have emerged as a vital tool in enhancing crime prevention and public safety across Jackson County and the greater Kansas City metro area. These innovative cameras offer a multitude of benefits that bolster law enforcement efforts and strengthen community safety.

The camera system and software would consist of leasing a total of 10 cameras placed strategically around Raytown that will capture still images of motoring vehicles. One camera may be relocated as needed based on crime patterns and the other nine will be permanently placed in locations based on historical crime data. The camera images are then fed into a searchable database accessible not only by Raytown PD, but by other law enforcement agencies in the Kansas City Metro area. The included software also provides the Department with images from other Flock cameras placed in other portions of the metro area. This collaboration enhances the efficiency of investigations and aids in tracking criminals who may operate across jurisdictional boundaries. By pooling resources and intelligence, police departments can better target criminal activity and improve overall public safety.

Furthermore, these cameras play a pivotal role in providing investigational leads and prosecuting crimes. They capture high-resolution images of license plates, timestamps, and vehicle details, offering critical evidence that can be instrumental in solving crimes. This not only deters criminal behavior but also ensures that those who do commit crimes are held accountable, ultimately contributing to a safer community. Whether its identifying suspect vehicles involved in criminal activities or locating missing persons, Flock Safety's technology empowers law enforcement with valuable information, expediting investigations and increasing the likelihood of successful outcomes. In 2023, two homicide investigations have been significantly assisted by Flock LPR hits on the suspect vehicles, and the technology can be applied to anything involving a vehicle, including property crimes and missing persons cases.

In conclusion, Flock Safety's license plate reader cameras are a cornerstone of modern crime

prevention and public safety efforts. Their ability to foster cross-jurisdictional cooperation, provide investigational leads, and aid in prosecuting crimes demonstrates their invaluable role in protecting communities throughout Jackson County and the greater Kansas City metro area.

The agreement to be purchased using American Rescue Plan Act (ARPA) funding. It will supply three years of camera and software access. Pursuant to the budget amendment resolution (Resolution No.: R-3630-24) (This is the resolution that is being approved at the September 17th BOA meeting), the ARPA funds were transferred from the American Rescue Plan Act-Revenue to the American Rescue Plan Act-Expense. This budget amendment would transfer \$120,350.00 as detailed in the financial impact table below.

A RESOLUTION AUTHORIZING AND APPROVING A MASTER SERVICES AGREEMENT WITH FLOCK GROUP, INC. IN AN AMOUNT NOT TO EXCEED \$120,350.00 FOR FISCAL YEAR 2023-2024 AND AMEND THE FISCAL YEAR 2023-2024 BUDGET

WHEREAS, the City of Raytown's Police Department is seeking ways to improve public safety efforts and crime prevention; and

WHEREAS, the utilization of Flock Safety Platform Cameras and Software offer a multitude of benefits that bolster law enforcement efforts and strengthen community safety; and

WHEREAS, the City of Raytown in adoption of its purchasing policy has required Board of Aldermen approval for purchases in which the cumulative value with a single vendor exceeds \$15,000.00 during the fiscal year; and

WHEREAS, the City of Raytown in the adoption of its purchasing policy has further approved the practice of purchasing goods and services from sole source vendors without competitive bid; and

WHEREAS, the Board of Aldermen find it is in the best interest of the citizens of the City to authorize and approve a Master Services Agreement with Flock Group, Inc. for Flock Safety Platform Cameras and Software for fiscal year 2023-2024 in an amount not to exceed \$120,350.00; and

WHEREAS, pursuant to Resolution R-3550-23, the Fiscal Year 2023-2024 Budget was approved, and it is necessary to amend the Fiscal Year 2023-2024 Budget; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to amend the Fiscal Year 2023-2024 Budget.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT the Master Services Agreement with Flock Group, Inc. for Flock Safety Platform Cameras and Software for fiscal year 2023-2024 in an amount not to exceed \$120,350.00 in substantially the same form as attached hereto as Exhibit "A" and incorporated herein, is hereby authorized and approved; and

FURTHER THAT the Fiscal Year 2023-2024 budget approved by Resolution R-3550-23 is hereby amended as follows:

FROM:

American Rescue Plan Act-Revenue
101.00.00.723.43101
\$120,350.00

TO:

American Rescue Plan Act-Expense
101.00.00.723.54104
\$120,350.00

FURTHER THAT the City Administrator is authorized to execute all documents necessary to these transactions and the City Clerk is authorized to attest thereto.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 17th day of September, 2024.

Michael McDonough, Mayor

Master Services Agreement

This Master Services Agreement (this “**Agreement**”) is entered into by and between Flock Group, Inc. with a place of business at 1170 Howell Mill Road NW Suite 210, Atlanta, GA 30318 (“**Flock**”) and the entity identified in the signature block (“**Customer**”) (each a “**Party**,” and together, the “**Parties**”). This Agreement is effective on the date of mutual execution (“**Effective Date**”). Parties will sign an Order Form (“**Order Form**”) which will describe the Flock Services to be performed and the period for performance, attached hereto as **Exhibit A**.

RECITALS

WHEREAS, Flock offers a software and hardware situational awareness solution through Flock’s technology platform that upon detection is capable of capturing audio, video, image, and recording data and provide notifications to Customer (“**Notifications**”);

WHEREAS, Customer desires access to the Flock Services (defined below) on existing devices, provided by Customer, or Flock provided Flock Hardware (as defined below) in order to create, view, search and archive Footage and receive Notifications, via the Flock Services;

WHEREAS, Customer shall have access to the Footage in Flock Services. Pursuant to Flock’s standard Retention Period (defined below) Flock deletes all Footage on a rolling thirty (30) day basis, except as otherwise stated on the **Order Form**. Customer shall be responsible for extracting, downloading and archiving Footage from the Flock Services on its own storage devices; and

WHEREAS, Flock desires to provide Customer the Flock Services and any access thereto, subject to the terms and conditions of this Agreement, solely for the awareness, prevention, and prosecution of crime, bona fide investigations and evidence gathering for law enforcement purposes, (“**Permitted Purpose**”).

1. DEFINITIONS

Certain capitalized terms, not otherwise defined herein, have the meanings set forth or cross-referenced in this Section 1.

1.1 “**Agreement**” means the order form (to be provided as Exhibit A, “Order Form”), these terms and conditions, and any document therein incorporated by reference in section 11.4.

1.2 “**Anonymized Data**” means Customer Data permanently stripped of identifying details and any potential personally identifiable information, by commercially available standards which irreversibly alters data in such a way that a data subject (i.e., individual person or entity) can no longer be identified directly or indirectly.

1.3 “**Authorized End User(s)**” means any individual employees, agents, or contractors of Customer accessing or using the Services, under the rights granted to Customer pursuant to this Agreement.

1.4 “**Customer Data**” means the data, media, and content provided by Customer through the Services. For the avoidance of doubt, the Customer Data will include the Footage.

1.5. “**Customer Hardware**” means the third-party camera owned or provided by Customer and any other physical elements that interact with the Embedded Software and the Web Interface to provide the Services.

1.6 “**Effective Date**” means the date this Agreement is mutually executed (valid and enforceable) by both Parties.

1.7 “**Embedded Software**” means the Flock proprietary software and/or firmware integrated with or installed on the Flock Hardware or Customer Hardware.

1.8 “**Flock Hardware**” means the Flock device(s), which may include the pole, clamps, solar panel, installation components, and any other physical elements that interact with the Embedded Software and the Web Interface, to provide the Flock Services as specifically set forth in the applicable Order Form.

1.9 “**Flock IP**” means the Services, the Embedded Software, and any intellectual property or proprietary information therein or otherwise provided to Customer and/or its Authorized End Users. Flock IP does not include Footage (as defined below).

1.10 “**Flock Services**” means the provision of Flock’s software and hardware situational awareness solution, via the Web Interface, for automatic license plate detection, alerts, audio detection, searching image records, video and sharing Footage.

1.11 “**Footage**” means still images, video, audio, and other data captured by the Flock Hardware or Customer Hardware in the course of and provided via the Flock Services.

1.12 “**Installation Services**” means the services provided by Flock for installation of Flock Services.

1.13 “**Permitted Purpose**” means for legitimate public safety and/or business purpose, including but not limited to the awareness, prevention, and prosecution of crime; investigations; and prevention of commercial harm, to the extent permitted by law.

1.14 “**Retention Period**” means the time period that the Customer Data is stored within the cloud storage, as specified in the applicable Order Form. Flock deletes all Footage on a rolling thirty (30) day basis, except as otherwise stated on the Order Form. Customer shall be responsible for extracting, downloading and archiving Footage from the Flock Services on its own storage devices.

1.15 “**Term**” means the date, unless otherwise stated in the Order Form, upon which the cameras are validated by both Parties as operational.

1.16 “**Web Interface**” means the website(s) or application(s) through which Customer and its Authorized End Users can access the Services.

2. SERVICES AND SUPPORT

2.1 Provision of Access. Flock hereby grants to Customer a non-exclusive, non-transferable right to access the features and functions of the Flock Services via the Web Interface during the Term, solely for the Authorized End Users. The Footage will be available for Authorized End Users to access and download via the Web Interface for the Retention Period. Authorized End Users will be required to sign up for an account and select a password and username (“*User ID*”). Customer shall be responsible for all acts and omissions of Authorized End Users. Customer shall undertake reasonable efforts to make all Authorized End Users aware of all applicable provisions of this Agreement and shall cause Authorized End Users to comply with such provisions. Flock may use the services of one or more third parties to deliver any part of the Flock Services, (such as using a third party to host the Web Interface for cloud storage or a cell phone provider for wireless cellular coverage).

2.2 Embedded Software License. Flock grants Customer a limited, non-exclusive, non-transferable, non-sublicensable (except to the Authorized End Users), revocable right to use the Embedded Software as it pertains to Flock Services, solely as necessary for Customer to use the Flock Services.

2.3 Support Services. Flock shall monitor the Flock Services, and any applicable device health, in order to improve performance and functionality. Flock will use commercially reasonable efforts to respond to requests for support within seventy-two (72) hours. Flock will provide Customer with reasonable technical and on-site support and maintenance services in-person, via phone or by email at support@flocksafety.com (such services collectively referred to as “*Support Services*”).

2.4 Updates to Platform. Flock may make any updates to system or platform that it deems necessary or useful to (i) maintain or enhance the quality or delivery of Flock’s products or services to its agencies, the competitive strength of, or market for, Flock’s products or services, such platform or system’s cost efficiency or performance, or (ii) to comply with applicable law. Parties understand that such updates are necessary from time to time and will not diminish the quality of the services or materially change any terms or conditions within this Agreement.

2.5 Service Interruption. Services may be interrupted in the event that: (a) Flock’s provision of the Services to Customer or any Authorized End User is prohibited by applicable law; (b) any third-party services required for Services are interrupted; (c) if Services are being used for

malicious, unlawful, or otherwise unauthorized use; (d) there is a threat or attack on any of the Flock IP by a third party; or (e) scheduled or emergency maintenance (“***Service Interruption***”). Flock will make commercially reasonable efforts to provide written notice of any Service Interruption to Customer, to provide updates, and to resume providing access to Flock Services as soon as reasonably possible after the event giving rise to the Service Interruption is cured. Flock will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Customer or any Authorized End User may incur as a result of a Service Interruption. To the extent that the Service Interruption is not caused by Customer’s direct actions or by the actions of parties associated with the Customer, the time will be tolled by the duration of the Service Interruption (for any continuous suspension lasting at least one full day). For example, in the event of a Service Interruption lasting five (5) continuous days, Customer will receive a credit for five (5) free days at the end of the Term.

2.6 Service Suspension. Flock may temporarily suspend Customer’s and any Authorized End User’s access to any portion or all of the Flock IP or Flock Service if (a) there is a threat or attack on any of the Flock IP by Customer; (b) Customer’s or any Authorized End User’s use of the Flock IP disrupts or poses a security risk to the Flock IP or any other customer or vendor of Flock; (c) Customer or any Authorized End User is/are using the Flock IP for fraudulent or illegal activities; (d) Customer has violated any term of this provision, including, but not limited to, utilizing Flock Services for anything other than the Permitted Purpose; or (e) any unauthorized access to Flock Services through Customer’s account (“***Service Suspension***”). Customer shall not be entitled to any remedy for the Service Suspension period, including any reimbursement, tolling, or credit. If the Service Suspension was not caused by Customer, the Term will be tolled by the duration of the Service Suspension.

2.7 Hazardous Conditions. Flock Services do not contemplate hazardous materials, or other hazardous conditions, including, without limit, asbestos, lead, or toxic or flammable substances. In the event any such hazardous materials are discovered in the designated locations in which Flock is to perform services under this Agreement, Flock shall have the right to cease work immediately.

3. CUSTOMER OBLIGATIONS

3.1 Customer Obligations. Flock will assist Customer Authorized End Users in the creation of a User ID. Authorized End Users agree to provide Flock with accurate, complete, and updated registration information. Authorized End Users may not select as their User ID, a name that they do not have the right to use, or any other name with the intent of impersonation. Customer and Authorized End Users may not transfer their account to anyone else without prior written permission of Flock. Authorized End Users shall not share their account username or password information and must protect the security of the username and password. Unless otherwise stated and defined in this Agreement, Customer shall not designate Authorized End Users for persons who are not officers, employees, or agents of Customer. Authorized End Users shall only use Customer-issued email addresses for the creation of their User ID. Customer is responsible for any Authorized End User activity associated with its account. Customer shall ensure that Customer provides Flock with up-to-date contact information at all times during the Term of this agreement. Customer shall be responsible for obtaining and maintaining any equipment and ancillary services needed to connect to, access or otherwise use the Flock Services (e.g., laptops, internet connection, mobile devices, etc.). Customer shall (at its own expense) provide Flock with reasonable access and use of Customer facilities and Customer personnel in order to enable Flock to perform Services (such obligations of Customer are collectively defined as “***Customer Obligations***”).

3.2 Customer Representations and Warranties. Customer represents, covenants, and warrants that Customer shall use Flock Services only in compliance with this Agreement and all applicable laws and regulations, including but not limited to any laws relating to the recording or sharing of data, video, photo, or audio content.

4. DATA USE AND LICENSING

4.1 Customer Data. As between Flock and Customer, all right, title and interest in the Customer Data, belong to and are retained solely by Customer. Customer hereby grants to Flock a limited, non-exclusive, royalty-free, irrevocable, worldwide license to use the Customer Data and perform all acts as may be necessary for Flock to provide the Flock Services to Customer. Flock does not own and shall not sell Customer Data.

4.2 Customer Generated Data. Flock may provide Customer with the opportunity to post, upload, display, publish, distribute, transmit, broadcast, or otherwise make available, messages, text, illustrations, files, images, graphics, photos, comments, sounds, music, videos, information,

content, ratings, reviews, data, questions, suggestions, or other information or materials produced by Customer (“**Customer Generated Data**”). Customer shall retain whatever legally cognizable right, title, and interest in Customer Generated Data. Customer understands and acknowledges that Flock has no obligation to monitor or enforce Customer’s intellectual property rights of Customer Generated Data. Customer grants Flock a non-exclusive, irrevocable, worldwide, royalty-free, license to use the Customer Generated Data for the purpose of providing Flock Services. Flock does not own and shall not sell Customer Generated Data.

4.3 Anonymized Data. Flock shall have the right to collect, analyze, and anonymize Customer Data and Customer Generated Data to the extent such anonymization renders the data non-identifiable to create Anonymized Data to use and perform the Services and related systems and technologies, including the training of machine learning algorithms. Customer hereby grants Flock a non-exclusive, worldwide, perpetual, royalty-free right to use and distribute such Anonymized Data to improve and enhance the Services and for other development, diagnostic and corrective purposes, and other Flock offerings. Parties understand that the aforementioned license is required for continuity of Services. Flock does not own and shall not sell Anonymized Data.

5. CONFIDENTIALITY; DISCLOSURES

5.1 Confidentiality. To the extent required by any applicable public records requests, each Party (the “**Receiving Party**”) understands that the other Party (the “**Disclosing Party**”) has disclosed or may disclose business, technical or financial information relating to the Disclosing Party’s business (hereinafter referred to as “**Proprietary Information**” of the Disclosing Party).

Proprietary Information of Flock includes non-public information regarding features, functionality and performance of the Services. Proprietary Information of Customer includes non-public data provided by Customer to Flock or collected by Flock via Flock Services, which includes but is not limited to geolocation information and environmental data collected by sensors. The Receiving Party agrees: (i) to take the same security precautions to protect against disclosure or unauthorized use of such Proprietary Information that the Party takes with its own proprietary information, but in no event less than commercially reasonable precautions, and (ii) not to use (except in performance of the Services or as otherwise permitted herein) or divulge to any third person any such Proprietary Information. The Disclosing Party agrees that the

foregoing shall not apply with respect to any information that the Receiving Party can document (a) is or becomes generally available to the public; or (b) was in its possession or known by it prior to receipt from the Disclosing Party; or (c) was rightfully disclosed to it without restriction by a third party; or (d) was independently developed without use of any Proprietary Information of the Disclosing Party. Nothing in this Agreement will prevent the Receiving Party from disclosing the Proprietary Information pursuant to any judicial or governmental order, provided that the Receiving Party gives the Disclosing Party reasonable prior notice of such disclosure to contest such order. At the termination of this Agreement, all Proprietary Information will be returned to the Disclosing Party, destroyed or erased (if recorded on an erasable storage medium), together with any copies thereof, when no longer needed for the purposes above, or upon request from the Disclosing Party, and in any case upon termination of the Agreement. Notwithstanding any termination, all confidentiality obligations of Proprietary Information that is trade secret shall continue in perpetuity or until such information is no longer trade secret.

5.2 Usage Restrictions on Flock IP. Flock and its licensors retain all right, title and interest in and to the Flock IP and its components, and Customer acknowledges that it neither owns nor acquires any additional rights in and to the foregoing not expressly granted by this Agreement. Customer further acknowledges that Flock retains the right to use the foregoing for any purpose in Flock's sole discretion. Customer and Authorized End Users shall not: (i) copy or duplicate any of the Flock IP; (ii) decompile, disassemble, reverse engineer, or otherwise attempt to obtain or perceive the source code from which any software component of any of the Flock IP is compiled or interpreted, or apply any other process or procedure to derive the source code of any software included in the Flock IP; (iii) attempt to modify, alter, tamper with or repair any of the Flock IP, or attempt to create any derivative product from any of the foregoing; (iv) interfere or attempt to interfere in any manner with the functionality or proper working of any of the Flock IP; (v) remove, obscure, or alter any notice of any intellectual property or proprietary right appearing on or contained within the Flock Services or Flock IP; (vi) use the Flock Services for anything other than the Permitted Purpose; or (vii) assign, sublicense, sell, resell, lease, rent, or otherwise transfer, convey, pledge as security, or otherwise encumber, Customer's rights. There are no implied rights.

5.3 Disclosure of Footage. Subject to and during the Retention Period, Flock may access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or

third parties, if legally required to do so or if Flock has a good faith belief that such access, use, preservation or disclosure is reasonably necessary to comply with a legal process, enforce this Agreement, or detect, prevent or otherwise address security, privacy, fraud or technical issues, or emergency situations.

6. PAYMENT OF FEES

6.1 Billing and Payment of Fees. Customer shall pay the fees set forth in the applicable Order Form based on the billing structure and payment terms as indicated in the Order Form. To the extent the Order Form is silent, Customer shall pay all invoices net thirty (30) days from the date of receipt. If Customer believes that Flock has billed Customer incorrectly, Customer must contact Flock no later than thirty (30) days after the closing date on the first invoice in which the error or problem appeared to receive an adjustment or credit. Customer acknowledges and agrees that a failure to contact Flock within this period will serve as a waiver of any claim. If any undisputed fee is more than thirty (30) days overdue, Flock may, without limiting its other rights and remedies, suspend delivery of its service until such undisputed invoice is paid in full. Flock shall provide at least thirty (30) days' prior written notice to Customer of the payment delinquency before exercising any suspension right.

6.2 Notice of Changes to Fees. In the event of any changes to fees, Flock shall provide Customer with sixty (60) days' notice (email sufficient) prior to the end of the Initial Term or Renewal Term (as applicable). Any such changes to fees shall only impact subsequent Renewal Terms.

6.3 Taxes. To the extent Customer is not a tax exempt entity, Customer is responsible for all taxes, levies, or duties, excluding only taxes based on Flock's net income, imposed by taxing authorities associated with the order. If Flock has the legal obligation to pay or collect taxes, including amount subsequently assessed by a taxing authority, for which Customer is responsible, the appropriate amount shall be invoice to and paid by Customer unless Customer provides Flock a legally sufficient tax exemption certificate and Flock shall not charge Customer any taxes from which it is exempt. If any deduction or withholding is required by law, Customer shall notify Flock and shall pay Flock any additional amounts necessary to ensure that the net amount that Flock receives, after any deduction and withholding, equals the amount Flock would have received if no deduction or withholding had been required.

7. TERM AND TERMINATION

7.1 **Term.** The initial term of this Agreement shall be for the period of time set forth on the Order Form (the “**Term**”). Unless otherwise indicated on the Order Form, the Term shall commence upon first installation of Flock Hardware, as applicable. Following the Term, unless otherwise indicated on the Order Form, this Agreement will automatically renew for successive renewal terms of the greater of one year or the length set forth on the Order Form (each, a “**Renewal Term**”) unless either Party gives the other Party notice of non-renewal at least thirty (30) days prior to the end of the then-current term.

7.2 **Termination.** Upon termination or expiration of this Agreement, Flock will remove any applicable Flock Hardware at a commercially reasonable time period. In the event of any material breach of this Agreement, the non-breaching Party may terminate this Agreement prior to the end of the Term by giving thirty (30) days prior written notice to the breaching Party; provided, however, that this Agreement will not terminate if the breaching Party has cured the breach prior to the expiration of such thirty (30) day period (“**Cure Period**”). Either Party may terminate this Agreement (i) upon the institution by or against the other Party of insolvency, receivership or bankruptcy proceedings, (ii) upon the other Party's making an assignment for the benefit of creditors, or (iii) upon the other Party's dissolution or ceasing to do business. In the event of a material breach by Flock, and Flock is unable to cure within the **Cure Period**, Flock will refund Customer a pro-rata portion of the pre-paid fees for Services not received due to such termination.

7.3 **Survival.** The following Sections will survive termination: 1, 3, 5, 6, 7, 8.3, 8.4, 9, 11.1 and 11.6.

8. REMEDY FOR DEFECT; WARRANTY AND DISCLAIMER

8.1 Manufacturer Defect. Upon a malfunction or failure of Flock Hardware or Embedded Software (a “*Defect*”), Customer must notify Flock’s technical support team. In the event of a Defect, Flock shall make a commercially reasonable attempt to repair or replace the defective Flock Hardware at no additional cost to the Customer. Flock reserves the right, in its sole discretion, to repair or replace such Defect, provided that Flock shall conduct inspection or testing within a commercially reasonable time, but no longer than seven (7) business days after Customer gives notice to Flock.

8.2 Replacements. In the event that Flock Hardware is lost, stolen, or damaged, Customer may request a replacement of Flock Hardware at a fee according to the reinstall fee schedule (<https://www.flocksafety.com/reinstall-fee-schedule>). In the event that Customer chooses not to replace lost, damaged, or stolen Flock Hardware, Customer understands and agrees that Flock is not liable for any resulting impact to Flock service, nor shall Customer receive a refund for the lost, damaged, or stolen Flock Hardware.

8.3 Warranty. Flock shall use reasonable efforts consistent with prevailing industry standards to maintain the Services in a manner which minimizes errors and interruptions in the Services and shall perform the Installation Services in a professional and workmanlike manner. Services may be temporarily unavailable for scheduled maintenance or for unscheduled emergency maintenance, either by Flock or by third-party providers, or because of other causes beyond Flock’s reasonable control, but Flock shall use reasonable efforts to provide advance notice in writing or by e-mail of any scheduled service disruption.

8.4 Disclaimer. THE REMEDY DESCRIBED IN SECTION 8.1 ABOVE IS CUSTOMER’S SOLE REMEDY, AND FLOCK’S SOLE LIABILITY, WITH RESPECT TO DEFECTS. FLOCK DOES NOT WARRANT THAT THE SERVICES WILL BE UNINTERRUPTED OR ERROR FREE; NOR DOES IT MAKE ANY WARRANTY AS TO THE RESULTS THAT MAY BE OBTAINED FROM USE OF THE SERVICES. EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION, THE SERVICES ARE PROVIDED “AS IS” AND FLOCK DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A

PARTICULAR PURPOSE. THIS DISCLAIMER ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE MENTIONED IN SECTION 11.6.

8.5 Insurance. Flock will maintain commercial general liability policies as stated in Exhibit B.

8.6 Force Majeure. Parties are not responsible or liable for any delays or failures in performance from any cause beyond their control, including, but not limited to acts of God, changes to law or regulations, embargoes, war, terrorist acts, pandemics (including the spread of variants), issues of national security, acts or omissions of third-party technology providers, riots, fires, earthquakes, floods, power blackouts, strikes, supply chain shortages of equipment or supplies, financial institution crisis, weather conditions or acts of hackers, internet service providers or any other third party acts or omissions.

9. LIMITATION OF LIABILITY; INDEMNITY

9.1 Limitation of Liability. NOTWITHSTANDING ANYTHING TO THE CONTRARY, FLOCK, ITS OFFICERS, AFFILIATES, REPRESENTATIVES, CONTRACTORS AND EMPLOYEES SHALL NOT BE RESPONSIBLE OR LIABLE WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT OR TERMS AND CONDITIONS RELATED THERETO UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY, PRODUCT LIABILITY, OR OTHER THEORY: (A) FOR LOSS OF REVENUE, BUSINESS OR BUSINESS INTERRUPTION; (B) INCOMPLETE, CORRUPT, OR INACCURATE DATA; (C) COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY; (D) FOR ANY INDIRECT, EXEMPLARY, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES; (E) FOR ANY MATTER BEYOND FLOCK'S ACTUAL KNOWLEDGE OR REASONABLE CONTROL INCLUDING REPEAT CRIMINAL ACTIVITY OR INABILITY TO CAPTURE FOOTAGE; OR (F) FOR ANY AMOUNTS THAT, TOGETHER WITH AMOUNTS ASSOCIATED WITH ALL OTHER CLAIMS, EXCEED THE FEES PAID AND/OR PAYABLE BY CUSTOMER TO FLOCK FOR THE SERVICES UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS PRIOR TO THE ACT OR OMISSION THAT GAVE RISE TO THE LIABILITY, IN EACH CASE, WHETHER OR NOT FLOCK HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THIS LIMITATION OF LIABILITY OF SECTION ONLY APPLIES TO THE EXTENT ALLOWED BY THE GOVERNING LAW OF THE STATE REFERENCED IN SECTION

11.6. NOTWITHSTANDING ANYTHING TO THE CONTRARY, THE FOREGOING LIMITATIONS OF LIABILITY SHALL NOT APPLY (I) IN THE EVENT OF GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, OR (II) INDEMNIFICATION OBLIGATIONS.

9.2 **Responsibility.** Each Party to this Agreement shall assume the responsibility and liability for the acts and omissions of its own employees, officers, or agents, in connection with the performance of their official duties under this Agreement. Each Party to this Agreement shall be liable for the torts of its own officers, agents, or employees.

9.3 **Flock Indemnity.** Flock shall indemnify and hold harmless Customer, its agents and employees, from liability of any kind, including claims, costs (including defense) and expenses, on account of: (i) any copyrighted material, patented or unpatented invention, articles, device or appliance manufactured or used in the performance of this Agreement; or (ii) any damage or injury to property or person directly caused by Flock's installation of Flock Hardware, except for where such damage or injury was caused solely by the negligence of the Customer or its agents, officers or employees. Flock's performance of this indemnity obligation shall not exceed the fees paid and/or payable for the services rendered under this Agreement in the preceding twelve (12) months.

10. INSTALLATION SERVICES AND OBLIGATIONS

10.1 **Ownership of Hardware.** Flock Hardware is owned and shall remain the exclusive property of Flock. Title to any Flock Hardware shall not pass to Customer upon execution of this Agreement, except as otherwise specifically set forth in this Agreement. Except as otherwise expressly stated in this Agreement, Customer is not permitted to remove, reposition, re-install, tamper with, alter, adjust or otherwise take possession or control of Flock Hardware. Customer agrees and understands that in the event Customer is found to engage in any of the foregoing restricted actions, all warranties herein shall be null and void, and this Agreement shall be subject to immediate termination for material breach by Customer. Customer shall not perform any acts which would interfere with the retention of title of the Flock Hardware by Flock. Should Customer default on any payment of the Flock Services, Flock may remove Flock Hardware at Flock's discretion. Such removal, if made by Flock, shall not be deemed a waiver of Flock's

rights to any damages Flock may sustain as a result of Customer's default and Flock shall have the right to enforce any other legal remedy or right.

10.2 Deployment Plan. Flock shall advise Customer on the location and positioning of the Flock Hardware for optimal product functionality, as conditions and locations allow. Flock will collaborate with Customer to design the strategic geographic mapping of the location(s) and implementation of Flock Hardware to create a deployment plan ("***Deployment Plan***"). In the event that Flock determines that Flock Hardware will not achieve optimal functionality at a designated location, Flock shall have final discretion to veto a specific location, and will provide alternative options to Customer.

10.3 Changes to Deployment Plan. After installation of Flock Hardware, any subsequent requested changes to the Deployment Plan, including, but not limited to, relocating, re-positioning, adjusting of the mounting, removing foliage, replacement, changes to heights of poles will incur a fee according to the reinstall fee schedule located at (<https://www.flocksafety.com/reinstall-fee-schedule>). Customer will receive prior notice and confirm approval of any such fees.

10.4 Customer Installation Obligations. Customer is responsible for any applicable supplementary cost as described in the Customer Implementation Guide, attached hereto as Exhibit C. Customer represents and warrants that it has, or shall lawfully obtain, all necessary right title and authority and hereby authorizes Flock to install the Flock Hardware at the designated locations and to make any necessary inspections or maintenance in connection with such installation.

10.5 Flock's Obligations. Installation of any Flock Hardware shall be installed in a professional manner within a commercially reasonable time from the Effective Date of this Agreement. Upon removal of Flock Hardware, Flock shall restore the location to its original condition, ordinary wear and tear excepted. Flock will continue to monitor the performance of Flock Hardware for the length of the Term. Flock may use a subcontractor or third party to perform certain obligations under this Agreement, provided that Flock's use of such subcontractor or third party shall not release Flock from any duty or liability to fulfill Flock's obligations under this Agreement.

11. MISCELLANEOUS

11.1 Compliance With Laws. Parties shall comply with all applicable local, state and federal laws, regulations, policies and ordinances and their associated record retention schedules, including responding to any subpoena request(s).

11.2 Severability. If any provision of this Agreement is found to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect.

11.3 Assignment. This Agreement is not assignable, transferable or sublicensable by either Party, without prior consent. Notwithstanding the foregoing, either Party may assign this Agreement, without the other Party's consent, (i) to any parent, subsidiary, or affiliate entity, or (ii) to any purchaser of all or substantially all of such Party's assets or to any successor by way of merger, consolidation or similar transaction.

11.4 Entire Agreement. This Agreement, together with the Order Form(s), the reinstall fee schedule (<https://www.flocksafety.com/reinstall-fee-schedule>), and any attached exhibits are the complete and exclusive statement of the mutual understanding of the Parties and supersedes and cancels all previous or contemporaneous negotiations, discussions or agreements, whether written and oral, communications and other understandings relating to the subject matter of this Agreement. All waivers and modifications must be in a writing signed by both Parties, except as otherwise provided herein. None of Customer's purchase orders, authorizations or similar documents will alter the terms of this Agreement, and any such conflicting terms are expressly rejected. Any mutually agreed upon future purchase order is subject to these legal terms and does not alter the rights and obligations under this Agreement, except that future purchase orders may outline additional products, services, quantities and billing terms to be mutually accepted by Parties. In the event of any conflict of terms found in this Agreement or any other terms and conditions, the terms of this Agreement shall prevail. Customer agrees that Customer's purchase is neither contingent upon the delivery of any future functionality or features nor dependent upon any oral or written comments made by Flock with respect to future functionality or feature.

11.5 Relationship. No agency, partnership, joint venture, or employment is created as a result of this Agreement and Parties do not have any authority of any kind to bind each other in any respect whatsoever. Flock shall at all times be and act as an independent contractor to Customer.

11.6 Governing Law; Venue. This Agreement shall be governed by the laws of the state in which the Customer is located. The Parties hereto agree that venue would be proper in the

chosen courts of the State of which the Customer is located. The Parties agree that the United Nations Convention for the International Sale of Goods is excluded in its entirety from this Agreement.

11.7 Special Terms. Flock may offer certain special terms which are indicated in the Order Form and will become part of this Agreement, upon Customer's prior written consent and the mutual execution by authorized representatives ("**Special Terms**"). To the extent that any terms of this Agreement are inconsistent or conflict with the Special Terms, the Special Terms shall control.

11.8 Publicity. Upon prior written consent, Flock has the right to reference and use Customer's name and disclose the nature of the Services in business and development and marketing efforts. Nothing contained in this Agreement shall be construed as conferring on any Party, any right to use the other Party's name as an endorsement of product/service.

11.9 Feedback. If Customer or Authorized End User provides any suggestions, ideas, enhancement requests, feedback, recommendations or other information relating to the subject matter hereunder, Agency or Authorized End User hereby assigns to Flock all right, title and interest (including intellectual property rights) with respect to or resulting from any of the foregoing.

11.10 Export. Customer may not remove or export from the United States or allow the export or re-export of the Flock IP or anything related thereto, or any direct product thereof in violation of any restrictions, laws or regulations of the United States Department of Commerce, the United States Department of Treasury Office of Foreign Assets Control, or any other United States or foreign Customer or authority. As defined in Federal Acquisition Regulation ("FAR"), section 2.101, the Services, the Flock Hardware and Documentation are "commercial items" and according to the Department of Defense Federal Acquisition Regulation ("DFAR") section 252.2277014(a)(1) and are deemed to be "commercial computer software" and "commercial computer software documentation." Flock is compliant with FAR Section 889 and does not contract or do business with, use any equipment, system, or service that uses the enumerated banned Chinese telecommunication companies, equipment or services as a substantial or essential component of any system, or as critical technology as part of any Flock system. Consistent with DFAR section 227.7202 and FAR section 12.212, any use, modification, reproduction, release, performance, display, or disclosure of such commercial software or

commercial software documentation by the U.S. Government will be governed solely by the terms of this Agreement and will be prohibited except to the extent expressly permitted by the terms of this Agreement.

11.11 **Headings.** The headings are merely for organization and should not be construed as adding meaning to the Agreement or interpreting the associated sections.

11.12 **Authority.** Each of the below signers of this Agreement represent that they understand this Agreement and have the authority to sign on behalf of and bind the Parties they are representing upon the Effective Date.

11.13 **Conflict.** In the event there is a conflict between this Agreement and any applicable statement of work, or Customer purchase order, this Agreement controls unless explicitly stated otherwise.

11.14 **Notices.** All notices under this Agreement will be in writing and will be deemed to have been duly given when received, if personally delivered; when receipt is electronically confirmed, if transmitted by email; the day after it is sent, if sent for next day delivery by recognized overnight delivery service; and upon receipt to the address listed on the Order Form (or, if different, below), if sent by certified or registered mail, return receipt requested.

11.15 **Non-Appropriation.** Notwithstanding any other provision of this Agreement, all obligations of the Customer under this Agreement which require the expenditure of public funds are conditioned on the availability of said funds appropriated for that purpose. To the extent applicable, Customer shall have the right to terminate this Agreement for non appropriation with thirty (30) days written notice without penalty or other cost.

FlockOS Features & Description

FlockOS Features	Description
Community Network Access	The ability to request direct access to feeds from privately owned Flock Safety Falcon® LPR cameras located in neighborhoods, schools, and businesses in your community, significantly increasing actionable evidence that clears cases.
Unlimited Users	Unlimited users for FlockOS
State Network (License Plate Lookup Only)	Allows agencies to look up license plates on all cameras opted into the Flock Safety network within your state.
Nationwide Network (License Plate Lookup Only)	With the vast Flock Safety sharing network, law enforcement agencies no longer have to rely on just their devices alone. Agencies can leverage a nationwide system boasting 10 billion additional plate reads per month to amplify the potential to collect vital evidence in otherwise dead-end investigations.
Law Enforcement Network Access	The ability to request direct access to evidence detection devices from Law Enforcement agencies outside of your jurisdiction.
Time & Location Based Search	Search full, partial, and temporary plates by time at particular device locations
License Plate Lookup	Look up specific license plate location history captured on Flock devices
Vehicle Fingerprint Search	Search footage using Vehicle Fingerprint™ technology. Access vehicle type, make, color, license plate state, missing / covered plates, and other unique features like bumper stickers, decals, and roof racks.
Insights & Analytics	Reporting tool to help administrators manage their LPR program with device performance data, user and network audits, plate read reports, hot list alert reports, event logs, and outcome reports.
ESRI Based Map Interface	Map-based interface that consolidates all data streams and the locations of each connected asset, enabling greater situational awareness and a common operating picture.
Real-Time NCIC Alerts on Flock ALPR Cameras	Receive automated alerts when vehicles entered into established databases for missing and wanted persons are detected, including the FBI's National Crime Information Center (NCIC) and National Center for Missing & Exploited Children (NCMEC) databases.
Unlimited Custom Hot Lists	Ability to add a suspect's license plate to a custom list and get alerted when it passes by a Flock camera
Convoy Search	Unearth hidden connections by detecting suspect vehicles that frequently travel together. This tool is invaluable for investigating organized or serial crimes and identifying accomplices.
Visual Search	Transforms any digital photo into a potent investigative lead, enhancing evidence collection. Upload the image of a vehicle into FlockOS® to initiate a reverse image search that will help you identify crucial suspect vehicle information and unlock dead-end investigations.
Multi Geo Search	Connects the dots between multiple crimes and crime scenes. Link a suspect vehicle to multiple incidents based on location, without needing a vehicle description or plate number.
Custom Hot List Attachments	The ability to add case notes, photos, reports, and other relevant case information to Custom Hot List Alerts
Custom Hot List Deconfliction	Allows Flock Safety users to identify overlapping investigations within their agency and within other law enforcement agencies and provide the contact information of opted-in parties to facilitate collaboration.
Unlimited Vehicle Description Alerts	Users can set up and receive notifications for suspect vehicles based on body type, make, color, location and timeframe. Notifications are sent via app, SMS or email when a vehicle matching the predetermined criteria passes a camera in your organization's network.

By executing this Order Form, Customer represents and warrants that it has read and agrees to all of the terms and conditions contained in the Master Services Agreement attached.

Sole Source Letter for Flock Safety® RTCC and ALPR Solution

Flock Safety® is the sole manufacturer, developer, and distributor of the proprietary Flock Safety Falcon® ALPR Camera and FlockOS® Real Time Crime Center integrated solution. Flock Safety® is also the sole provider of the comprehensive monitoring, processing, and machine vision services which integrate with the Flock Safety® ALPR Camera.

The Flock Safety® ALPR camera and devices are the only Law Enforcement Grade ALPR System to offer the following combination of proprietary features:

1. **Real Time Crime Center Platform:**

- Flock Safety is the only Real-Time-Crime-Center (RTCC) platform that offers its own proprietary ALPR product *and* proprietary RTCC product with native integration from one provider
- FlockOS® is the world's first and only public safety operating system compatible with Flock Safety™ live streaming fixed and Flock Safety PTZ Condor™ camera, Flock Safety Raven™ gunshot audio detection, while seamlessly integrating first and third-party data across video, LPR, and audio to deliver real-time intelligence and retroactive crime solving in a single-pane real-time crime center
- Ability to enhance situational awareness capacity by layering all intelligence streams onto the FlockOS® ESRI-based map
- FlockOS® features Flock Safety's unique Real-Time Routing feature that analyzes various data sources to determine where a suspect vehicle has been and its' direction of travel providing users with possible outcomes based on a confidence threshold

2. **Vehicle Fingerprint Technology®:**

- Patented proprietary machine vision to analyze vehicle license plate, state recognition, and vehicle attributes such as color, type, make and objects (roof rack, bumper stickers, etc.) based on image analytics (not car registration data)
- Machine vision to capture and identify characteristics of vehicles with a paper license plate and vehicles with the absence of a license plate
- Ability to 'Save Search' based on description of vehicles using our patented Vehicle Fingerprint Technology without the need for a license plate, and set up alerts based on vehicle description
- Only LPR provider with "Visual Search" which can transform digital images

flock safety

from any source into an investigative lead by finding matching vehicles based on the vehicle attributes in the uploaded photo

- Flock Safety Falcon Flex®: an infrastructure-free, location-flexible license plate reader camera that is easy to self-install. Flock Safety Falcon Flex® ties seamlessly into the Flock Safety® ecosystem with a small and lightweight camera with the ability to read up to 30,000 license plates and vehicle attributes on a single battery charge

3. Integrated Cloud-Software & Hardware Platform:

- Ability to capture two (2+) lanes of traffic simultaneously with a single camera from a vertical mass
- Best in class ability to capture and process up to 30,000 vehicles per day with a single camera powered exclusively by solar power
- Wireless deployment of solar powered license plate reading cameras with integrated cellular communication weighing less than 5lbs and able to be powered solely by a solar panel of 60W or less
- Web based footage retrieval tool with filtering capabilities such as vehicle color, vehicle type, vehicle manufacturer, partial or full license plate, state of license plate, and object detection
- Utilizes motion capture to start and stop recording without the need for a reflective plate
- Motion detection allows for unique cases such as bicycle capture, ATV, motorcycle, etc.
- On device machine processing to limit LTE bandwidth consumption
- Cloud storage of footage
- Covert industrial design for minimizing visual pollution

4. Transparency & Ethical Product Design:

- One-of-a-kind “Transparency Portal” public-facing dashboard that details the policies in place by the purchaser, as well as automatically updated metrics from the Flock Safety® system
- Built-in integration with NCMEC to receive AMBER Alerts to find missing children
- Privacy controls to enable certain vehicles to “opt-out” of being captured

5. Integrated Audio & Gunshot Detection:

- Natively integrated audio detection capabilities utilizing machine learning to recognize audio signatures typical of crimes in progress (e.g., gunshots)

6. Live Video Integration:

- Ability to apply computer vision to third-party cameras using Flock Safety Wing® LPR, transforming them to evidence capture devices using the same

flock safety

Vehicle Fingerprint technology offered on the Flock Safety Falcon® ALPR cameras

- Flock Safety Wing® Livestream integrates live stream traffic cameras, publicly or privately owned livestream security cameras into one cloud-based situational awareness dashboard to increase response time in mission-critical incidents
- Manage various government intelligence including ALPR, livestream cameras, CAD, automatic vehicle location (AVL) on Flock Safety Wing® Suite
- Ability to access live and recorded video using Flock Safety Condor™, a subscription video solution which allows officers to remotely view instant replay of downloadable live on-scene video with PTZ controls and 25X optical zoom without the need for additional camera network set-up, installation, or up-keep.

7. Warranty & Service:

- Lifetime maintenance and support included in subscription price
- Flock Safety® is the only fully integrated ALPR one-stop solution from production of the camera to delivery and installation
- Performance monitoring software to predict potential failures, obstructions, tilts, and other critical or minor issues

CITY OF RAYTOWN Request for Board Action

DATE SUBMITTED: 09/06/2024

MEETING DATE: September 17, 2024

SUBMITTED BY:

DEPARTMENT: Public Works

Document Type: Resolution Budget Amendment

SUBJECT/REQUEST

R-3632-24: Authorization to approve an agreement with Kissick Construction Company for sanitary sewer system improvements in the Wildwood North sewershed at a cost not to exceed \$1,548,763.70 and amend the 2023-2024 Fiscal Budget

BACKGROUND/JUSTIFICATION

Staff used our on-call engineer GBA Engineers to design this sanitary sewer project to put out to bid for construction. The Public Works Department received 3 sealed bids that were opened on Wednesday, August 28, 2024 at 2:30pm. Kissick Construction is the lowest, responsive, responsible bidder with a total Bid of \$1,407,967.00 and is being recommended for approval. Staff is requesting additional purchasing authority to accommodate potential change orders on this project of an additional 10% = \$140,796.70.

- Kissick Construction Company = \$1,407,967.00
- Redford Construction = \$1,755,866.00
- Havens Construction = \$1,888,592.80

This portion of the city sanitary sewer system has been selected for a 2024 Sanitary Sewer Maintenance Project. The City of Raytown Public Works Department selected the project area based on very high and high risk scores determined by our asset management system NEER.

This work will consist of installing 5,100 feet of cured in place pipe liner (CIPP), 565' of new sewer pipe, service line lateral connection repairs, convert 8 lampholes into manholes, and manhole repairs.

The project is funded by sanitary sewer and American Rescue Plan Act (ARPA) funds. Pursuant to the budget amendment resolution (Resolution No.: R-3630-24) (This is the resolution that is being approved at the September 17th BOA meeting), the ARPA funds were transferred from the general fund to the sanitary sewer revenue fund. This budget amendment would transfer \$172,774.70 from the sanitary sewer revenue fund to the sanitary sewer capital expenditures account to make a total combined amount of \$1,548,763.70 as detailed in the financial impact table below.

RECOMMENDED MOTION

Staff recommends approval as submitted.

A RESOLUTION AUTHORIZING THE CITY ADMINISTRATOR TO ENTER INTO AN AGREEMENT WITH KISSICK CONSTRUCTION FOR THE 2023-2024 SANITARY SEWER MAINTENANCE PROJECT IN AN AMOUNT NOT TO EXCEED \$1,548,763.70 FOR FISCAL YEAR 2023-2024 AND AMEND THE FISCAL YEAR 2023-2024 BUDGET

WHEREAS, the City of Raytown (the “City”) issued an invitation to bid for the 2023-2024 Sanitary Sewer Maintenance Project; and

WHEREAS, the Public Works Department received three (3) bids in response to the invitation and has determined that the bid submitted by Kissick Construction in the amount of \$1,407,967.00 was the most advantageous bid received; and

WHEREAS, the City finds Kissick Construction meets all of the qualifications as the lowest and best bidder for the project; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to enter into an agreement with Kissick Construction for the 2023-2024 Sanitary Sewer Maintenance Project in the amount of \$1,407,967.00; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to authorize and approve an additional \$140,796.70 to fund any changes in the project for a total project amount not to exceed \$1,548,763.70; and

WHEREAS, pursuant to Resolution R-3550-23, the Fiscal Year 2023-2024 Budget was approved, and it is necessary to amend the Fiscal Year 2023-2024 Budget; and

WHEREAS, the Board of Aldermen find it is in the best interest of the City to amend the Fiscal Year 2023-2024 Budget.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

THAT the Board of Aldermen find it is in the best interest of the City to enter into an agreement with Kissick Construction for the 2023-2024 Sanitary Sewer Maintenance Project in the amount of \$1,407,967.00 attached hereto as Exhibit “A” and incorporated herein, and the agreement is hereby authorized and approved; and

FURTHER THAT the Board of Aldermen find it is in the best interest of the City to authorize and approve an additional \$140,796.70 to fund any changes in the project for a total project amount not to exceed \$1,548,763.70; and

FURTHER THAT the Fiscal Year 2023-2024 budget approved by Resolution R-3550-23 is hereby amended as follows:

FROM:

Sanitary Sewer Revenue Fund
501.00.00.100.49999
\$172,774.70

TO:

Sanitary Sewer Capital Expenditures
501.62.00.100.57000
\$172,774.70

FURTHER THAT the City Administrator is hereby authorized to execute any and all documents and to take any and all actions necessary to effectuate the terms of the Agreement and exercise the authority granted herein on behalf of the City.

PASSED AND ADOPTED by the Board of Aldermen and **APPROVED** by the Mayor of the City of Raytown, Missouri, the 17th day of September, 2024.

SUBJECT: Bid Evaluation and Recommendation
2023 Sanitary Sewer Maintenance Project: Wildwood North Area 1

Dear Mr. Camp,

We have reviewed the bid tabulations for the above referenced project. Bids were received from three (3) bidders and opened on August 28, 2024. The lowest bid was received from Kissick Construction. Bids are summarized in Table 1 below in order from lowest to highest.

Table 1: Summary of Bids

Rank	Bidder	Total Base Bid
1	Kissick Construction	\$1,407,967.00
2	Redford Construction	\$1,755,866.00
3	Havens Construction	\$1,888,592.80

Bid Price

The total bid price submitted by Kissick Construction is \$140,053.00 lower than the Engineers Estimate of \$1,548,020.00 and is \$347,899.00 less than the next lowest bid. GBA reviewed the Bid Unit Prices submitted by all bidders and found errors in two (2) – Kissick Construction and Redford Construction. Both companies were asked to correct the errors and the corrected bid tabs are included in Attachment 1.

Design Professional's Recommendation

The bid tabulations appear to be in order and have been corrected and all required documents were present with the bid. Based on this review, we would recommend the City of Raytown award the project to the apparent low bidder, Kissick Construction, for a total amount of \$1,407,967.00.

Sincerely,

GEORGE BUTLER ASSOCIATES, INC.

CITY OF RAYTOWN Request for Board Action

DATE SUBMITTED: 09/06/2024

MEETING DATE: September 17, 2024

SUBMITTED BY:

DEPARTMENT: Public Works

Document Type: Resolution Agreement/Contract

SUBJECT/REQUEST

R-3633-24: FY23-24 budget amendment - GBA Oversight for the Wildwood North Sanitary Sewer Construction Project and Amend the 2023-2024 Fiscal Budget

BACKGROUND/JUSTIFICATION

The Public Works department recommends approval of the professional services of George Butler Associates (GBA) for the construction phase of the Wildwood North Sanitary Sewer Construction Project. GBA will complete various testing and oversight of the Wildwood North Sanitary Sewer Construction Project while working with the daily oversight of the City of Raytown's Public Works Department. The professional services will also help with oversight of the testing and some engineering oversight which is required for some items within this project.

The project is funded by sanitary sewer and American Rescue Plan Act (ARPA) funds. Pursuant to the budget amendment resolution (Resolution No.: R-3630-24) (This is the resolution that is being approved at the September 17th BOA meeting), the ARPA funds were transferred from the general fund to the sanitary sewer revenue fund. This budget amendment would transfer \$152,058.00 from the sanitary sewer revenue fund to the sanitary sewer capital expenditures account as detailed in the financial impact table below.

RECOMMENDED MOTION

Staff recommends approval as submitted.

SCOPE OF SERVICES

Engineer: George Butler Associates, Inc. (ENGINEER)
Owner: City of Raytown, Missouri (CITY)
Project: 2024 Sanitary Sewer Maintenance Project: Wildwood North Area 1
Construction Phase Services
City Project No: SSM-2024-XX

I. GENERAL

The following paragraphs provide a general description of the Work required of this Scope of Services. Subsequent paragraphs describe in detail the professional services to be provided by ENGINEER to facilitate the rehabilitation recommendations for reducing inflow and infiltration (I&I) flows into the sanitary sewer system in the Wildwood South Area 1, Raytown, Missouri.

- A. The Project. The Public Works Department of the City of Raytown (CITY), Missouri, intends to reduce I&I flows in the sanitary sewer system by implementing rehabilitation recommendations in the Wildwood North Area 1, which is located in Raytown, Missouri. As such, the CITY is contracting with ENGINEER to provide the necessary professional services.
- B. Background Information. The CITY is undertaking this Project to provide construction phase services for the 2024 Sanitary Sewer Inflow and Infiltration Reduction Program Wildwood North Area 1. The project will focus on I&I reduction through rehabilitation of public sanitary sewers and manholes within the project area.
- C. Follow-On Phases. No additional follow-on phases are anticipated.
- D. General Description of Activities. The Basic Scope of Services to be performed by ENGINEER consists of professional services for the implementation of rehabilitation design plans for reducing I&I flow and volume in the project area. This Scope of Services includes review of payment applications, weekly construction progress reports, review of change orders, pre-construction conference and resident meetings, and serving as the Resident Project Representative on-site throughout construction.
- E. Task Series Listing. The Basic Scope of Services is organized under the following Task Series:
 - 1. Task Series 100 - PROJECT MANAGEMENT AND ADMINISTRATION
 - 2. Task Series 200 - CONSTRUCTION PHASE SERVICES
- F. Explicit Responsibilities. The Basic Scope of Services explicitly sets forth what ENGINEER shall perform and does not implicitly put additional responsibilities or duties upon

ENGINEER. The ENGINEER agrees to provide the specific Basic Services as identified herein. Work not specifically discussed herein shall not be performed without an amendment or shall be provided as Optional Services upon written authorization from the CITY.

II. PROJECT MILESTONES AND CITY REVIEW REQUIREMENTS

- A. ENGINEER shall complete the services in this scope within 300 calendar days following NTP. ENGINEER's completion schedule will be extended by the CITY for delays beyond the reasonable control of the ENGINEER as approved by the CITY.
- B. The CITY hereby commits to review deliverables and provide comments within fourteen (14) calendar days after receipt of deliverables from ENGINEER. CITY will endeavor to provide consolidated written review comments to ENGINEER within a fourteen (14) calendar day period. A review meeting will be scheduled and conducted by ENGINEER no more than fourteen (14) calendar days after receipt of written consolidated CITY review comments, unless a mutually agreed upon date outside this schedule window is selected.

III. BASIC SCOPE OF SERVICES

The following Task Series describe the Basic Scope of Services to be provided by the ENGINEER under the Project.

TASK SERIES 100 - PROJECT MANAGEMENT AND ADMINISTRATION

The purpose of Project Management and Administration will be to manage, direct and oversee each element of Basic Services identified herein and subcontractors employed by the ENGINEER in completion of the Work. The following management activities will be provided by ENGINEER.

Task 101 Project Management Services (10 months)

Provide project management services necessary throughout the project to successfully manage and complete the work, including project correspondence and consultation with CITY Staff; supervision and coordination of services; scheduling and assignment of personnel resources; continuous monitoring of work progress; and maintenance of project controls.

Prepare and submit monthly invoices on a form acceptable to the CITY and provide a monthly project status report and updated project schedule, which shall accompany the monthly invoice submittal. The monthly project status report shall identify work performed by the ENGINEER, the work activities anticipated to be performed the next month, action items required by CITY, potential project scope variances with corrective action, a general assessment of the ENGINEER's ability to meet project schedule milestones, including identification of delays beyond its control, an estimate of work percent completion for each Task Series in the Basic Scope of Services based on the work completed, and the earned value of the completed work for each task series.

Schedule and attend up to 20 bi-weekly progress meetings with CITY and Contractor. Meetings to be held virtually via Teams and are budgeted for up to 1 hour. Progress meetings will be attended by two (2) people from ENGINEER.

Task 102 Review Applications for Payments

Review applications for payment with the contractor for compliance with the contract documents and submit to the CITY with a recommendation for payment. A total of seven (7) pay applications are budgeted for this project.

Task 103 Weekly Progress Reports

Prepare and submit to the CITY and the contractor weekly progress reports that indicate the work completed by the contractor during the previous week, upcoming major tasks, and anticipated coordination necessary during the upcoming week. It is anticipated that construction will go on for 40 weeks resulting in 40 progress reports.

Task 104 Review Change Order Requests

Review change order requests and discuss valid issues raised by the contractor in those requests with CITY staff. Develop and process change order documents requested by the CITY staff. It is anticipated that up to three (3) change order requests will be reviewed as part of this project.

TASK SERIES 200 - CONSTRUCTION PHASE SERVICES

Task 201 Pre-Construction Conference / Resident Meeting

Assist the CITY in conducting a pre-construction conference with the Contractor and other necessary parties. Up to three (3) team members from ENGINEER will attend this in-person conference that is budgeted to last up to three (3) hours. ENGINEER will provide a written summary of the conference. The ENGINEER will notify affected utility companies in writing, prior to the pre-construction conference so that they have a chance to attend if they want to.

Assist the CITY in conducting a pre-construction conference with Residents in the affected project area. ENGINEER will put together the resident notification for the CITY to send out to residents. Up to two (2) individuals from ENGINEER will attend this meeting which is budgeted to last up to three (3) hours. ENGINEER will attend the resident meeting in-person at a date and time set by the CITY. ENGINEER will take notes at the resident meeting and provide a meeting summary to the CITY.

Task 202 Act as City of Raytown's Professional Representative

Act as the CITY's professional representative. Project coordinate and attend meetings with contractor and CITY at project site, if needed. Coordinate and conduct correspondence with residents on behalf of the CITY, if needed.

Task 203 Review Contractor's Submittals

Review shop drawings, test results, and other submittals from Contractor to show conformance to the contract documents. Maintain a submittal log to document the processing of submittals. It is anticipated that up to 15 submittals will be reviewed, and up to five (5) re-submittals will be reviewed a second time.

Task 204 Pre-Construction Photos and Videos

ENGINEER will coordinate with the Contractor the taking of pre-construction photos and video tapes of the construction alignment, temporary easements, adjacent developed properties, railroads, highways, and roadways. ENGINEER will review these items at the beginning of the project. Also, ENGINEER will take construction progress photos of critical elements throughout the project.

Task 205 Substantial Completion Inspection

Conduct substantial completion inspection. Up to three (3) team members from ENGINEER will accompany CITY staff on-site to review project completion and prepare and submit a log of punch list items to the CITY. Up to eight (8) hours are budgeted for this task.

Task 206 Final Completion Inspections

Conduct final completion inspection. Up to three (3) team members from ENGINEER will accompany both the contractor and CITY staff on-site to review project completion and determine if outstanding issues are still observed. Up to eight (8) hours are budgeted for this task. ENGINEER will document a summary of the inspection and provide to the CITY.

Task 207 As-Constructed Drawings

Utilize the as-constructed information provided by the contractor and the Resident Project Representative to update the drawings. Provide the CITY with digital PDFs of record drawings.

Task 208 Resident Project Representative (RPR)

Provide construction observation by a qualified RPR as necessary to confirm that the completed project will conform to the project drawings and specifications. Immediately report to the CITY work that does not conform to the project documents. This task shall also include support for the RPR from the project management team. A total of 320 hours has been budgeted for the RPR to be on-site. The RPR will only be on-site if one of the following conditions is met:

1. A CITY or Contractor's representative has contacted GBA and requested RPR to be on-site on a specific day/time.
2. The Contractor is performing specialized work that requires GBA RPR to be on-site. This work includes: pipe-bursting, manhole construction, and open-cut point repairs.

Since the RPR may not be on-site for the entirety of the construction each day, ENGINEER will only be responsible for observations made during their time on-site.

IV. ASSUMPTIONS

1. Assume that 20 bi-weekly progress meetings will be necessary to complete this project.
2. Assume that seven (7) applications for payment will be reviewed and processed during this project.

3. Assume that three (3) change orders will be necessary to complete this project.
4. Assume that one (1) trip to the job site will be necessary to complete the substantial completion inspection.
5. Assume that one (1) trip to the job site will be necessary to complete the final completion inspection.

V. OPTIONAL SERVICES

Work requested by the CITY that is not specifically stated in one of the Basic Scope of Services listed above shall be classified as Optional Services. ENGINEER's contract maximum upper limit for compensation includes an allowance amount for Optional Services not yet authorized by CITY that may be required throughout the course of the work. This allowance amount shall not be utilized unless specifically authorized in writing by the CITY to perform Optional Services. Optional Services shall not be performed, nor is the ENGINEER approved to utilize any of the allowance amount, unless the CITY provides written authorization to ENGINEER that includes the scope of work for each Optional Service to be performed and a maximum billing limit for compensation that has been mutually agreed upon. Optional Services shall include, but not limited to:

1. Additional time on-site above the 320 hours currently allotted for in this Scope.
2. Additional meetings with CITY or Contractor beyond those specifically spelled out in this Scope.

VI. CITY'S RESPONSIBILITIES

CITY will furnish, as required by Basic Services and not at the expense of the ENGINEER, the following items:

- A. Provide available information pertinent to the assignment, including GIS data, previous reports, drawings, specifications, and other data relative thereto. Provide said information within thirty (30) calendar days of receipt of a written request by ENGINEER.
- B. CITY's Project Manager will coordinate meetings between CITY staff and the ENGINEER.
- C. CITY will provide the following services:
 1. The CITY will reproduce and submit Construction Contract Documents and construction permit application to MDNR for approval, if needed.

(End of Scope of Services)

CITY OF RAYTOWN Request for Board Action

DATE SUBMITTED: 09/06/2024

MEETING DATE: September 17, 2024

SUBMITTED BY:

DEPARTMENT: Public Works

Document Type: Resolution Agreement/Contract

SUBJECT/REQUEST

R-3634-24: Authorization to approve an agreement with Kissick Construction Company for sanitary sewer system improvements at the 87th Street Sanitary Sewer Equalization Basin at a cost not to exceed \$914,208.63 and amend the 2023-2024 fiscal budget.

BACKGROUND/JUSTIFICATION

Analysis: Staff used our on-call engineer Lamp Rynearson Engineers to design this sanitary sewer project to put out to bid for construction. The Public Works Department received 2 sealed bids that were opened on Wednesday, August 28, 2024 at 2:00pm. Kissick Construction is the lowest, responsive, responsible bidder with a total Bid of \$831,098.75 and is being recommended for approval. Staff is requesting additional purchasing authority to accommodate potential change orders on this project of an additional 10% = \$83,109.88. $\$831,098.75 + \$83,109.88 = \$914,208.63$

- Kissick Construction Company = \$831,098.75
- Genesis Environmental Solutions = \$1,045,886.59

This portion of the city sanitary sewer system has been selected for a 2024 Sanitary Sewer Maintenance Project. The City of Raytown Public Works Department selected the project area based on very high and high risk scores determined by our asset management system NEER.

This work will consist of installing 873 feet of cured in place pipe liner (CIPP), manhole repairs, cleaning out the silt and wild growth from the sewer basin floor, bringing the berm elevation back to its original elevation, installing a new concrete basin floor liner, restoring the basin clay liner, and replacing the detention basin pinch valve.

The project is funded by sanitary sewer and American Rescue Plan Act (ARPA) funds. Pursuant to the budget amendment resolution (Resolution No.: R-3630-24) (This is the resolution that is being approved at the September 17th BOA meeting), the ARPA funds were transferred from the general fund to the sanitary sewer revenue fund. This project budget amendment would transfer \$914,208.63 from the sanitary sewer revenue fund to the sanitary sewer capital expenditures account as detailed in the financial Impact table below.

Re: City of Raytown, MO 87th Street Wastewater Equalization Basin Improvements Project

Dear Damon,

Bids for the above-referenced project were publicly opened and read aloud on August 28, 2024. Two bids were received for the project, with the low bid submitted by Construction Co., Inc. at \$831,098.75. Enclosed with this letter is a detailed bid tabulation.

Low Bidder	Total Bid
Kissick Construction Co, Inc.	\$831,098.75

Two addenda were issued during the bid period, and Kissick Construction Co., Inc. acknowledged both addenda.

The Engineer's Opinion of Probable Cost (OPC) for this project was \$612,000, based on previous projects and the best information available at the time. However, the unique challenges of economy of scale along with recent fluctuations in material costs and labor availability, have contributed to higher-than-expected prices. Given these factors, it is clear that the bids received align with current market conditions.

Kissick Construction Co., Inc., has previously completed multiple projects for the City of Raytown in the past, and we are familiar with the quality of their work. They consistently finish projects on time and within budget. Based on their performance history and the information provided, we find them qualified to complete this project.

We recommend awarding the contract to Kissick Construction Co., Inc. If you decided to move forward, please inform us so we can proceed with the necessary arrangements. Should you have any questions, feel free to contact me at 816-823-7305.

Sincerely,

Andrew Conard, PE, ENV SP
