SUBMITTED BY: **DEPARTMENT:** Administration

Document Type: Ordinance

SUBJECT/REQUEST

FIRST READING: Bill No. 6681-24: An ordinance setting the compensation for the Board of Aldermen beginning in April 2025.

BACKGROUND/JUSTIFICATION

The Elected Officials Compensation Review Board was established to review the compensation for elected officials and make recommendations for adjustment. An elected official's compensation must be set prior to a person taking office and compensation cannot change during the term of office, unless additional duties are added. Accordingly, any adjustment the Board of Aldermen deems appropriate must be made prior to the April 8, 2025 election.

The recommendation of the Elected Officials Compensation Review Board relative to the Board of Aldermen was to increase the monthly compensation to \$450.00 and the monthly car allowance remain at \$75.00.

FY25/26 AGREEMENT

**“Minor Home Repair
Program”**

By and Between the

City of Raytown

and

**Truman Heritage Habitat for
Humanity, Inc.**

Dated: November 1, 2024

AGREEMENT BETWEEN THE CITY OF RAYTOWN, MISSOURI
and
TRUMAN HERITAGE HABITAT FOR HUMANITY, Inc.
for

City of Raytown “Minor Home Repair Program”

THIS AGREEMENT is effective November 1, 2024, by and between the City of Raytown, Missouri, (herein called the “Grantor”) and Truman Heritage Habitat for Humanity, Inc., a Missouri not-for-profit corporation, (herein called the “Grantee”).

WHEREAS, the City of Raytown wishes to implement a minor home repair program for income eligible Raytown homeowners; and

WHEREAS, the City of Raytown has budgeted \$200,000.00 of ARPA funds to be allocated over the next two fiscal budget years beginning November 1, 2024, and ending December 2026 for minor home repairs to assist low-moderate income homeowners with exterior property repairs, maintenance, and improvements; and

WHEREAS, a minor home repair program will improve neighborhood property conditions, remove blight, assist homeowners in responding to property code violations and safety hazards in regard to their residence; and

WHEREAS Truman Heritage Habitat for Humanity has been selected and approved to assist the City of Raytown in utilizing budgeted funds to provide home repair services for the benefit of qualifying low- and moderate-income households in Raytown.

NOW, THEREFORE, it is agreed between the parties hereto that.

I. SCOPE OF SERVICE

A. Activities

1. The Grantee will be responsible for administering a program entitled Raytown Minor Home Repair Program from the execution date of this Agreement to December 31, 2026, in a manner satisfactory to the Grantor and consistent with any standards required as a condition of providing these funds as set forth in this Agreement. This program will provide up to \$5,000 no interest loans or grants (or loans with discounted repayments) to low-to-moderate income homeowners for necessary repairs on their houses. Loans and grants shall be approved in accordance with Exhibit A of this Agreement on a first come, first served basis for eligible households. City of Raytown funds will be used to provide for direct home repair costs, as well as salary and costs for the Grantee and certain other operating expenses, based on the budget in Exhibit B of this Agreement.

B. Levels of Accomplishment

The Grantee agrees to provide the Minor Home Repair Program services to a minimum of 20 low- and moderate-income households annually (i.e., \$200,000 overall program budget over the next two fiscal years and ending December 31, 2026 divided by the

maximum cost/house of \$5,000 = 40 households as the goal). In each fiscal year, more than twenty households may be served based on the actual program service costs of the first eight households served in the applicable fiscal year. As many households as possible will be served up to program service costs of \$200,000.00. The Grantee shall submit reports to the Grantor on the last day of each month the Agreement is in effect on the number of households requesting assistance, the number and location of each household approved with the scope of project, project cost information and the number and location of each project completed with a description of completed project scope, detailed project cost, a narrative of the need and benefits related to the service provided to the homeowner and other information the City may request. A detailed final report will be provided to the Grantor on final program activities and accomplishments prior to the closeout of the Agreement.

C. Performance Monitoring

The Grantor will monitor the performance of the Grantee against goals and performance standards required herein. Substandard performance as determined by the Grantor will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by the Grantee within thirty (30) days after being notified in writing by the Grantor, Agreement suspension, termination procedures, or disqualification for future funding may be initiated.

D. Monitoring Site Visits

In addition to the reporting requirements, the Grantee may be subject to at least one site visit by the Grantor during the term of this Agreement, at which time all documentation, files, and other material related to this Agreement and the operation of any activity described in Exhibit A to this Agreement shall be made available for review and inspection by the Grantor. The Grantor may visit any of the project sites at any time.

II. TIME OF PERFORMANCE

Services of the Grantee shall start November 1, 2024 and end by December 31, 2026. The term of this Agreement and the provisions herein shall be extended as needed upon mutual agreement between the Grantor and the Grantee.

III. BUDGET

The Grantee hereby agrees to follow the budget submitted with this Agreement as described and detailed in Exhibit B Budget as closely as possible. Due to the nature of the actual work being conducted, there may be differences in actual line-item expenditures (e.g., greater contracted work due to needs for trimming large branches overhanging houses) and the budget, but in no case shall Grantee administrative costs exceed twenty percent of the total budget. The Grantee agrees to diligently report and document all expenditures for which reimbursement is sought in accordance with this Agreement. Any amendments to this budget must be submitted to and approved in writing by the Grantor. The Grantor shall have the authority to approve or deny any budget amendment. The Grantee agrees to obtain three bids for contracted work and award the contract to the lowest and most responsive bidder.

IV. PAYMENT

It is expressly agreed and understood that the total amount to be paid by the Grantor under this Amended Agreement shall not exceed the amount listed in Exhibit B to this Agreement (i.e. \$200,000).

Payment to the Grantee shall be subject to the prior receipt by the Grantor of documentation reasonably required by Grantor certifying that the Grantee has performed the work and/or expended the time and project costs claimed for services under this Agreement, and that Grantee is entitled to receive the amount of compensation requested. The Grantee is responsible for invoicing the Grantor directly at least quarterly after the services are rendered. The Grantor shall have thirty (30) days to process payment.

Grantee documentation accompanying requests for reimbursement shall include contractor bids and invoice, contractor lien waivers, before and after pictures of the work done, Grantee time sheets and volunteer hours for each project site.

V. NOTICES

Notices required to be given in writing under this Agreement shall be effective when delivered personally to the Addressee or when forty-eight (48) hours have elapsed after the notice is deposited in the United States mail in a sealed envelope with registered or certified mail postage prepaid thereon, addressed to the party which notice is being given. Such addresses may be changed by either party upon notice to the other party given as provided in this section. At the date of execution herein the addresses of the parties are as follows:

VI. SPECIAL CONDITIONS

A. Non-profit, Tax-Exempt Organization

The Grantee certifies that it is a non-profit organization and tax exempt pursuant to Internal Revenue Code Section 501(c)(3).

VII. GENERAL CONDITIONS

A. "Independent Contractor"

Nothing contained in this Agreement is intended to, nor shall be construed in any manner as, creating or establishing the relationship of employer/employee between the parties. The Grantee shall always remain an "independent contractor" with respect to the services to be performed under this Agreement. The Grantor shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance.

B. Hold Harmless

The Grantee shall hold harmless, defend, and indemnify the Grantor from any and all claims, actions, suits, charges and judgments whatsoever that arise out of the

Grantee's performance or nonperformance of the services or subject matter called for in this Agreement, including reasonable court costs and attorney fees.

C. General Release

Upon completion of the work, the Grantor does hereby release and discharge the Grantee from any and all claims, liabilities, demands, suits or causes of action for damages, expenses, attorneys' fees or any other type of relief arising out of the care, maintenance, operation, and control of the funded activities by the Grantee, its successors and/or assignees.

D. Insurance & Bonding

The Grantee shall carry insurance of at least \$1,000,000.00 commercial general liability insurance, naming the City of Raytown as an additional insured.

All contractors/subcontractors engaged by the Grantee pursuant to this agreement shall carry commercial general liability insurance in the amount of \$250,000.00, naming the City of Raytown as an additional insured.

The Grantee shall submit proof of the insurance requirements set forth herein to Grantor upon its request.

E. Grantor Recognition

The Grantee shall insure recognition of the role of the Grantor in providing services through this Agreement. All activities, facilities and items utilized pursuant to this Agreement shall be prominently labeled as to funding source. In addition, the Grantee will include a reference to the support provided herein in all publications made possible with funds made available under this Agreement.

F. Amendments

The Grantor or Grantee may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, signed by a duly authorized representative of both organizations, and approved by the Grantor's governing body. Such amendments shall not invalidate this Agreement, nor relieve or release the Grantor or Grantee from its obligations under this Agreement.

The Grantor may, in its sole discretion, unilaterally amend this Agreement to conform with federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. If such amendments result in a change in the scope of services or schedule of the activities to be undertaken as a part of this Agreement, such modifications will be incorporated only by written amendment signed by both Grantor and Grantee.

G. Suspension or Termination

1. Termination: In the event that the Grantee fails to comply with any term of this Agreement, the Grantor may suspend or terminate this Agreement, in whole or in part, or take other remedial action in accordance with this Agreement.

Either party may terminate this Agreement for convenience by giving a minimum of thirty (30) days written notice to the other party. In the event of any termination

for convenience, all finished or unfinished documents, data, studies, surveys, maps, models, photographs, reports or other materials prepared by the Grantee under this Agreement shall, at the option of the Grantor, become the property of the Grantor, and the Grantee shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to termination if such efforts were to be initially compensated.

Should the Grantor desire to terminate this Agreement for noncompliance, it shall first give written notice of the reason for proposed termination. The notice shall set forth the following:

- a. Reasonable description of the default/reason for termination;
- b. Demand for a cure; and
- c. Statement of reasonable time within which a cure must be effected. Such reasonable time will be presumed to be not less than five, nor more than fifteen, business days. Such times shall be measured from the actual receipt of said notice.

If the Grantee cures the default within the reasonable period of time set forth in the notice, or as otherwise agreed between the parties, the Grantor shall not terminate the Agreement and the written notice of proposed termination shall be deemed revoked, null and void.

VIII. ADMINISTRATIVE REQUIREMENTS

A. Financial Management

1. Accounting Standards

The Grantee agrees to adhere to accounting principles and procedures, and adequate internal controls; and maintain necessary source documentation for all costs incurred in accordance with accounting principles generally accepted in the United States of America.

B. Documentation and Record-Keeping

1. Records to be Maintained

The Grantee shall maintain all records that are pertinent to the activities to be funded under this Agreement. Such records shall include but not be limited to:

- a. Records providing a full description of each activity undertaken; and
- b. Records required to determine the eligibility of the activity(ies);

2. Retention

The Grantee shall retain all records pertinent to expenditures incurred under this Agreement for a period of five (5) years after the termination of all activities funded under this Agreement. If there is litigation, claims, audits, negotiations, or other actions that involve any of the records cited and that have started before the expiration of the five-year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five-year period, whichever occurs later.

3. Client Data

The Grantee shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, address, income level or other basis for determining eligibility. Such information shall be made available to the Grantor's designee for review upon request.

4. Disclosure

The Grantee understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of the Grantor's or Grantee's responsibilities with respect to services provided under this Agreement, is prohibited unless written consent is obtained from such person receiving said services.

5. Close-Outs

The Grantee's obligation to the Grantor shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to: making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantor), and determining the custodianship of records.

6. Audits & Inspections

All Grantee records with respect to any matters covered by this Agreement shall be made available to the Grantor at any time during normal business hours, as often as the Grantor deems necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the Grantee within 30 days after receipt by the Grantor. Failure of the Grantee to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments or termination of this Agreement by Grantor. The Grantee hereby agrees to have an annual agency audit conducted in accordance with current Grantee policy and practices.

C. Reporting Requirements

1. Program Income

In the event that the Grantee generates program income as a result of funds paid under this Agreement by clients served by the program, then the Grantee shall pay such program income to the Grantor upon demand. The Grantee will maintain all program income received in a separate account. Any program income held by the Grantee at the time of the expiration of this Agreement or generated after the expiration of this Agreement will be paid to the Grantor at such time as it is received by the Grantee.

2. Payment Procedures

The Grantor will pay to the Grantee funds available under this Agreement

based upon information submitted by the Grantee and consistent with the approved budget. The Grantee reimbursements may only be submitted following the procedures identified herein. With the exception of certain advances, payments will be made for eligible expenses actually incurred by the Grantee based on monthly invoices submitted by the Grantee and approved by the Grantor.

3. Progress Reports

The Grantee shall submit monthly progress reports to the Grantor in the form and with content as reasonably required by the Grantor.

IX. ENVIRONMENTAL CONDITIONS

A. Environmental Review

The Grantee to comply with all local, state and federal associated statutes, laws and authorities related to the activities described in this Agreement; and to coordinate completion of an environmental review process with the Grantor for each scope of work for a particular site prior to a commitment of funding for such project. Such a review will include lead paint abatement, asbestos abatement, historic preservation, and other relevant environmental factors that could affect health, safety and preservation of the property. The Grantor will approve each scope of work and each environmental review prior to work being conducted at a specific site.

X. SUBCONTRACTS

All subcontracts awarded or entered into by the Grantee pursuant to this Agreement shall follow the provisions in Exhibit A, attached hereto and incorporated by reference herein, and shall be subject to the provisions contained therein.

XI. SEVERABILITY

If any provision of this Agreement is held invalid, the remainder of the Agreement shall not be affected thereby, and all other parts of this Agreement shall nevertheless be in full force and effect.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above.

Request for Board Action

DATE SUBMITTED: 10/21/2024

MEETING DATE: November 12, 2024

SUBMITTED BY:

DEPARTMENT: Police Department

Document Type: Resolution

SUBJECT/REQUEST

R-3649-24: Authorization to enter into a three-year contract with MDL Technology for Managed Services

BACKGROUND/JUSTIFICATION

The Police Department's use and dependence on technology has grown exponentially over the past decade. This increase is due to changes in the law enforcement industry itself, as well as increased reliance on IT systems for conducting day to day business. These IT systems have become critical to the function of the Police Department.

The Police Department's FY2024-2025 budget includes appropriation for managed services.

In May 2024, the Department broadcast a request for proposal for IT Managed Services. Three (3) vendors responded with proposals, which were certified as received by City of Raytown prior to the closing. Proposals were received by LanceSoft Inc., ItCon and MDL Technology.

The proposals were reviewed and discussed by Police Department personnel. One of the proposals came in at an annual cost of \$234,000.00 in addition to a \$20,000.00 start up fee. One of the proposals required an upfront fee of \$50,000.00, which included the first two months of service and after that would transition to a minimum of \$10,500.00 per month or \$155,000.00 annually. That proposal also included a list of additional fees applicable to professional services, which are commonly required by the Department, and are not included in the cost of \$155,000.00. The current technology vendor to the Department, MDL Technology's proposal was \$10,250.00 per month or \$123,000.00 annually.

At the conclusion of a thorough comparison and review, the panel of Police Department personnel collectively recommended MDL Technologies as the IT Managed Service provider. Not only are they the lowest and best bidder, but as our current IT provider they have consistently demonstrated a quality performance history, proven to be reliable and have a good working knowledge of the complexity and additional regulations placed on Criminal Justice Information Systems.

MDL Technology has agreed to maintain their pricing for three years from the initial date of the contract. MDL Technology bills monthly and the total cost for FY2024/2025 will be \$123,000.00 based on our current number of devices (workstations). As staffing improves,

we anticipate that throughout the year there will be a need to add two additional workstations, which would increase the monthly invoice by \$90.00 per device and the expense for managed services to a maximum of \$125,160.00 for FY2025.

Ongoing Managed Support and Maintenance

MDL Technology has two SOC 2 compliant data center locations that we can utilize to provide offsite replication solutions to our customers. In our data center presence, we utilize a 3rd party outsourced MDR service provided by Black Point Cyber that monitors our infrastructure 24X7 X 365 to protect our infrastructure. Part of our solution to the police department includes a fully managed Veeam onsite backup solution with offsite replication at our data center at Light Edge in the Hunt Midwest Caves as an offsite replication repository. We have configured the on-site backup device to replicate the backups to the offsite backup device at our data center.

MDL can restore and power on the servers that will be replicated to our data center in the event of a major extended outage at the police department.

Our MSP platform allows us to monitor server, network, and workstations for critical events and performance issues. Our remote support and management tools provide us with the resources to quickly identify the issues and to quickly resolve the issues remotely from our office. All of the support tickets and helpdesk requests are logged in our customer tracking and ticketing software. Customers have the option to open tickets via phone calls, emails, and our online customer portal. Assets and important configuration information are also kept in our online system. Patching of Microsoft OS and applications along with many popular third-party programs is also handled through our MSP platform. Our managed services include Webroot Endpoint protection that we can manage through the cloud based administrative portal.

Our service level agreement is outlined in the following table:

- Service Level Agreements

Issue	Priority	Response time
Service Not Available (All users and Functions Down)	1	<30 min
Significant Degradation of Service (Large Number of Users or Critical Functions Affected)	2	<60 min
Limited Degradation of Service (Limited Number of Users Affected)	3	<4 hrs
Small Service Degradation (Business Process Can Continue, One User Affected)	4	<24 hrs

We provide 24X7 support and our phones are answered 24 X 7 by a live person. Our helpdesk is available 7 a.m. to 5 p.m. Monday through Friday. Part of the service offerings contained in this proposal is one-hour response time for emergency on-site repairs. All of our technicians have completed a criminal background check.

SERVICE PLAN

THIS AGREEMENT, referred to as the “Agreement” and/or “Service Plan, dated this 9th day of November, 2024, is entered into between MDL Technology, LLC, a Missouri limited liability company, (hereinafter referred to as “Provider”) and City of Raytown Missouri Police Department (hereinafter referred to as “Customer”).

RECITALS

- (a) Provider desires to enter into an agreement whereby it will provide certain technology support services to Customer;
- (b) Customer is desirous of hiring Provider to supply technology support services to Customer; and
- (c) The parties have determined that it is necessary and desirable to document the terms of the Service Plan.

NOW THEREFORE, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree to the terms and conditions set forth in this Agreement.

1. Services to be Provided.

Provider will perform such duties as requested from time-to-time by Customer relating to support of information technology system. Provider will service the Personal Computers and Server of customer. Such services shall include, but not be limited to, maintaining the operational system, servicing and troubleshooting system issues as well as issues with the individual Personal Computers, and performing other services as agreed upon from time-to-time. The services provided will depend upon the Service Plan elected, but will include a set hourly on-site rate, a set emergency response fee, guaranteed response times, and remote off-site support sessions. Depending upon the Plan elected, additional services will be provided. The actual services provided will be in accordance with the Platinum Plan as set forth in Exhibit A attached. It shall be within the discretion of Provider as to what services Provider is obligated to provide pursuant to this Agreement.

2. Fees.

Customer will pay Provider a monthly fee of \$90 per Personal Computer and \$350 per Server, in accordance with the schedule on Exhibit “A” attached.

3. Procurement of Necessary Equipment, Hardware and Software.

Customer shall be obligated to pay for any equipment, hardware and software necessary to support Customer’s information technology system. Any additional purchase of equipment, hardware or software shall be made by the Customer or made by the Provider and invoiced directly to the Customer should the Customer and Provider agree to the same.

4. Term.

The term of this Agreement shall be three (3) years commencing on the date of the execution of this Agreement. Subject to annual appropriation, this Agreement shall renew on the anniversary of the execution of the Agreement for one-year increments unless either party provides notice no sooner than ninety (90) days prior to the expiration of the Agreement and no later than thirty (30) day prior to the expiration of the Agreement.

5. Proprietary Information.

Customer acknowledges that information will be disclosed to Customer by Provider or to which Customer will otherwise have access that may include confidential, business, trade secret, proprietary and other like information concerning the operation and maintenance of Customer's website performed by Provider. Customer agrees that such proprietary and like information will be the property of Provider and will be protected from disclosure by Customer unless required by law. Customer agrees it will use the information only as may be necessary in the course of fulfilling its contractual obligations with Provider and will treat such information as strictly confidential, that will not disclose information orally or in writing to any third party without the prior written consent of Provider and it will not otherwise appropriate information to its own use and the use of any other person or entity.

Provider acknowledges that information will be disclosed to it by Customer for which Provider will otherwise have access which may include confidential, business, trade secret, proprietary or other like information concerning Customer or third parties with whom Customer has an obligation of confidentiality. Provider agrees that it will use the information only as may be necessary in the course of fulfilling its obligations to Customer, that it will treat such information as strictly confidential, that it will not disclose information orally or in writing to any third party without the prior written consent of Customer, and that it will not otherwise appropriate information to its own use or to the use of any other person or entity. Without limiting the foregoing, Provider agrees to take at least such precautions to protect the information as it takes to protect Provider's own proprietary and confidential information, but in no event less than a reasonable standard of care. Provider shall establish and maintain safeguards against the destruction, loss or alteration of information in its possession that are no less rigorous than the policies, procedures and requirements Provider maintains for itself.

6. Computer System Access.

Customer hereby grants Provider access to Customer's computer system. Provider agrees that each employee, having access to the system:

- (a) will not allow unauthorized individuals access to Customer's system;
- (b) will keep strictly confidential any information that enables access to the system; and
- (c) will endeavor to protect the integrity of Customer's computer system.

7. Notification of Violations.

In the event Provider discovers or is notified of a breach or potential breach of security relating to any information, the system, this Agreement or any other applicable law or regulation, Provider shall immediately notify Customer of such breach or potential breach.

8. Insurance.

During the course of performing services under this Agreement, Provider agrees to maintain the following levels of insurance: (a) Commercial General Liability of at least \$1,000,000; (b) Professional Liability of at least \$1,000,000; and (c) Workers Compensation complying with applicable statutory requirements. Provider will add Customer as an additional insured to Provider's Commercial General Liability policies. Provider will provide Customer with copies of certificates of insurance upon written request.

Customer does not waive or intend to waive any sovereign immunity or official immunity provided to customer or its officials, officers or employees by the Constitution of the State of Missouri or by any federal, state or local law, ordinance or custom. To the extent that Provider is required to provide any insurance coverage to Customer or its officials, officers or employees, that coverage may not waive any immunity of any kind. Any certificate of insurance issued to or for Customer should state that the insurance provided is not a waiver, and is not intended to waive, any immunity (sovereign, official or other). Further, Provider's insurer(s) shall acknowledge that their coverage is not intended to, does not, and may not be construed to, waive any sovereign immunity or official immunity provided to the Customer or its officials, officers or employees by the Constitution of the State of Missouri or by any federal, state, or local law, ordinance or custom.

9. Customer's Indemnification.

Customer agrees that Provider is not responsible for any information provided to Provider pursuant to this Agreement. Customer agrees that Provider is not responsible for any problems or technical malfunction of any telephone, network or lines, computer online systems, servers or providers, computer equipment, software, failure of email or other technical problems that may cause injury or damage to Customer's business. Customer agrees that Provider is not responsible for any lost data, loss of sales or business interruption due to problems with hardware or software used by Customer and serviced by Provider. Customer agrees, to the extent permitted by law, to indemnify and hold Provider harmless for any action or suit by Customer or third party with regard to any loss or damage, including personal injury or death resulting from the items set forth above for which Provider takes no responsibility. Further, Customer, to the extent permitted by law, shall hold Provider harmless for any period of time in which Customer's system is down relating to a force of nature, act of God, or other natural disaster. Provider shall make attempts to assist Customer in returning service as soon as practical and reasonable, however Provider will have no liability associated with the instances set forth herein.

10. Independent Contractor.

Provider will act at all times as an Independent Contractor, and nothing contained in this Agreement shall be construed to create the relationship of principal and agent, or employer and employee, between Provider and Customer, or to make either Provider or Customer partners, joint venturers, principals, agents or employees of the other, or result in a joint service offering to their respective customers. Provider's employees or approved subcontractors assigned to perform the services for Customer are solely the employees or subcontractors of Provider or its third party providers and not the employees of Customer.

11. Warranties.

Provider gives no warranties relating to hardware or software. Any such warranties run from the manufacturer directly to Customer.

12. Scope of Work and Acceptance of Risk.

Provider work will be limited to that defined under this Agreement. Customer hires Provider to render advice from time to time regarding the computer system of Provider. Customer hereby understands that it takes action or fails to take action on the recommendations of Provider at its own peril. Provider does not assume any reasonability to Customer for work recommended by Provider that is not undertaken.

13. Assignment.

Provider shall not assign this Agreement to any party without the prior written consent of Customer. Moreover, Customer shall not assign this Agreement to any party without the prior written consent of Provider.

14. Survival of Options.

Notwithstanding the paragraph preceding, the obligations imposed by this Agreement shall survive termination of the business or contractual relationship between Provider and Customer.

15. Non-Waiver.

No delay or admission by Provider to exercise any right or power it has under this Agreement shall impair or be construed as a waiver of such right or power. A waiver by Provider of any breach or covenant shall not be construed to be a waiver of any succeeding breach or any other covenant. All waivers must be signed by Provider waiving its rights under this Agreement.

16. Amendments.

No amendment to, or change, waiver or discharge of, any provision of this Agreement will be valid unless in writing and signed by an authorized representative of each party.

17. Severability.

If any provision of this Agreement is held by a Court of competent jurisdiction to be contrary to law, then the remaining provisions of this Agreement, if capable of substantial performance, shall remain in full force and effect and such remaining provisions shall be deemed to be restated to reflect the original intentions of the parties as nearly as possible, in accordance with applicable law.

18. Governing Law.

This Agreement and rights and obligations of the parties under this Agreement shall be governed by and construed in accordance with the laws of the State of Missouri.

IN WITNESS WHEREOF, the parties have executed this Agreement by duly authorized representatives as of the day first above written.

Document Type: Resolution

SUBJECT/REQUEST

R-3650-24: Authorization for spending of \$56,500.00 with Global Software, Tac. 10.

BACKGROUND/JUSTIFICATION

Global Public Safety is the Records Management System, Jail Management and Computer Aided Dispatch system vendor the Police Department has used since 2005.

In December 2022, the Board of Alderman approved a seven year agreement with Global Public Safety that allowed the Police Department to transition to Global Public Safety’s newest software solution, Tac. 10. The agreement included a locked in rate of \$55,000.00 for annual maintenance and support for the seven year term running from 2023 through 2029 for those products listed in the initial scope of work. At the end of the term, the Department is under no obligation to continue with the product. In 2024, the Department added a new product, CAD viewer, to the existing software that will allow Department members access to view limited information on active calls for service that officers are dispatched on from their desktop computers. Since the Department did not have the CAD Viewer product prior to switching to the Tac.10 software and it was not included in the initial scope of work, there will be an additional cost of \$1,500.00 annually making the cost for FY2024-2025, \$56,500.00. Global Software provided the attached quote for the initial Tac. 10 software agreement, but was unable to provide a quote that included the \$1,500.00 additional for CAD viewer until such time the renewal invoice is generated in December.

This support plan is critical to the Department’s function as these systems directly affect how we respond to calls and investigate crimes. Our Records Management System also supplies our mandatory MIBRS tracking (Missouri Incident-Based Reporting System), which is used by the state to gather statistical information to report in NIBRS (National Incident-Based Reporting System).

RECOMMENDED MOTION

Approve spending of \$56,500.00 with Global Software inFY2025.

R-3651-24: America Rescue Plan Act (ARPA) Fund Transfer in the Amount of \$198,600.00 for the 2024-2025 Budget.

BACKGROUND/JUSTIFICATION

On August 20, 2024, Damon Hodges, City Administrator, updated the Board of Alderman on the American Rescue Plan Act (ARPA) funding. In addition, Damon Hodges explained which projects were going to utilize the ARPA funding. This resolution is a continuation of the allocation of funding for the specified projects discussed on the August 20, 2024, meeting. In order to utilize this funding, a budget transfer needs to occur to fund the specified projects. This budget transfer only addresses the projects being brought forth today. Public Works is making the request of \$198,600.00 to be transferred from the ARPA account and distributed to Storm Water Fund in the amount of \$198,600.00.

The \$198,600.00 ARPA funding will fund the following projects: 59th Street & Raytown Road Storm Water Project Engineering Oversight for 59th Street & Raytown Road Storm Water Project.

SUBJECT/REQUEST

R-3652-24: Authorization to approve an agreement with VF Anderson Builders for stormwater system improvements on 59th Street & Raytown Road at a cost not to exceed \$6,034,497.69.

BACKGROUND/JUSTIFICATION

This project is the Missouri Department of Natural Resources (MDNR) Grant that was awarded to the City of Raytown in 2022. Staff used our on-call engineer, Lamp Rynearson, who designed the storm water project to solicit bids for construction. The Public Works Department received 4 sealed bids that were opened on Friday, September 27, 2024, at 2:00pm. VF Anderson Builders is the lowest, responsive, responsible bidder with a total bid of \$5,485,906.99. MDNR and Lamp Rynearson have reviewed the bids and both recommended VF Anderson Builders bid for approval. Staff is requesting purchasing authority for an additional 10% contingency = \$548,590.70. Low bid amount of \$5,485,906.99 + \$548,590.70 = \$6,034,497.69.

VF Anderson Builders	= \$5,485,906.99
Infrastructure Solutions	= \$6,366,000.00
Radmacher Brothers	= \$6,720,743.60
Leath & Sons Inc.	= \$7,574,865.42

This work will consist of installing 6,958 feet of concrete storm pipe, 334 feet of storm water pipe (Cured In Place Piping) CIPP lining, 56 storm water inlets, 575 feet of sanitary sewer pipe, replacing 5 sanitary manholes, 3,900 feet of sidewalk, 6,962 feet of curb & gutter, and 2,521 tons of asphalt street surface.

Re: Raytown Road and 59th Street Storm Sewer Improvements

Dear Mr. Camp:

Bids were received for the above referenced project on Friday, September 27, 2024.

A total of four bids were received. Bids were competitive with two of the four bids being below the engineer's estimate. The low bid was submitted by VF Anderson Builders in the amount of \$5,485,906.99. The engineer's estimate for the project was \$6,395,843.40. Attached is a completed bid tabulation, and list of proposed subcontractors. The contractor proposes to complete approximately 74% of the work with their own forces.

We have previously worked with VF Anderson and found them to be a qualified contractor. After consultation with City staff, we recommend awarding the project to VF Anderson Builders in the amount of \$5,485,906.99 on the Raytown Road and 59th Street Storm Sewer Improvements Project.

You may contact me with any questions, or if you need additional information.

Sincerely,
LAMP RYNEARSON

Request for Board Action

DATE SUBMITTED: 10/28/2024

MEETING DATE: November 12, 2024

SUBMITTED BY:

DEPARTMENT: Public Works

Document Type: Resolution

SUBJECT/REQUEST

R-3653-24: A Resolution Approving a Task Order for the City's on-call engineering firm, Lamp Rynearson, to provide Oversight Services for the 59th Street and Raytown Road Storm Water Project

BACKGROUND/JUSTIFICATION

The City has an on-call engineering services agreement with Lamp Rynearson. The City will be using grant funding from the Missouri Department of Natural Resources (MDNR) for the 59th Street and Raytown Road Storm Water Project. This will require an extensive amount of oversight and therefore, the Public Works department recommends approval of a task order associated with the on-call engineering services agreement in which Lamp Rynearson will provide oversight and testing services for the 59th Street and Raytown Road Storm Water Project. Lamp Rynearson will provide all the required documents for the grant and report them to MDNR as well as to the City of Raytown.

RECOMMENDED MOTION

Staff recommends approval as submitted.

PREVIOUS ACTION

Resolution R-3278-20 approved the On-Call Engineering Services of Lamp Rynearson.
