DRAFT

CITY OF RAYTOWN
Request for Board Action

DATE SUBMITTED: 03/27/2025

MEETING DATE: April 1, 2025

SUBMITTED BY: **DEPARTMENT: Administration**

Document Type: Ordinance

SUBJECT/REQUEST

FIRST READING: Bill No. 6690-25, Section XVIII: an amendment to chapter 28

BACKGROUND/JUSTIFICATION

The City's current nuisance code (Chapter 28, Article XII) addresses many public health and property maintenance issues (such as trash, debris, and other dangerous conditions), but it does not explicitly address situations where illegal activities on a property constitute a chronic nuisance. In reviewing similar ordinances in neighboring communities, Alderman Myers noted that other surrounding cities have adopted a *"Prohibition against maintaining nuisances"* ordinance that holds property owners accountable for repeated illegal or dangerous activities on their premises. The attached ordinance proposal incorporates similar provisions – with appropriate modifications for Raytown – into our Code.

This amendment defines what constitutes an "illegal activity or nuisance" related to a property (e.g. drug sales, possession of stolen property, failure to evict or halt unlawful use) and mandates that property owners or occupants take prompt action when notified by law enforcement of such conditions. It also empowers the City to seek injunctive relief through the courts to abate serious nuisances, consistent with the authority granted to fourth-class cities under Missouri law (RSMo Section 79.380). For example, Section 79.380, RSMo, explicitly authorizes the City to "prevent and remove nuisances", and Section 79.383, RSMo, permits cities to pursue civil actions for nuisance abatement (including recovery of related costs).

RECOMMENDED MOTION

PREVIOUS ACTION

Alderman Myers presented a draft of this amendment during the March 18, 2025 Board of Aldermen meeting. During that meeting the Board voted 10-0 to direct staff to review the draft amendment with the City Attorney and bring back the item to the next Board of Aldermen meeting.

AN ORDINANCE AMENDING CHAPTER 28, ARTICLE XII OF THE CODE OF ORDINANCES OF THE CITY OF RAYTOWN, MISSOURI, BY ADDING SECTION 28-452 TO ESTABLISH REGULATIONS PROHIBITING THE MAINTENANCE OF NUISANCES AND UNLAWFUL ACTIVITIES ON PRIVATE PROPERTY, REQUIRING COOPERATION WITH LAW ENFORCEMENT IN ABATING SUCH NUISANCES, AND PROVIDING FOR ENFORCEMENT REMEDIES

WHEREAS, under the current Raytown Code of Ordinances it is unlawful to create or maintain a nuisance, and property owners, as well as occupants and agents, are responsible for keeping their premises free of nuisances; and

WHEREAS, similar cities, including those of Fourth Class, within the Kansas City Metropolitan Area have enacted nuisance ordinances prohibiting property owners from *"knowingly failing to abate any illegal activity upon, or nuisance related to"* their property, and requiring cooperation with law enforcement to eliminate such nuisance activities; and

WHEREAS, the Board of Aldermen finds that adopting similar provisions in Raytown will strengthen the City's ability to address chronic nuisance properties (such as those involving repeated illegal drug activity, stolen property, or other unlawful acts) in order to protect the public health, safety, and welfare. The Board further finds that this amendment is consistent with Missouri law, which authorizes fourth-class cities to prevent and remove nuisances and to pursue civil actions to abate nuisances when necessary.

NOW THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF RAYTOWN, MISSOURI, AS FOLLOWS:

SECTION 1 – AMENDMENT. Chapter 28, Offenses and Nuisances, Article XII Nuisances, of the Code of Ordinances of the City of Raytown is hereby amended by adding a new Section 28-452, "**Prohibition Against Maintaining Nuisances**," to read as follows (with all other provisions of Chapter 28 Article XII to remain unchanged):

Sec. 28-452. Prohibition against maintaining nuisances.

A. It shall be unlawful for any owner, occupant, or other person or legal entity with a lawful right to the use and enjoyment (the "Party") of any property to knowingly fail to abate any illegal activity upon, or any nuisance related to, that property so owned or occupied, or for which such person has a legal right of use.

B. For purposes of this section, the expression "illegal activity upon, or nuisance related to" any property means:

   1. any activity which causes hurt, inconvenience, or damage, or otherwise interferes with the enjoyment of life or property, or causes danger to the public, by any person on the property;

   2. the possession, sale, or distribution of any unlawful substance, product, or service upon the property by any person on the property;

   3. the knowing failure to report the unlawful possession, sale, or distribution of drugs or alcohol by third parties on the property;

4. the possession, storage, sale, or other transfer of stolen property or other contraband on the property by any person on the property; or

5. any other activity occurring on the property that is classified as a violation, misdemeanor, or felony under any applicable municipal, county, state, or federal law.

C. Upon receipt of written notice from law enforcement authorities that a specified unlawful activity or nuisance as described in subsection (B) has occurred upon a property, the Party shall have ten (10) days to provide a written response to the City detailing the steps they will take to abate the nuisance or unlawful activity (the "Abatement Plan").

1. The City may agree to an extension of the ten (10) day timeframe for good cause shown. "Good cause" is where the Party can demonstrate in writing an unexpected or unavoidable hindrance to being able to provide the written response and is not due to Party's carelessness or willful disregard.

2. The written Abatement Plan shall include: the nuisance activity, name and contact information for the specific person who is in charge of or overseeing abating the nuisance activity on behalf of the Party, the immediate steps the Party will take to abate the nuisance, names and contact information for third-parties that are assisting with the abatement process, detailed timeline of the abatement process and when the nuisance activity will be abated, and any other information related to the abatement of the nuisance as requested by the City.

3. If the City determines that the response does not include, at a minimum the information set forth in subsection C.2 above, or if no response is received, the City may take further enforcement action, including but not limited to: instituting legal proceedings to evict offending tenants, posting the property against trespassers, or any other necessary and prudent actions to prevent the continuation of the nuisance. Refusal to cooperate with a valid law enforcement request for assistance shall constitute a knowing failure to abate the nuisance or unlawful activity in violation of subsection (A) of this section.

D. Nothing in this section shall be construed to prevent law enforcement officials from coordinating enforcement with county, state, or federal authorities when prosecution under other applicable criminal or civil laws is already being pursued. However, the City's law enforcement officials shall retain primary responsibility for the enforcement of this section.

E. In addition to the penalties and remedies otherwise provided in this Code, the City Attorney is authorized to bring and maintain a civil action in the name of the City of Raytown in any court of competent jurisdiction to permanently enjoin the maintenance of a nuisance or the continuation of unlawful activity on any property within the corporate limits of the City of Raytown, and/or to seek condemnation of such property when warranted. In any such condemnation action, the City Attorney may introduce evidence of the City's costs of nuisance abatement activities (including law enforcement investigative costs) as an offset against the fair market value of the property as provided by law in cases where the property owner has failed to take corrective action after receiving proper notice as outlined in subsection (C).

F. In addition to the public remedies set out above, any person who is adversely affected by the nuisance or unlawful activities described in this section may, in addition to any other remedy available at law or equity, apply to any court of competent jurisdiction for an order to permanently enjoin the continued maintenance of such nuisance or unlawful activity on any property within the City of Raytown.

G. This section shall be in addition to, and not replace or limit, any other enforcement provisions provided by law or in this Code. Nothing in this section shall be interpreted as restricting the City's ability to enforce nuisance violations under other provisions of this Chapter or any other applicable ordinance.

SECTION 2 – REPEAL OF CONFLICTING ORDINANCES. All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 3 – SEVERABILITY. The provisions of this ordinance are severable, and if any provision hereof is declared invalid, unconstitutional, or unenforceable by a court of competent jurisdiction, such determination shall not affect the validity of the remainder of this ordinance.

SECTION 4 – EFFECTIVE DATE. This ordinance shall be in full force and effect from and after the date of its passage and approval.

BE IT REMEMBERED that the above Ordinance was introduced and read two times by title only, **PASSED and ADOPTED** by a majority of the Board of Aldermen, and **APPROVED** by the Mayor of the City of Raytown, Missouri, on this __ day of April, 2025.

R-3698-25: Rescinding R-3697-25, an agreement with Enterprise Fleet Management

BACKGROUND/JUSTIFICATION

I appreciate the city wanting to bring our vehicles up to today's standards, but I am concerned about the long-term fiscal impact on the budget, and we need to be cognizant that every budget decision is both necessary and sustainable. I'm not sure spending this amount of money every year on leases is the best way to get our staff the vehicles they need. Maybe there is a better deal or process that we haven't investigated.

Rescinding the resolution would give us time to figure out what is best for the budget, city and staff.

Alderman Bonnaye Mims

NOTE FROM CITY ATTORNEY
Under Robert's Rules of Order, any member, regardless of how the member voted on the original question, can make a motion to Rescind Something Previously Adopted. The motion will need to be seconded. If notice of the motion is given, then a majority vote is required to rescind. Notice should include an explanation of why Alderwoman Mims wants to rescind the approval of Resolution R-3697-25. If no notice is given, then it requires a 2/3rds vote or a majority of the entire membership.

R-3700-25: Approval of rates for medical, dental, and vision insurance for the plan year from July 1, 2025 - June 30, 2026

BACKGROUND/JUSTIFICATION

The City has received the premium renewal rates from Midwest Public Risk (MPR). Each year, MPR reviews the benefit structure and pricing to assure the program remains competitive and pricing can support it.

The City currently offers three levels of medical coverage: Employee, Tier 2, and Family. Each level has three plan options: INO 500, Copay 1500 and Qualified High Deductible Health Plan 2000 (QHDHP 2000). This year we received notice that there was a 3% increase in premium costs for all medical. We are pleased that there was no increase in premium costs for dental or vision coverage. Please see attached Exhibit A for the actual rates for the City,

R-3701-25: Passage of Resolution demonstrating the City of Raytown's Commitment to Public Safety

BACKGROUND/JUSTIFICATION

Governor Mike Kehoe recently announced that Missouri counties, towns, and cities may apply for the Missouri Blue Shield designation, recognizing their commitment to enhancing public safety, strengthening support for law enforcement, and building sustainable public safety partnerships.

The City of Raytown consistently explores opportunities to obtain outside funding sources to improve the quality of life, economic growth, and overall safety of the community. Obtaining a **Blue Shield** designation would provide additional funding opportunities through the State of Missouri for the Blue Shield communities to apply for grant funding to be used for law enforcement training and equipment.

Among the Blue Shield designation eligibility requirements is the passage of a resolution specifically demonstrating the City of Raytown’s commitment to public safety, including the commitment to reducing violent crime in our jurisdiction. Currently, the City of Raytown meets all other eligibility criteria including, in part:

- Compliance with Missouri crime reporting and traffic stop data reporting and other related statutes.
- Law enforcement officer recruitment and retention programs.
- Extraordinary investments in public safety funding.
- Participation in regional anti-crime task forces, or a commitment to be a willing partner with these in the future.
- Demonstrated effectiveness in reducing crime or programs that attempt to reduce crime.

The program anticipates the ability to offer $10 million in grant funding opportunities to Missouri Blue Shield Communities after the funding is approved by the General Assembly in July.

We propose the attached resolution demonstrating the City of Raytown's commitment to public safety, including the commitment to reducing violent crime.
