DEPARTMENT: Parks

Document Type: Resolution

SUBJECT/REQUEST

R-3733-25: Amending the Parks mowing agreement with A-1 Landscaping DBA KC Elite Management

BACKGROUND/JUSTIFICATION

The lowest bidder for the FY 2024/2025 Parks mowing contract, A-1 Landscaping, submitted a bid of \$31,900 based on 20 mowings which was accepted by the City. The Parks Dept budgeted \$50,000 for the FY 2024/2025 mowing season. We are asking the Board of Aldermen to increase the current purchase order from \$31,900 to the budgeted \$50,000 for us to reach the end of the 2025 mowing season. This would be an amendment to the current agreement, adding an additional \$18,100, in order to reach the \$50,000 amount budgeted for mowing. This is needed in part due to adding a new property to the mowing schedule at our redeveloped 53rd Street property, Terry Copeland Park.

With the funds in place for the FY 2024/2025 Parks budget, we would like to have our contractor continue their work as the lower bidder for the rest of the mowing season. We will need to increase the purchase order amount as we added one of the properties listed in the bid documents as a bid alternate, and have added a newly redeveloped park property to the workload. The funds are already in the Parks budget for the mowing contract.

RECOMMENDED MOTION

Staff recommends an amendment to the agreement for an additional \$18,100.

SUBMITTED BY:

DEPARTMENT: Police Department

Document Type: Resolution

SUBJECT/REQUEST

R-3734-25: Budget Amendment-Increase Authorized Police Officer Positions

BACKGROUND/JUSTIFICATION

As part of the Police Department's continued efforts to improve public safety, a request is being made to increase the number of full-time sworn personnel (FTE) by 4 positions by way of a mid-year budget adjustment. Once training is completed, these positions will be specifically designated to increase dedicated traffic enforcement efforts, improve response times for 911 calls as well as non-emergency times and increase uniformed officer proactive visibility within the community. All of these initiatives/efforts are regularly requested from citizens in a variety of communications. Additionally, the Police Department currently has 4 qualified applicants waiting in the hiring process, which would facilitate these additions almost immediately and sustain the hiring momentum that has been created.

The fiscal impact includes salary and benefits equating to a total cost of compensation through the remainder of FY2025. These positions will be included as part of the Police Department's FY26 budget request. Training and uniform costs will be absorbed within the current budget.

SUBJECT/REQUEST

R-3737-25: Road improvements connecting City of Raytown Roads to the City of Kansas City Missouri Road improvement Program in the amount of \$121,083.27

BACKGROUND/JUSTIFICATION

The Public Works Department wishes to utilize a cooperative purchase with KCMO for milling and overlay services of certain named streets (listed below). The City does not have the resources to perform such repairs on its own in the timeframe that would coincide with the repairs that KCMO is doing on its streets in the area. The City of Raytown Public Works Department has worked to collaborate with KCMO on the timing of their resurfacing program since April 2025. On Friday, July 11, 2025, KCMO verified the streets in which they were working near our City Limit, but this date coincided with the project start date, which did not give the City time to issue an RFP to said services. In order to benefit from the cost of the KCMO contract, the Public Works Department is asking the City to utilize a cooperative purchase with KCMO for milling and overlay of the following areas which are located on the attached map:

to the intersection.

The total cost of this purchase will be \$121,083.27. Public Works has funding available to fulfill this request out of the Transportation Sales Tax Fund.

Public Works requests approval of a cooperative purchase with KCMO as an emergency purchase.

Inter-office Memorandum

Date: July 14, 2025
Subject: EMERGENCY ROAD REPAIR
To: Diane Egger, City Manager
Cc: Michael Graham, Finance Director
From: Robinson Camp, Director of Public Works

Diane,

I need to make an EMERGENCY ROAD REPAIR to various road locations throughout the City of Raytown. JM Fahey is currently working for City of Kansas City Missouri (KCMO), on their resurfacing program. Since April of 2025, the City of Raytown Public Works Department has been trying to collaborate with KCMO on the timing of their resurfacing program. On Friday, July 11, 2025, KCMO finally verified the streets in which they were working near our City Limit area and provided the cost sharing in those areas. Unfortunately, when they provided the cost sharing, they also shared that the project started that same day.

In order to benefit from the cost of the KCMO contract, the Public Works Department is asking for an Emergency expenditure to KCMO. We had previously done an emergency purchase last year concerning the same issue with KCMO which the board approved on October 15, 2024 with Resolution R-3646-24. Since the board of Alderman will not meet until August 12, 2025, Public Works is requesting an emergency purchase for the milling and overlay of the following areas which are located on the attached map:

E 53rd Street & Blue Ridge Blvd
Ridgeway & Blue Ridge Blvd
E 55th Street & Woodson Rd

Inter-office Memorandum

The total cost of this purchase will be \$121,083.27. Public Works has funding available to fulfill this request out of the Transportation Sales Tax Fund – Capital Expenditure, fund 204-62-00-100-57000.

I am requesting this to be an emergency purchase and need to waive the competitive bidding requirements stated in section 2.1:

Competitive bidding shall not be required when the City Administrator has declared, in writing, the purchase to be an emergency. Purchases in excess of fifteen thousand dollars (\$15,000) made under the provisions of this exception shall be reported to the Board of Aldermen at its next regularly scheduled meeting. Further rules and regulations can be found in section 6 of this policy;

In addition to section 2.1, section 6.1 states:

An emergency shall be defined as a situation in which the department operations would be severely hampered or a situation in which the preservation of life and property would not be possible.

I believe that if the City of Raytown does not get approval for KCMO, the mill and overlay of the various areas will have to be postponed until next year, which will increase prices.

Sincerely,

CITY OF RAYTOWN Request for Board Action

DATE SUBMITTED: 07/29/2025

MEETING DATE: August 12, 2025

SUBMITTED BY:

DEPARTMENT: Administration

Document Type: Resolution

SUBJECT/REQUEST

R-3738-25: Authorizing the submission of a grant application for community engagement activities to the Truman Heartland Community Foundation

BACKGROUND/JUSTIFICATION

This Resolution has been amended. The authorization amount has not changed; however, the verbiage in the actual Resolution was changed to meet the requirements of the grant per Truman Heartland.

On December 18, 2001, the Board of Aldermen approved Resolution 1271-01 recognizing the Truman Heartland Community Foundation and agreed to create a philanthropic fund for the community called Raytown Community Foundation Funds. The Raytown Community Foundation was created for the purpose of acquiring contributions for use in various projects for the betterment of the community, such as community engagement and civic events. The funds from the Raytown Community Foundation Fund shall be distributed only to the City of Raytown for charitable and civic purposes and programs.

The Raytown Community Foundation continues to support initiatives that enhance the quality of life for residents by encouraging charitable contributions under Section 501(c)(3) of the Internal Revenue Code. Over the years, annual contributions have grown the Foundation's assets, allowing for meaningful reinvestment in community projects.

The City is seeking the Board of Aldermen's approval to submit a grant application to the Raytown Community Foundation Fund. The grant request would be \$16,000.00. If awarded, the grant would fund the purchase of a new Christmas tree, including decorative lighting, ornaments, and a tree topper, to be used as a central feature of the City's annual Holiday Tree Lighting Ceremony. Additionally, the grant would cover the labor costs associated with the installation and take down the tree for the first year.

This investment will enhance the holiday experience for residents and visitors alike and contribute to the continued tradition of community celebration during the holiday season.
