ATTACHMENT A – SCOPE OF SERVICES

Description of Services

1. Project Understanding

The City of Raytown requires a comprehensive Wastewater Master Plan to guide investment decisions, infrastructure planning, regulatory compliance, and capacity management through 2045. NEER has already developed a detailed PCSWMM hydraulic model calibrated to 2023/2024 flow monitoring data. This foundational work enables a more focused and cost-effective approach to the Master Plan.

2. Scope of Services

Task 1: Project Coordination and Data Review

This task will initiate the planning process with a project kickoff meeting involving NEER and the City of Raytown. The purpose is to align expectations, confirm objectives, and establish a data-sharing protocol. NEER will review all available GIS layers, model input files, CCTV records, and previous planning or CIP documents. The review will help identify any missing or outdated data critical for master planning and allow NEER to refine the project scope based on current conditions. A consolidated data inventory and gap assessment will be provided at the end of this task.

Task 2: Existing System Assessment (Condition & Risk Evaluation)

NEER will leverage its existing LoF (Likelihood of Failure) and CoF (Consequence of Failure) scores previously developed for Raytown's wastewater assets. These scores, based on asset material, age, inspection data, and service history, will be reviewed and validated with the City. The goal of this task is to integrate the risk-based framework into the Master Plan to identify priority assets for rehabilitation or replacement. Condition and risk heat maps will be generated using this existing dataset, streamlining the evaluation process and reducing costs.

Task 3: Future Land Use and Flow Projections

NEER will work with City planning staff to gather current and projected land use information through 2045. Based on this data, the team will estimate future residential and non-residential developments in terms of Equivalent Dwelling Units (EDUs). Sanitary flow projections for both 10-year and 20-year horizons will be calculated using standard peaking and inflow factors. These

projections will be assigned to appropriate model subcatchments and included in future scenario modeling.

Task 4: Hydraulic Capacity Evaluation

Using the existing PCSWMM model, NEER will simulate the current and future performance of the wastewater system. The model will be run under various storm scenarios, including 5-, 10-, and 50-year design storms. Key performance indicators such as hydraulic grade line (HGL) elevation, pipe capacity utilization (q/Q), and surcharge conditions will be evaluated. NEER will identify sections of the network that are currently under stress or are expected to experience future capacity issues.

Task 5: Infiltration/Inflow (I/I) Evaluation

This task focuses on identifying basins or subcatchments within the system that are experiencing excessive I/I. NEER will use existing flow monitoring and model outputs to analyze rainfall-derived I/I and compare peak wet weather flows to expected base flows. Basins will be ranked based on severity, and recommendations will be made for targeted I/I reduction strategies such as rehabilitation, private lateral replacement, or sump pump disconnection programs.

Task 6: Capital Improvement Plan (CIP)

Based on the findings from Tasks 2 through 5, NEER will develop a comprehensive Capital Improvement Plan. The CIP will include projects needed to address capacity limitations, asset deterioration, and I/I reduction. Projects will be grouped into three planning horizons: 0–5 years, 6–10 years, and 11–20 years. Each project will include a planning-level cost estimate based on unit prices and quantities. Maps and summary tables will be provided to facilitate implementation.

Task 7: Stakeholder Coordination and Review

NEER will engage with City staff through a series of coordination and review meetings. These meetings will occur at key milestones: project kickoff, interim findings, and final draft. During each session, NEER will present progress, answer questions, and incorporate feedback. The purpose of this task is to ensure that the Master Plan aligns with City goals, reflects local knowledge, and earns stakeholder buy-in.

Task 8: Final Report and Deliverables

This task involves compiling all analyses, findings, recommendations, and supporting materials into a single comprehensive Wastewater Master Plan report. The report will include an executive summary, maps, tables, model results, and a prioritized CIP. NEER will also deliver the

updated PCSWMM model, GIS shapefiles, and any other supporting documentation in digital format.

3. Project Budget

Labor Category	Rate	Hours	Total
Project Manager	\$180/hr	70	\$12,600
Engineer	\$140/hr	240	\$33,600
GIS/Data Analyst	\$100/hr	38	\$3,800
Total Budget			\$50,000

4. Project Schedule

- **Kickoff:** Within 1 week of Notice to Proceed
 - **Draft Report:** Within 120 days
 - **Final Report:** Within 180 days
-

5. Assumptions

- Existing PCSWMM model and flow data will be used.
 - No new flow monitoring is included.
 - Up to 3 review meetings; additional upon request.
-

6. Conclusion

Section 5. The Mayor shall preside over the hearing before the Board of Impeachment and shall make all rulings on procedural, evidentiary, or other matters brought to his attention and shall take all such action necessary or desirable to facilitate the prompt and fair hearing and consideration of the charges. The Mayor may be assisted by a legal advisor, selected by and at the request of the Mayor. The Mayor is further authorized to enter into an agreement on behalf of the City with the legal advisor and, if in the opinion of the Mayor it is advisable, to select and appoint Special Counsel to act in place of the City Attorneys.

Section 6. Under the authority granted in § 79.240 of the Code, the Board declares that a contested case hearing before the Board of Impeachment shall be conducted in accordance with the Missouri Administrative Procedure Act (MAPA), and not under the formal rules of evidence, criminal or civil procedure codes. As such, the Board declares that the manner of the impeachment shall include, and adopts, the MAPA (Chapter 536 RSMo.), excluding 1) provisions inapplicable to a contested case and 2) § 536.073 and § 536.075. The Board of Impeachment shall consider the evidence, arguments of counsel, and written briefs of the parties, if any, and shall cause written findings of fact and conclusions of law to be had on the charges presented. The decision of the Board shall be published, along with such further action(s) as may be authorized or required.

Section 7. This action is taken by and on the recommendation of the Board of Aldermen and with the Mayor’s approval or recommendation; as a result, a simple majority vote of all members of the Board of Impeachment (under the normal voting rules of the Board of Aldermen, including the Mayor’s tie breaking prerogative) is required to support a finding of guilt and imposition of discipline, up to and including removal from office, pursuant to § 79.240 of the Code. The vote of any Board member who recuses or abstains from the vote, shall be recorded as a vote against impeachment on all counts.

CITY OF RAYTOWN, MISSOURI**

**IN THE MATTER OF THE IMPEACHMENT
OF LATRICE THOMAS:**

ARTICLES OF IMPEACHMENT

WHEREAS, Latrice Thomas (“Respondent”) was elected an Alderwoman of the City of Raytown, Missouri.

WHEREAS, the Board of Aldermen with the consent and approval of the Mayor passed an ordinance, in accordance with § 79.240 RSMo., authorizing proceedings to consider the discipline of Latrice Thomas as an Alderwoman of the City of Raytown – up to and including removal – for alleged acts of misfeasance, malfeasance, and/or nonfeasance as described in these Articles of Impeachment with good cause shown.

NOW THEREFORE, the City of Raytown, Missouri, pursuant to § 79.240 RSMo., hereby issues the following charges and Articles of Impeachment against Raytown Alderwoman Latrice Thomas:

GOVERNING LAW AND JURISDICTION

The City of Raytown is a fourth-class city of the State of Missouri. Missouri Statute § 79.240 provides in part:

The Mayor may, with the consent of a majority of all the members elected to the Board of Aldermen, remove from office, for cause shown, any elective officer of the City, such officer being first given opportunity, together with his/her witnesses, to be heard before the Board of Aldermen, sitting as a Board of impeachment.

Thus, removal of an Alderman is authorized on a majority vote of the Board of Aldermen. There are ten elected Aldermen in the City of Raytown, so a vote of six or more Aldermen is required

to impeach; however, in the event of a tie vote among the Aldermen, § 79.120 RSMo. authorizes the Mayor to cast a vote and break the tie. As set out in the Ordinance of Impeachment, each Board member who abstains shall be counted in the Respondent's favor as a vote against impeachment.

The Missouri Court of Appeals in *Fitzgerald v. City of Maryland Heights* clarified the term "for cause." *Fitzgerald v. City of Maryland Heights*, 796 S.W.2d 52 (Mo. App. E.D. 1990).¹ The Court held that "the appropriate meaning of the 'for cause' standard for impeachment ... should ... specifically relate to and affect the administration of [the] office, and ... be ... of a substantial nature directly affecting the rights and interests of the public." *Fitzgerald*, 796 S.W.2d at 56 (citing *McCallister v. Priest*, 422 S.W.2d 650 (Mo. banc 1968)). The Court further explained "cause" should be "limited to objective reasons which reasonable people, regardless of their political persuasion, could agree would render any [office holder's] performance ineffective." *Id.*

Fitzgerald defines three types of "cause" that support removal from office: (1) misfeasance, (2) malfeasance, and (3) nonfeasance. According to *Fitzgerald*, misfeasance is the improper performance of some act that may lawfully be done; malfeasance is the commission of some act wholly beyond the actor's authority; and, nonfeasance is the failure to perform a required duty. *Id.* at 56-57. See also, *State ex rel. Powell v. Wallace*, 718 S.W.2d 545, 549 (Mo.App. 1986) and *State ex rel. Hall v. Wolf*, 710 S.W.2d 302, 304-305 (Mo.App. 1986). A finding of any of these is sufficient to support removal from office under Statute and *Fitzgerald*.

¹ The removal in *Fitzgerald* involved a third-class city and thus revolved around § 77.340 (Mayor and City Counsel vs Mayor and Board of Aldermen). As the Court in *Fitzgerald* observed, however, there is no difference in the "for cause" provision in § 77.340 and § 77.240, and the Court's definition of "for cause" in *Fitzgerald* is equally applicable to both statutes.

CHARGES

The Board of Aldermen, with the Mayor's approval and recommendation, has caused these Articles of Impeachment to be filed pursuant to the authority granted in § 79.240 RSMo. and associated laws of the State of Missouri cited herein.

ARTICLE I

The City of Raytown, Missouri alleges that Alderwoman Latrice Thomas, in conjunction with her official duties, has engaged in conduct constituting malfeasance in office (malfeasance is the commission of some act wholly beyond the actor's authority). Specifically:

Latrice Thomas, in the execution of her duties as an elected official of the City of Raytown, on or about April 22, 2025, committed Official Act 1 on behalf of the City of Raytown despite failing to meet the statutory requirements for candidacy when elected Alderwoman for the City of Raytown.

Latrice Thomas was elected Alderwoman of the City of Raytown on or about April 8, 2025, and took the oath of office on or about April 22, 2025. She submitted her name for candidacy for City of Raytown Alderwoman and took the oath of office despite failing to meet the Missouri statutory requirements for candidacy at the time of her election. Missouri law is clear. An individual does not meet the statutory requirements to be elected an Alderperson of the City of Raytown if they are delinquent in the filing or payment of any state income taxes, personal property taxes, municipal taxes, or real property taxes on their place of residence. A letter provided by the Missouri Department of Revenue on April 23, 2025 provided prima facie evidence Ms. Thomas was delinquent in the filing or payment of state income taxes, personal property taxes, municipal taxes, or real property taxes on her place of residence at the time of her April 8, 2025 election to the City of Raytown Board of Aldermen. A letter from The Missouri

Department of Revenue dated June 10, 2025 stated that, as of that date, Ms. Thomas still had not paid her taxes.

Alderwoman Thomas' action alleged in **ARTICLE I** amounts to malfeasance as it was the commission of an act wholly beyond Alderwoman Thomas' authority. If a candidate for Alderperson fails to meet the statutory requirements for candidacy at the time of election, she cannot lawfully be elected to the position of Alderperson. Any action taken on behalf of the City of Raytown by an individual unlawfully elected to the position of Alderperson is an action "wholly beyond" the individual's authority – and thus, malfeasance.

ARTICLE II

The City of Raytown, Missouri alleges that Alderwoman Latrice Thomas, in conjunction with her official duties, has engaged in conduct constituting malfeasance in office. Specifically:

Latrice Thomas, in the execution of her duties as an elected official of the City of Raytown, on or about May 6, 2025, committed Official Act 2 on behalf of the City of Raytown despite failing to meet the statutory requirements for candidacy when elected Alderwoman for the City of Raytown.

Latrice Thomas was elected Alderwoman of the City of Raytown on or about April 8, 2025, and took the oath of office on or about April 22, 2025. She submitted her name for candidacy for City of Raytown Alderwoman and took the oath of office despite failing to meet the Missouri statutory requirements for candidacy at the time of her election. Ms. Thomas did not meet the statutory requirements to be elected an Alderperson of the City of Raytown because she was delinquent in the filing or payment of state income taxes, personal property taxes, municipal taxes, or real property taxes on her place of residence at the time of her election. A letter provided by the Missouri Department of Revenue on April 23, 2025 provided prima facie

evidence Ms. Thomas was delinquent on her taxes at the time of her April 8, 2025 election to the City of Raytown Board of Aldermen.

Alderwoman Thomas' action alleged in **ARTICLE II** amounts to malfeasance as it was the commission of an act wholly beyond Alderwoman Thomas' authority. As candidate Thomas failed to meet the statutory requirements for candidacy at the time of her election, she could not lawfully be elected to the position of Alderperson. Any action taken on behalf of the City of Raytown by Alderwoman Thomas following her unlawful election to the position of Alderperson was an action "wholly beyond" Ms. Thomas' authority – and thus, malfeasance.

ARTICLE III

The City of Raytown, Missouri alleges that Alderwoman Latrice Thomas, in conjunction with her official duties, has engaged in conduct constituting malfeasance in office. Specifically:

Latrice Thomas, in the execution of her duties as an elected official of the City of Raytown, on or about May 6, 2025, committed Official Act 3 on behalf of the City of Raytown despite failing to meet the statutory requirements for candidacy when elected Alderwoman for the City of Raytown.

Latrice Thomas was elected Alderwoman of the City of Raytown on or about April 8, 2025, and took the oath of office on or about April 22, 2025. She submitted her name for candidacy for City of Raytown Alderwoman and took the oath of office despite failing to meet the Missouri statutory requirements for candidacy at the time of her election. Ms. Thomas did not meet the statutory requirements to be elected an Alderperson of the City of Raytown because she was delinquent in the filing or payment of state income taxes, personal property taxes, municipal taxes, or real property taxes on her place of residence at the time of her election. A letter provided by the Missouri Department of Revenue on April 23, 2025 provided prima facie

evidence Ms. Thomas was delinquent on her taxes at the time of her April 8, 2025 election to the City of Raytown Board of Aldermen.

Alderwoman Thomas' action alleged in **ARTICLE III** amounts to malfeasance as it was the commission of an act wholly beyond Alderwoman Thomas' authority. As candidate Thomas failed to meet the statutory requirements for candidacy at the time of her election, she could not lawfully be elected to the position of Alderperson. Any action taken on behalf of the City of Raytown by Alderwoman Thomas following her unlawful election to the position of Alderperson was an action "wholly beyond" Ms. Thomas' authority – and thus, malfeasance.

ARTICLE IV

The City of Raytown, Missouri alleges that Alderwoman Latrice Thomas, in conjunction with her official duties, has engaged in conduct constituting malfeasance in office. Specifically:

Latrice Thomas, in the execution of her duties as an elected official of the City of Raytown, on or about May 20, 2025, committed Official Act 4 on behalf of the City of Raytown despite failing to meet the statutory requirements for candidacy when elected Alderwoman for the City of Raytown.

Latrice Thomas was elected Alderwoman of the City of Raytown on or about April 8, 2025, and took the oath of office on or about April 22, 2025. She submitted her name for candidacy for City of Raytown Alderwoman and took the oath of office despite failing to meet the Missouri statutory requirements for candidacy at the time of her election. Ms. Thomas did not meet the statutory requirements to be elected an Alderperson of the City of Raytown because she was delinquent in the filing or payment of state income taxes, personal property taxes, municipal taxes, or real property taxes on her place of residence at the time of her election. A letter provided by the Missouri Department of Revenue on April 23, 2025 provided prima facie

evidence Ms. Thomas was delinquent on her taxes at the time of her April 8, 2025 election to the City of Raytown Board of Aldermen.

Alderwoman Thomas' action alleged in **ARTICLE IV** amounts to malfeasance as it was the commission of an act wholly beyond Alderwoman Thomas' authority. As candidate Thomas failed to meet the statutory requirements for candidacy at the time of her election, she could not lawfully be elected to the position of Alderperson. Any action taken on behalf of the City of Raytown by Alderwoman Thomas following her unlawful election to the position of Alderperson was an action "wholly beyond" Ms. Thomas' authority – and thus, malfeasance.

ARTICLE V

The City of Raytown, Missouri alleges that Alderwoman Latrice Thomas, in conjunction with her official duties, has engaged in conduct constituting malfeasance in office. Specifically:

Latrice Thomas, in the execution of her duties as an elected official of the City of Raytown, on or about May 20, 2025, committed Official Act 5 on behalf of the City of Raytown despite failing to meet the statutory requirements for candidacy when elected Alderwoman for the City of Raytown.

Latrice Thomas was elected Alderwoman of the City of Raytown on or about April 8, 2025, and took the oath of office on or about April 22, 2025. Ms. Thomas did not meet the statutory requirements to be elected an Alderperson of the City of Raytown because she was delinquent in the filing or payment of state income taxes, personal property taxes, municipal taxes, or real property taxes on her place of residence at the time of her election. A letter provided by the Missouri Department of Revenue on April 23, 2025 provided prima facie

evidence Ms. Thomas was delinquent on her taxes at the time of her April 8, 2025 election to the City of Raytown Board of Aldermen.

Alderwoman Thomas' action alleged in **ARTICLE V** amounts to malfeasance as it was the commission of an act wholly beyond Alderwoman Thomas' authority. As candidate Thomas failed to meet the statutory requirements for candidacy at the time of her election, she could not lawfully be elected to the position of Alderperson. Any action taken on behalf of the City of Raytown by Alderwoman Thomas following her unlawful election to the position of Alderperson was an action "wholly beyond" Ms. Thomas' authority – and thus, malfeasance.

ARTICLE VI

The City of Raytown, Missouri alleges that Alderwoman Latrice Thomas, in conjunction with her official duties, has engaged in conduct constituting malfeasance in office. Specifically:

Latrice Thomas, in the execution of her duties as an elected official of the City of Raytown, on or about June 3, 2025, committed Official Act 6 on behalf of the City of Raytown despite failing to meet the statutory requirements for candidacy when elected Alderwoman for the City of Raytown.

BACKGROUND/JUSTIFICATION

When the previous generator was decommissioned, the line to the diesel tank that supplied fuel to the generator was disconnected. At the time, the tank was left in place, removal was not included in the work. The tank being out of service, but remaining underground poses an environmental concern, and the entity that insures the City's fuel tanks is requiring it be remediated. If the abandoned tank is not addressed, the City could have significant impacts on its fuel tank insurance. Without fuel tank insurance, we are unable to operate other fuel tanks, and therefore unable to fuel City vehicles. We received two quotes, one from Double Check for \$43,847.35, the one coming before the Board was from Genesis Environmental Solutions, Inc. for \$30,014.00. Genesis Environmental Solutions, Inc. expressed the possibility of additional costs for removal of other materials. The request is for an amount not to exceed \$35,000.00. Any remaining site clean-up such as grass replanting or sidewalk damage will be handled by Public Works staff.

MEETING DATE: February 17, 2026

SUBMITTED BY:

DEPARTMENT: Parks

Document Type: Resolution

SUBJECT/REQUEST

R-3790-26: Approval of a budget adjustment for the Kenagy Park Renovation and Reconstruction project.

BACKGROUND/JUSTIFICATION

OMNIBUS grant funding through HUD makes the Kenagy Park Renovation and Reconstruction project a 100% federally funded project. In January 2026, with R-3782-26, the Board of Aldermen approved and accepted the bid of \$788,151 from contractor McConnell & Associates for the project. This item is a necessary budget adjustment in order to increase the current FY 25-26 budgeted line item by \$485,000 to meet the approved project amount.

This transfer will allow us to finalize the account balance and move forward with the renovation and reconstruction.

RECOMMENDED MOTION

Approve increasing the line item amount by \$485,000 to account for the \$1,000,000 OMNIBUS grant award for the Kenagy Park Renovation project.

PREVIOUS ACTION
